

Sunday, October 14, 2018, 1-5pm
at Dallas Heritage Village

EXPERIENCE

Browder Springs

Digitization Lab

Learn how to preserve and digitize rare materials at the digitization lab. Archivists will demonstrate scanning techniques and answer questions about how to turn your family memories into digital treasures.

Oral History Lab

History comes to life when people tell their stories - talk to the experts to learn how to create an oral history interview and preserve your history for tomorrow!

Ask an Archivist / Preservation Lab

Don't know what to do with all of that "stuff" in the attic? What happens if your family photos get wet? Where do you go to find out more information on the history of your neighborhood? Visit the ask an archivist table and learn all about how to take care of your family's memories - stop by to ask an archivist!

Career Booth

Interested in becoming an archivist? Talk to professional archivists and learn about volunteer and internship opportunities in North Texas.

TCU Printing Press

Come check out the Book Beetle Letter Press from Texas Christian University Library's Special Collections. Learn the ins and outs of the press and see it in action with TCU Library staff!
