

Salado fireworks show at Sherrill Park July 6

The annual Salado Fireworks show on Salado Creek on July 6 with the show beginning at full dark about 9 p.m. at Sherrill Park in Mill Creek.

There will be a day full of activities, including food and drinks for purchase, kids' games and booths. There will also be a men's golf tournament during the day.

Mill Creek Country Club hires a professional fireworks show that will start at dark.

The best vantage point for the show will be in the

newly-renovated and air conditioned The View at the Creek venue.

Wristbands for all-day admission to The View at the Creek will include your food and drink (including a full bar) and will cost \$125 per person. Wrist bands can be purchased at the Pro Shop or by calling 254-947-5698.

Proceeds benefit the continued improvements at Mill Creek Country Club made by the ownership group.

For others, food and drink will be offered for purchase on the grounds of Sherrill Park. No outside food or

drink on the grounds.

If you live within the boundaries of the Village of Salado, fireworks are not allowed. Violators can be fined up to \$2,000.

The fireworks show sponsored by Mill Creek Country Club offers the community the chance to gather together to celebrate our Independence.

Residents living in the county and outside incorporated areas may discharge fireworks on the Fourth of July as no ban was adopted by Bell county commissioners this year.

Breaking ground on the new middle school are Salado I.S.D. Board of Trustees (from left) Nate Self, former member Darrell Street, Amy McLane, Board Secretary Troy Smith, Superintendent Michael Novotny, Board President Kim Bird, Board Vice President Jeff Kelley and Dr. BA White. School board adopts \$17.3 mil M&O budget

BY TIM FLEISCHER
EDITOR-IN-CHIEF

Salado ISD Trustees adopted a \$17.3 million operating budget for the 2019-2020 school year during a called meeting on June 26.

The total operating budget is almost \$2.3 million more than the 2018-19 operating budget with \$17.3 million in expenditures and a like amount in revenues.

On the revenue stream, local revenues increase almost \$1 million to \$9.6 million and state revenues increase more than \$1.3 million while federal dollars drop to \$30,160.

The largest expenditure is for instruction, from \$8.3 million to \$9 million. The 2019-2020 funds an additional eight positions, as well as a contract for a mental health counselor to be on

campus two days a week.

School leadership increases 10% from \$830,841 to \$926,522 while counseling increases about 4% to \$430,709. Plant maintenance and operation decreases by 2% to \$1.6 million.

The other major change in the 2019-2020 budget is the addition of \$1.1 million for facilities acquisition and construction, funded by transition state funds. The funds could be used for tennis courts, which were not funded out of the bond.

The budget also includes a \$119,655 transfer to the food services budget in order to balance the \$629,023 in expenditures there.

The budget is built on a student enrollment of 2,055 students, an increase of 91 students over last year. The tax rate to fund the budget is \$0.97 per \$100 valuation for

M&O and a debt service tax rate of \$0.50 per \$100 valuation for a total tax rate of \$1.47 per \$100 valuation, an increase of more than 25¢.

Salado ISD has a current M&O fund balance of more than \$4.2 million and a debt service fund balance of \$2.65 million. The surplus will bring that debt service fund balance to more than \$3.4 million.

Trustees also approved the Final Amended Budget for the 2018-19 school year on June 26.

The final M&O budget for 2018-19 is about \$500,000 more than the adopted budget. The district received more than \$400,000 in local revenues. The largest change in the amended budget is an increase of \$150,000 in Instruction and a similar increase of \$150,000 in plant maintenance.

SISD breaks ground of 136,000 SF middle school

BY TIM FLEISCHER
EDITOR-IN-CHIEF

"It takes a Village to raise a child," Dr. Michael Novotny told the audience during the ground breaking ceremony for the Salado Middle School on June 26. "It also takes a Village to build the facilities needed to educate a child."

Dr. Novotny talked about the process that led to a successful bond election last year. "This process started with the 55 community members, parents, and school district employees that served on our strategic planning committee that met in 2015-2016 to develop our district's strategic plan," he said.

"One of the four goals that the committee developed was to provide quality facilities and resources for our students and staff," he said. "We then formed a long range facilities planning committee comprised of 58 community members, parents, and school district employees that met in 2017-2018 to review enrollment projections, facility options, and cost estimates to develop a long range facilities plan."

"Our school district's enrollment has increased the highest percentage of all 76 school districts in the Waco region and we are projected to continue or even increase that rate of growth," he said.

The facilities planning committee presented its recommendations to the school board, which called for the \$49.4 million bond election.

"I have worked for a lot of school board members during my 11 years as a su-

perintendent, the last eight years of which have been here in Salado," Dr. Novotny said. "We have a truly outstanding school board that is committed to the best interest of our students and our community."

Current school board members are Dr. Kim Bird, President, Jeff Kelley, Vice-President, Troy Smith, Secretary and board members: Nate Self, Dr. BA White, Jim Hodgkin, and Amy McLane.

"I would also like to thank former school board members Darrell Street, Rodney Bell, and Melanie Kirchmeier for their involvement in this process," Dr. Novotny said.

