Dear Nelson:

Just a note, Nelson, to thank you for presiding at the morning session at TDNA's 87<sup>th</sup> Annual Meeting. I know it can be a little nerve-wracking at times and I appreciate your willingness to perform this vital function.

And thank you for organizing and moderating the Best Ideas program once again. I heard a lot of good comments on the program and I think we could have gone on for most of the morning with it.

Again, Nelson, thanks for all your contributions to this year's convention program.

Sincerely,

Gary Borders
