Dear Mr. Hamilton:

Thank you for allowing The Dallas Morning News to submit your entry for our annual Fentress Memorial Award, and congratulations on your outstanding body of work. Your nomination came at a time when our judges faced an extremely difficult challenge in choosing the winner.

Although you did not receive the award this year, we encourage you to seek the nomination again. Students are limited to one win, but multiple entries. We wish you the best in what we know will be a bright future.

Warmest Regards,

Cyndi Brown
Member Services Director