He thanked Village of Salado administration and elected official "for partnering with our school district on the annexation of all of our school district property into the Village of Salado."

"This will allow us to connect to the new wastewater treatment system, which will save our district a significant amount of money instead of having to build and maintain our own waste water treatment and septic systems," he said.

He thanked Bell County officials for partnering with the school district to expand Williams Road to allow for a left turn to alleviate traffic at the site.

Dr. Novotny thanked Salado Water Supply Corporation for expanding the water lines and allowing the contractors to tap into the water supply during construction.

Huckabee Architects designed the campus. Lee Lewis is the general contractor for the construction and

Alpha Testing did site testing.

Salado Middle School will open in August 2020 for sixth, seventh and eighth graders.

The school will be 136,000 square feet. It will include 18 standard classrooms, four science lab rooms, two art rooms, a life skills room, two flex rooms, three collaborative spaces, two testing rooms, a library, performing arts for band, choir, and theatre, a cafeteria and kitchen, a competition gym and a practice gym, weight room, and locker rooms, and a practice football soccer field.

"We will also be constructing new softball and baseball fields so our high school players won't have to travel every day to and from the fields on Thomas Arnold Road and Salado School Road for practice," he said.

"This new school will provide a safer learning environment for our middle school students," Dr. Novotny said. "It will also reduce the number of students at the schools at Thomas Arnold Road so our students in pre-kindergarten through fifth grade will no longer need to be taught in portable classrooms."

"This will also significantly improve the safety, traffic, and parking on Thomas Arnold Road," he said.

Salado ISD Board members joined Dr. Novotny in breaking the ground for the project and Dr. Novotny said, "we look forward to seeing you again next summer for our ribbon cutting ceremony and the opening of the new school."

Celebrate the fourth with local historians

Salado Historical Society will hold its annual 4th of July picnic at noon July 4 at the Salado High School cafeteria.

The Historical Society will provide fried chicken, iced tea and water. They ask that the public bring a favorite covered dish. This is a free picnic, open to the

public and the Historical Society invites everyone to join them in an air conditioned room to celebrate America's birthday. No reservations are required.

Speaker will be state rep. Brad Buckley.

Representative Brad Buckley was elected to the Texas House of Representa-

tives in November of 2018 represent House District 54, which includes part of Bell County and all of Lampasas County in Central Texas. He currently serves on the House Appropriations committee, the Agriculture & Livestock committee, and the Local and Consent Calendars committee.

Remember this market aphorism: Bull markets climb a wall of worry

The Markets

There is an old saying on Wall Street, “Sell in May and go away.” That old saw reflects the widely held belief that June is often a down month for stocks. As we closed out the month and the second quarter of 2019, the better wisdom seemed to be an even older saying, “Buy and Hold.” For the week ending June 28, the S&P 500 Stock Index (SPX) was indeed down 0.29% to close at 2941.76, but during the month of June, it was up a very respectable 6.89%, the best performance for the month of June since 1955. That nearly 7% monthly return was a big part of its rise of 8.22% from this time last year. For those who don’t remember, at the end of last year there was a general panic and those who heeded the fearful call of “Sell!” have missed out on a market rise of 17.35% and the best first half since 1997. It is good to remember yet another market aphorism, “Bull markets climb a wall of worry.”

As has been the case lately, the bond market had another opinion about the future. The 10-year U.S. Treasury note closed out the week with a yield of 2.004%, down about 1.3 percentage points or 38.6% from its yield early last October of 3.236%. With the 90-day T-Bill yielding 2.139% the yield curve remains inverted and even more so at three years with that note only yielding a bit above 1.7%. West Texas Crude Oil rose 0.95% to \$58.13 on news that OPEC was holding down production but remains down nearly 22% from a year ago on weaker demand. Gold rose 0.73%, to \$1,413.20 reflecting a decline in the dollar against a basket of world currencies.

The Economy

One of the more watched indicators in the economy,

Market & Economic Update

By Jeffrey W. McClure

the core Price Index for Personal Consumption Expenditures (PCE), the Federal Reserve’s preferred inflation gauge, bumped upward 0.19% in May putting it on track for the Fed’s target of 2% annual inflation. It still remains up only 1.6% from a year ago and the Fed has lowered its forecast for the 2019 inflation rate from 1.8% to 1.5%.

The Commerce Department confirmed that during the first quarter of this year the U.S. GDP did indeed grow at an annualized rate of 3.1%. There is a nearly universal consensus that the second quarter will see a decline in GDP growth to a rate at or below 2%. That same consensus of economists and Federal Reserve banks also agrees that the stimulus from the \$1.5 trillion tax cut is now behind us and that the lower tax rate had little positive effect on growth beyond the short spurt we saw in 2018. The Atlanta Federal Reserve Bank is forecasting 1.5% annualized GDP growth for the second quarter.

