

August 25, 2011: The SAR of Plano and McKinney joined to Greet the Troops. Present were Don Sielert, dual member, Harvey Vrooman, Plano, Bill Neisel, Plano and Don Babbs, dual member. The line up is pretty much that order. They greeted 120 soldiers that day.

President Sielert said "I had to throw in a photo of BOOMER, the guard dog, who tries to greet every plane with his master. He is a Brazilian Mastiff -around 140 pounds-- and a real sweetheart! But I love dogs and he knew it! I even got a kiss from Boomer." These photos were taken by Wosar Ann Sielert.
