What a rare opportunity we had last Friday (10/31/08) to talk to approximately 200 history students representing eight classes at Murphy Middle School. We were there from 8 AM - 4PM. Dick Arnold did an excellent job portraying an officer in George Washington's army at the battle of Trenton, and, if you haven't seen Mike Radcliff portray George Mason, you have really missed out! All of us, (teachers included!), learned something about the Articles of Confederation, the Constitution and the Bill of Rights, and about our early founding fathers. *Photos from Milton and Jerrie Lentz.*