In the GDP report for the first quarter, growth in consumer spending was revised downward from 1.3% to 0.9%. Business investment in new equipment was unchanged from the earlier estimate and remains at a negative 1%. That report matched up well with the Kansas City Fed’s announcement that its Manufacturing Survey Index had dropped to zero, indicating that growth in manufacturing in the central part of the nation has ceased. The good news is that it has not yet declined but the decline in that survey from +17 to zero since November of last year

is sobering. Meanwhile, the IHS Markit Composite U.S. Purchase Manager’s Index for manufacturing declined to 50.2 for June on a scale where numbers above 50 indicate growth and below 50 contraction in future manufacturing.

While manufacturing and even personal services in the U.S. appear to be nearing zero growth, conversely the American consumer, the primary driver in the economy, appears to have increased spending during both April and May at an annualized rate of about 2.5%. The obvious question is if people are spending more money but domestic manufacturing and services are stagnating, where is the money going? The answer is in a single word, “imports.” There is a suggestion that consumers, like businesses did earlier, are trying to beat the tariff-related price rises by buying durable goods items now before the 25% import tariffs hit. Income growth was at 0.5% in May. That equates to a 6% annualized growth, something we would expect in an extremely tight labor market but have not seen until now. Possibly, as a result, hiring seems to be tapering off.

The bottom line is that the U.S. economy remains balanced on the edge of growth or contraction with a result that will reveal itself in the GDP numbers in the second half of the year. The difference may well be seen in whether the trade war ends or escalates. The Leading Economic Indicators still give us at least six more months of growth but the yield curve is forecasting a recession within the next 12 to 18 months.

Trustees approve energy efficiency project, extend superintendent contract

The Salado ISD School Board met on Wednesday, June 26. The following is a summary of that meeting:

- Joe Rex was recognized as the Salado Rotary Educator of the Month for June.
- The Board approved the hiring of teachers, a school counselor, and a librarian.
- The Board received an update regarding the construction of the bond projects.
- The Board approved a proposal from Horizon Bank for the financing of an energy efficiency project.
- The Board approved a contract regarding an energy efficiency project with McKinstry. This project will involve replacement of old HVAC units, retrofitting all of our lighting to LED, and the installation of a district-wide control/thermostat system.
- The Board approved a contractor to connect school district facilities to the Village of Salado wastewater system.
- The Board received an update regarding the bond construction projects.
- The Board reviewed the enrollment comparison. The 2019 end of school year enrollment was 1,950 students. The end of year enrollment in 2018 was 1,844 students and the end of year enrollment in 2017 was 1,772 students.
- The Board reviewed the monthly financial reports.

Superintendent’s Corner

by Dr. Michael Novotny

- The Board approved a resolution regarding the extracurricular status of the 4-H organization.
- The Board approved an adjunct faculty agreement with the Bell County Extension Agents.
- The Board approved the 2019-2020 Temple College Dual Credit Program Memorandum of Understanding.
- The Board approved the minutes from the May 13 and June 6 school board meetings.
- The Board approved a change to Policy DEAB (Local): Compensation Plan: Wage and Hour Laws.
- The Board approved adding wrestling as a UIL activity for the 2020-2021 school year.
- The Board approved TASB Policy Update 113, affecting the following local policies: BBE: Board Members - Authority, BDD: Board Internal Organization - Attorney, BJCD: Superintendent - Evaluation, CI: School Properties Disposal, CO: Food and Nutrition Management, COA: Food and Nutrition Management - Procurement, COB: Food and Nutrition Management - Free and Reduced-Price Meals, CRB:

- Insurance and Annuities Management - Liability Insurance, EHBAF: Special Education - Video/Audio Monitoring, FNF: Student Rights and Responsibilities - Investigations and Searches.
- The Board approved the 2018-2019 Final Amended Budget.
- The Board discussed House Bill 3’s change from previous year property values to current year property values.
- A public hearing was held regarding the 2019-2020 Budget.
- The Board approved the 2019-2020 Budget.
- The Board selected School Board Member Amy McLane as our district’s delegate for the 2019 TASB Delegate Assembly.
- The Board conducted my annual evaluation.
- The Board approved a one-year extension of my employment contract. The term of my contract is now from July 1, 2019 through June 30, 2024.

Our next regular school board meeting will be held on Monday, July 15, at 6:00 p.m. at the Salado ISD Civic Center, located at 601 North Main Street.

Fund Head Start not interment camps

By KENIA ALCOCCER

I came to this country from Mexico as a small child because my mother was escaping poverty and wanted to give my sisters and me a better life. She worked hard to make sure we had food on our table and a roof over our heads, often doing two and three jobs at a time.

Because of poverty and systemic racism, undocumented families like mine must work multiple jobs and get paid under the table, and that often comes with mistreatment and discrimination on the job. To get by, people in our community have to develop our own survival methods, such as getting together with neighbors to share meals or take care of each other’s kids.

This difficult situation is made worse by the threat of detention, deportation, and family separation. Reports of sickening conditions in children’s detention facilities, along with renewed threats by the administration to attack migrant families, have cast a dark shadow over the lives of families like mine.

Much of this is made possible by misplaced spending priorities.

I recently traveled to Washington, D.C. from my home in Los Angeles to testify before Congress. This was an opportunity to tell

members of the House Budget Committee that they have tremendous power to shift U.S. priorities to help millions of families lead better lives.

