

### The Color Guard at the Allen Americans Hockey Team at the Allen Event Center

The Color Guardsmen practiced the line up. There was some question as to whether they would be able to fit four guardsmen on the red carpet they stand on -- ON THE ICE!!! And they do not move very much at all--for their safety! From the left is Don Sielert, Chuck Sprague, Dan Reed, and Don Babbs--from the McKinney Chapter.

And now the ice rink lights are out, and all eyes are on them--standing in a circle of very bright light!

Photos by Ann Sielert, photographer for the Plano SAR Chapter #37.
