

# Immigration to Texas PowerPoint

**Directions:** For this PowerPoint slide presentation, you will showcase one immigrant group of your choice. You will use your research chart, the online Handbook of Texas website, the Portal to Texas History, and the "Texan Cultures" website.

Handbook of Texas Online

<http://www.tsha.utexas.edu/handbook/online/>

"Texans One and All"

<http://www.texancultures.utsa.edu/publications/texansoneandall/texans.htm>

Portal to Texas History

<http://texashistory.unt.edu/browse/?browseby=subject>

Your PowerPoint is completely your creation. There is no template to follow. However, you must include the following:

- An Introduction slide
- 1 slide on each of the following topics—obstacles, location, and contributions
- 1 picture per slide for each topic
- 1 slide must include a graph or pie chart (ex. a graph showing numbers of immigrants that settled in a certain area such as Gulf Coastal Plains, Central Plains, Great Plains or Houston, San Antonio, etc.)
- 1 slide with a link to a website that has information on your group
- 1 slide with a primary source quote
- 1 slide with a photo collage of your group
- 1 "citations" slide
- Set a background for all slides
- Include slide transitions set at "mouse click" not "automatic advance"
- All slides should have bulleted information, NO complete sentences or paragraphs

\*You may incorporate Photo Story or Movie Maker creations into your PowerPoint. [United Streaming.com](http://UnitedStreaming.com) is your resource for video clips or still images.