They could decide, for example, that it’s more important to put children into Head Start than into detention centers. Last year, one of the corporations that operate detention centers got \$234 million to buy beds for children. With that money, we could instead fund Head Start for more than 26,000 children.

One policy gives children lifelong benefits. The other destroys lives. In fact, at least five migrant children have died in detention this year. Many thousands more will be traumatized.

Congress could also decide that it’s more important to send kids to college than to send more ICE agents to raid workplaces. Many poor people like me would like to go to college, but there’s not enough financial support — even though the benefits of public investment in higher education outweigh the costs by over 4 to 1, according to a California study.

Meanwhile, the government has had no trouble finding money to stop people from pursuing their right to live with dignity and humanity. The United States now spends more

than eight times as much annually on immigration, deportation, and border enforcement as it did in 1976.

President Trump claims immigrants are an economic burden — that we steal jobs and public assistance money. The exact opposite is true. The Congressional Budget Office found that if the United States accepted more immigrants and created a path for more undocumented people to get legal status, the benefits would outweigh the costs by nearly \$20 billion per year.

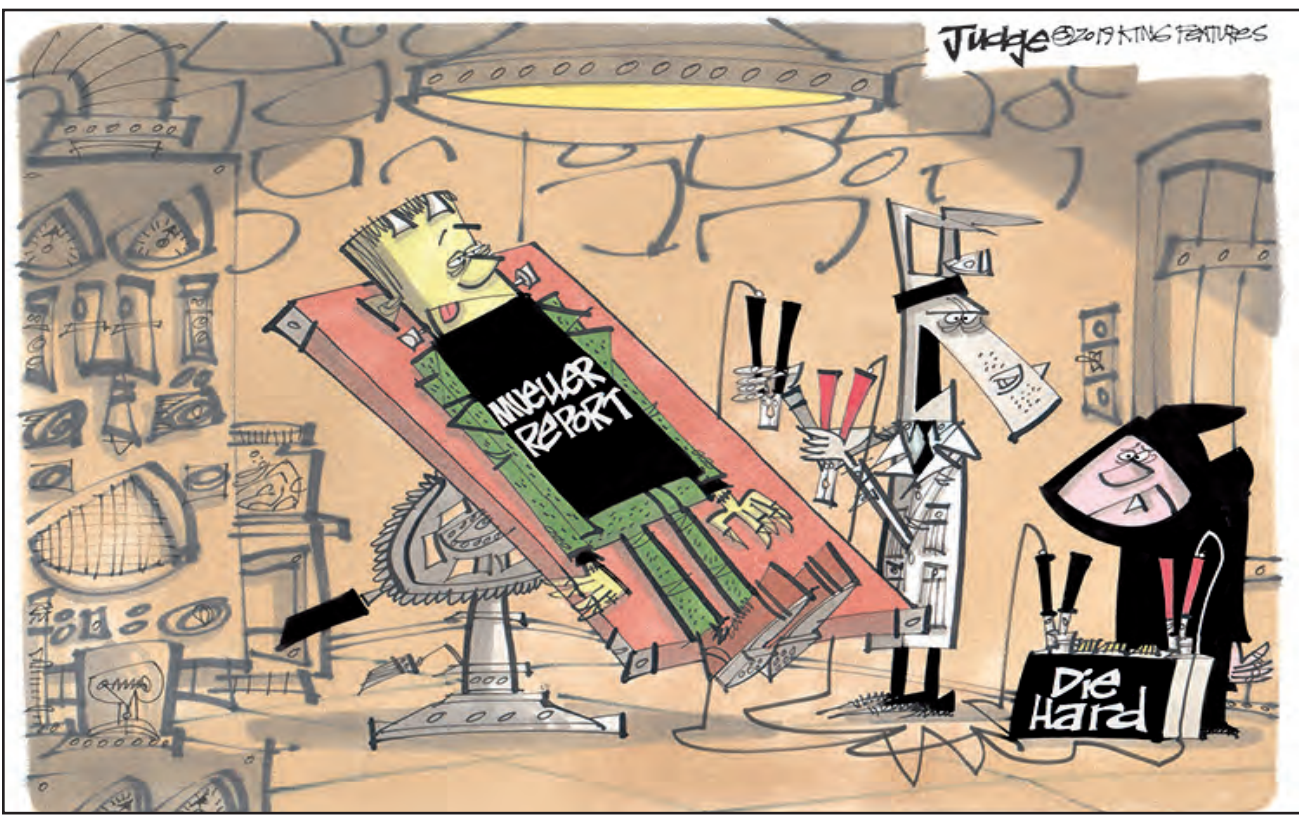

Immigrants contribute every day to this society — whether it’s the gardener mowing your lawn, the cook (like my mother) preparing your meal, the farm worker picking your fruits and vegetables, or the nanny helping to raise your children. Many of us, like myself, have become leaders in movements that unite poor people of all backgrounds to fight — not just to survive another day, but for the right to live a full and vibrant life.

My mother crossed a desert to give me a life with dignity and basic human needs — a home, food, and education. I will continue to fight to make sure everybody lives without poverty, systemic racism, ecological devastation, and violent militarism. I hope our elected officials will too.

