Dear Ms. Slade:

It is with great excitement and pride that we write to inform you that you have submitted a winning entry for the TDNA 2008 Fentress Memorial Award. The judges have awarded you with First Place and we enclose your check in this mailing.

The judges' offered this citation regarding your body of work:

“Rachel Slade regarded her internship as a calling, and she clearly answered that call.”

We agree and are proud that you represent us this year.

We will release a press announcement this week; your plaque has been ordered, and will be shipped under separate cover.

Again, our congratulations and best wishes for what we know will be a bright future!

Warmest Regards,

Cyndi Brown