TEXAS PRESS ASSOCIATION

The madcap caution of Donald Trump

The worry was that the Trump administration was ginning up fake intelligence about Iran blowing up oil tankers in the Strait of Hormuz to justify a war against Iran. Then the next week President Donald Trump said the Iranian attacks weren't a big deal.

The episode is another indication of the underlying modesty -- not a very Trumpian word -- of the administration.

Subtract Trump's taste for nonstop controversy and rhetorical brinkmanship, and you're left with an incrementalist center-right government that has pursued an expansionary fiscal policy and avoided foreign war, for a period of peace and prosperity that -- in any other universe -- would be at the core of a stay-the-course re-election message.

For a while, the Obama doctrine was, "Don't do stupid stuff." The Trump team has built out the doctrine to "Privately consider and sometimes openly threaten stupid stuff, but at the end of the day, don't do it (usually)."

The Mexico tariff threat was typical. If Trump had gone through with the steadily escalating tariffs, it would have been a blow to our own economy and that of an ally. Instead, he got what might prove to be meaningful concessions from Mexico.

The thing about a Trump threat is that he always controls whether he's going to go through with it or not. He's going to pull out of the North

Rich Lowry

American Free Trade Agreement, actually no, he's not. He's going to impose auto tariffs on Canada, well, not really. What he's going to do is sign a new trade deal with Mexico and Canada that's a somewhat altered version of NAFTA and urge Congress to pass it.

Allies might be understandably appalled (or at times alarmed) by his habit of berating them and squeezing them for concessions, but the alliance system, a product of deeper forces than the persona of any one president, remains intact.

In the Middle East, Trump accelerated an anti-ISIS campaign that he inherited, announced a withdrawal from Syria that he didn't fully follow through on and kept troops in Afghanistan. Steady as she goes.

Pulling out of the Iran nuclear accord is a big deal and, given that it's not entirely clear how the administration imagines resolving the crisis, genuinely a shot in the dark (although Trump says he wants to talk).

Another gamble is the trade war with China, a truly significant departure from the old bipartisan consensus, yet even here, Trump presumably has the off-ramp of a fig-leaf deal should he decide that he wants to take it.

At home, in terms of the

economy, everything (except for the tariffs) has been geared to preserving and boosting the recovery, from the tax cuts, to the deregulation, to the lack of interest in cutting spending, to Trump's jawboning of the Federal Reserve to keep rates low.

Given the choice, you'd prefer that people believed that your administration was cautious and incremental, while it undertook far-reaching changes, rather than believe it's on the verge of careening out of control, while pursuing a fairly reasonable path.

For now, he can plausibly make a re-election pitch that, despite what you might have gathered, he's been a steward of a country enjoying markedly good times.

Vacation Liberty Camp held July 8 at Salado Church of Christ

By JAMES R. HANEY

A new twist to not only learning, but experiencing the beginning and foundation of the United States of America, Vacation Liberty Camp will be a week of living history at the Salado Church of Christ. This will be a unique experience for children 3rd grade through 7th grade.

According to Judy Brady, director of the camp, on Monday, they will meet King James, be thrown in prison, escape to the Netherlands and eventually make their way to the New World on the Mayflower. Then on Tuesday, they will hear Reverend Prince give

his famous sermon. George Washington, in Wednesday's session, will stop by and students will cross the Delaware. On Thursday, Ben Franklin will tell of his inventions and witticisms such as "Three can keep a secret, if two of them are dead," and "People who are wrapped up in themselves make small packages."

On Friday, the final day of the camp, Judy Brady said, "This will be a day of wrap up of everything learned in the first 4 days. Campers will learn how tyranny and anarchy balanced equal a Constitution Republic." She said that at 11 a.m. k on Fri-

day, the VLC participants will perform a skit for parents' entertainment. This will be followed by certifications and refreshments.

An interesting aspect of the Vacation Liberty Camp is that refreshments each day will be food that the people of the time they will be studying would eat. Another thing the participants will learn is how the Bible was used in those very early days in the building of our country.

The event will be in the Salado Church of Christ Activity Center, 210 N. Church Street, Monday through Friday, July 8-12, 9 a.m. -

noon, except on Thursday it will be 1- 4 p.m. Reservations are required and may be made by contacting Judy Brady at 254-760-0512 or bradyjjudy@icloud.com. On the first day, sign in and permission sheets will need to be filled out at the door. Child must be accompanied by parent.

There will be a limited enrollment, so those interested in this week of interesting and exciting experiences should make their reservations soon.

There is no charge for this event, but donations are welcome.

SUMC VBS held July 8-11

Rolling River Rampa will give children ages four through incoming sixth graders "the Ride of a lifetime with God!"

The Vacation Bible School session is set for 9:30 a.m.-noon July 8-11 at Salado United Methodist Church on Royal Street.

You may pre-register your child for the Vacation Bible School by visiting <https://www.myvbs.org/saladouc/>.

Every year the church participates in both local and international mission projects during Vacation Bible School.

The international mission project is a change

donation drive to support the WASH (Water, Sanitation, and Hygiene) program through the United Methodist Committee on Relief. The WASH program improves sources of drinking water, water treatment filters, and sanitations projects in high poverty areas.

The local mission project will be collecting new

school supplies for students who enter Salado ISD mid year in need of assistance in obtaining vital school supplies. From July 7-14 the church will be collecting #2 Ticonderoga Pencils, 100 page wide ruled notebooks, wide ruled spiral notebooks, and 10 ct. Crayola Classic big markers

Compatriot Bill Covington

Declaration of Independence and Magna Carta similarities presented at Sons of American Revolution

Compatriot Bill Covington of the Arlington Chapter of the Sons of the American Revolution delivered a presentation on the "Declaration of Independence and Magna Carta Similarities" at the May 11th Heart of Texas meeting at the Salado Library. He came in his colonial dress as a foot soldier with full "kit" as our ancestors likely wore. He is well known in Texas Sons of the American Revolution for the many patriotic topics he presents.

His presentation began with an explanation of the Magna Carta which was signed by 35 + English Barons in 1215. The Barons were expressing their concerns over King John's functioning as an absolute monarch and was not consulting with the Barons who did not have a say in how governed. The Magna Carta contains a long list of grievances. In 1776, or 561 years after the Magna Carta was signed, there were similarities among American colonists: they are mainly English, and as such, felt

their rights as Englishmen were being violated, and they were being governed by a monarch who had little concern for them. Being stirred to action by Thomas Pain's pamphlet "Common Sense" expressing their grievances, it led to discussions about what colonists really wanted, resulting in the signing the Declaration of Independence July 2, 1776, (date actually signed) which was sent to King George III. It is doubtful he read it, but the colonists did and took up arms. The rest is history.

Individuals interested in researching their ancestors going back the American Revolution to see if eligible to join the Sons of the American Revolution (SAR) can contact the Texas Society Sons of the American Revolution website at txsar.org. The local chapter is the Heart of Texas Chapter (#26). Information on joining is available at the meetings. The goal of the SAR is to honor our ancestors and perpetuate our American heritage.

Children 3rd -7th grade

Vacation Liberty Camp 2019

Early American history comes to life while learning about the foundations of our country.

Campers experience the conditions on the Mayflower, cross the icy cold waters of the Delaware, Play games, crafts and much more!

Obituaries

ALVIN D. AGAN

Services for Mr. Agan are Thursday, June 20, 2019 with a visitation at 10 a.m. followed by a Celebration of Life ceremony at 11 a.m. in the Salado Church of Christ, 217 N. Stagecoach Road, Salado, Texas 76571.

Alvin D. Agan, age 87, passed away on June 17, 2019. Alvin was born and raised in Shamrock, Texas. He was born on July 6, 1931. He and his wife Peggy have lived in Salado, Texas for several years. He attended college and graduated from West Texas A&M in 1951. He began his career with Celanese Chemical Company in Pampa, Texas until his retirement after 41 years in 1994. Alvin is survived by his wife, Peggy Agan of Salado. In February of 2019, they celebrated 68 years of marriage. Alvin was a member of the Salado Church of Christ.

Alvin is survived by his son John Agan (Ellen) of Temple, Texas and son, Jim Agan (Jill) of Jonesboro, Arkansas. Four grandchildren and five great grandchildren.

Memorials may be made to Missions: Salado Church of Christ, PO Box 207, Salado, Texas 76571.

Services are in the care of Broecker Funeral Home, Salado.

SGT. JAMES G. JOHNSTON

FORT HOOD, Texas – The Department of Defense announced June 27 the death of a Fort Hood Soldier who was supporting Operation Freedom's Sentinel.

Sgt. James Gregory Johnston, 24, whose home

of record is listed as Trumansburg, New York, was assigned to 79th Ordnance Battalion (Explosive Ordnance Disposal), 71st Ordnance Group, here since February.

Johnston, along with another Soldier, Master Sgt. Micheal B. Riley, died June 25 in Uruzgan Province, Afghanistan, as a result of wounds sustained from small arms fire while engaged in combat operations. "It is with a heavy heart that we mourn the passing of Sergeant James Johnston. He was the epitome of what we as Soldiers all aspire to be: intelligent, trained, always ready. We will honor his service and his sacrifice to this nation as we continue to protect others from explosive hazards around the world," said Lt. Col. Stacy M. Enyeart, commander of 79th Ordnance Battalion (Explosive Ordnance Disposal).

Johnston entered active-duty military service in July 2013 as an explosive ordnance disposal specialist.

Johnston deployed in support of Operation Freedom's Sentinel in March 2019.

Johnston's awards and decorations include a Bronze Star Medal, Purple Heart, Army Commendation Medal, Army Achievement Medal, Army Good Conduct Medal, National Defense Service Medal, Afghanistan Campaign Medal, Global War on Terrorism Service Medal, Korea Defense Service Medal, Army Service Ribbon, Overseas Service Ribbon, Combat Action Badge, Senior Explosive Ordnance Disposal Badge and Explosive Ordnance Badge.

The incident remains under investigation by the Department of Defense.

MYRTLE NORA VOLNEY

Services for Myrtle Nora Volney were June 28 at St. Stephen Catholic Church with Father Jude, officiating. Burial followed in the Holland Cemetery with lunch at the Kuhlmann Center in Holland.

She was born on Feb-

ruary 17, 1933 to Edward Frank Bartz and Nora Ella Lange Bartz. She graduated from Bartlett-Holland High School. On July 2, 1951, she married Albert Volney Jr., celebrating 32 years of marriage together.

She is preceded in death by her parents, and husband; son, Russell Volney; sister, Ruby Bartz Grimmer and brothers: Logan, Lester and Allen Gene Bartz. Sisters-in-law: Bonnie Bartz and Johnnie Bartz; brothers-in-

law: Noel Lovellette and D. C. Volney.

She is survived by her son, Greg Volney and wife Lisa; her daughter-in-law Cindy Madden Volney; three sisters, Shirley Liles and husband Joe, Doris Mosley and Marge Lovellette; two brothers, Howard Bartz and wife Kathy and Kenneth Bartz and wife Jan; four grandchildren and three great grandchildren.

Services were under the care of Broecker Funeral Home of Salado.

CAROL O. SHUCK

MARCH 15, 1951

JUNE 20, 2019

Carol O. Shuck (Curtis) died peacefully on Thursday, June 20, 2019 after a short illness.

Carol was born March 15, 1951 in Mason, Michigan to Helen and Lloyd Curtis. She grew up helping her parents and two older brothers, Colin and Kirk, on the family dairy farm. An avid reader throughout her life, Carol graduated Dansville High School at the top of her class, delivering the valedictory speech in 1969.

She attended Michigan State University, graduating with a Bachelor's Degree in Criminal Justice in 1972. Here her love of the Spartans only grew and she was able to attend both the '88 and '14 Rose Bowl Championship football games among countless other football, and men's and women's basketball games.

Carol met her devoted husband of 46 years, Monte Shuck, on the MSU campus and they married October 14, 1972.

She went on to become the first female police officer in the city of Bloomington, Indiana; she had a long, dedicated, and varied working life that included Medical Equipment and Education Service in Livonia, MI; secretary to the maintenance supervisor at Wyeth Labs in Mason, MI for 15 years; an insurance adjuster for a company in Okemos, MI; a secretarial position at ADCO (auto parts supplier) in Michigan Center, MI; and eventually retired after 10 years as a case worker from the State of Michigan's Department of Child and Adult Foster Care.

Carol and Monte made their home in Dansville, Michigan for 35 years. She was an ardent Dansville Aggie supporter—attending a variety of sporting events, creating supportive team signs to display in the front yard, and cheering her children on through their sporting, theatre, and other events.

Carol was a proud mother to Jovon and Casey, two more Spartans, generous mother-in-law to Sheila and Sarah, and loving grandmother to Hannah and Elliot. She also leaves behind her brothers and their wives, Kirk and Mary Curtis, and Colin and Melody Curtis; her beloved nephews Charlie, Shannon, Nathan, Johnathan, and Ben Curtis; and an array of cherished family and friends.

In May 2013, Carol and Monte moved to Texas. She spent a great deal of time researching and building her dream home in Jarrell where she was a member of the Spears Ranch Ladies Book Club and the Jarrell Community Emergency Response Team (CERT). Together they joined the Presbyterian Church of Salado. A lifelong lover of music, Carol became the Music Director and a faithful choir member.

Carol was in her element when she was able to plan something—including events, trips, parties, projects, and menus. She loved finding the perfect recipe, the perfect poem or piece of music, or the perfect gift for the occasion.

Among Carol and Monte's adventures together, they were able to explore many locations, sometimes on a Goldwing motorcycle, sometimes a tandem bicycle; they took their children on multiple trips throughout the US; took their grandchildren on a houseboat adventure; and enjoyed trips through Italy, France, and most recently voyaged on the Rhine from Amsterdam, Netherlands, through Germany, and into Switzerland.

Donations in Carol's memory may be made to the Salado Public Library or the Presbyterian Church of Salado.

Kristyn Harris performs western gospel at Heritage Country Church July 7

Heritage Country Church welcomes Kristyn Harris, who will play traditional western Gospel during the morning services at 10 a.m. July 7. The church is located at 9929 Lark Trail.

Kristyn Harris, a Texas-bred musical powerhouse, is the three-time currently reigning International Western Music Association Entertainer of the

Year (2016, 2017, 2018), and the youngest person to have received this honor.

Her powerful voice brought her all the way onto the 2018 season of ABC's

American Idol, where she sang and yodeled for the judges. This voice is complimented on stage by her swing guitar playing, songwriting, and energetic stage presence.

Now 23, Kristyn tours across the U.S. and internationally. When she's not playing music, her passions find her trick riding, training horses and raising cattle, which inspire some of the music she writes. She is also influenced by classic western and western swing music.

Kristyn brings joy and passion to her music. She was awarded the 2017 Ameripolitan Music Awards Western Swing Female Artist of the Year and named the IWMA Female Performer of the Year in 2014, 2015 and 2018.

Salado UNITED METHODIST CHURCH

Salado Museum presents historic artifacts uncovered in Salado Creek

Salado Museum and College Park presents Salado Treasures, a presentation of historic artifacts uncovered in Salado Creek by renowned treasure hunter Cody Drake, Saturday, July 20, at 1:00 p.m. in the museum meeting hall at 423 South Main in Salado. Admission for the special event is \$10 for adults and \$5 for children (under 6 free). Tickets can be purchased at the door or on online at www.saladomuseum.org.

Activities during the event include a display and description of the artifacts by Mr. Drake and a Hidden Treasures Hunt for the children. Refreshments will also be available.

"Having been born in Amarillo, Texas, and raised in southern Arizona, Cody has been steeped in the history and in the tradition of exploring the lost treasures of the Southwest since the age of eight," says Dave Swarthout, Salado Museum Executive Director. "His presentation of the incredible artifacts he has discovered while hunting in Salado Creek is both entertaining and educational. This is definitely an event for the entire family."

Cody Drake, known nationally as the Arizona Treasure Hunter, is formally educated in anthropology and experienced in archaeology and paleontology. Through years of research,

Treasure hunter Cody Drake

exploration and hard-won field experience, he has become what is known as a professional treasure hunter and gold and mineral wealth prospector. Cody is also a trained desert survivalist with an existing record of 58 days of full survival. He has actively worked on numerous excavation and historic sites, appeared on news and television programs, and is currently awaiting the publication of his book on Southwestern treasure hunting and desert

survival. The Salado Museum and College Park, a 501(c)(3) non-profit organization established in 1959, celebrates 60 years preserving and promoting the pioneer history of Salado, Texas. Through educational programs and exhibits that document the settlement and heritage of this area, the museum tells the story of this frontier college town. The Museum is located at 423 South Main Street in Salado, College Park.

Postal Inspectors investigate break-in attempt

Salado Post office collection boxes were covered last week after an attempt was made to break into the boxes to steal mail. The incident is currently under investigation by the U.S. Postal Inspection Service. Salado Village Voice called the Postal Inspection Service and is waiting for an update on the investigation.

PHOTO BY ROYCE WIGGIN

Village of Salado Police Report 06/24/19-06/30/19

On June 24 SPD officers received a complaint for Identity Theft/Credit card abuse. The complainant advised that unknown persons opened a credit card in their name and bought items with said card. The investigation is still ongoing.

On June 24 at about 8:40 p.m. SPD officers responded to the 800 block of Indian trail in reference to a loud noise complaint. It was determined that the noise was coming from a neighbor who was working on home repairs. No report was taken.

On June 26 at about 10 a.m. SPD officers responded to a one vehicle crash on Southbound Hwy 35 near the FM 2484 overpass. There were no injuries and

the vehicle was towed due to the damages.

On June 28 at about 10 a.m. SPD officers responded to the 2700 block of Hester way in reference to a deer that got stuck on the complainants fence. Upon arrival it was found that the deer had died. SPD removed the deer from that location and made arrangements for proper disposal.

On June 28 at about 4 p.m. am SPD officers responded to the 600 block of FM 2268 in reference to a deer that was struck by a car earlier that day and had died in the complainants driveway. SPD removed the deer from that location and made arrangements for proper disposal.

On June 29 at about

10:30 a.m. SPD officers responded to the 300 block of Salado Creek Drive in reference to a civil disturbance. Upon arrival it was determined that the home owner was upset that someone was fishing in their boat adjacent to their property which was upsetting the home owners dogs. The boat owner voluntarily moved further downstream without incident.

On June 29 at about 4:30 p.m. SPD officers responded to the 1400 block of Oak Park drive to assist Texas Parks and Wildlife Game Warden in reference to the illegal seizure of a baby doe. Upon arrival it was determined that the home-owner believed that the doe was left by his mother and

was not coming back. The home owner contacted a licensed animal rehab specialist out of Georgetown, TX who took the doe. All residents are advised that you could be cited and fined by TPWD for illegally taking a deer. At this time of the year the mother doe will leave the baby in a location that they feel is safe while the mother is foraging for food. If you believe that a baby deer is in need of assistance, contact Texas Parks and Wildlife for assistance.

On June 30 at about 6 p.m. SPD Officers responded to the 700 block of Salado School road for a reported minor crash. A report was filed and no injuries were reported.

Happy Birthday America!

The 2019-2020 officers of the Salado Rotary Club were installed during a gathering at Alexander's Distillery. Shown above are (from left) Beverly Ludeke, installing officer; Burt Smith, Foundation Chair; Michael Novotny, Past President; Kenny Kelarek, Secretary; Carson Stephens, President; Bryan Fritch, Treasurer and Michael Reyes, President-Elect. The Salado Rotary Club meets for lunch 11:30 a.m. every Tuesday at Johnny's Steaks & Barbecue.

New Students enroll July 29

New Student enrollment for the Salado ISD 2019 - 2020 school year will be held 8:30 a.m. - 5 p.m. on July 29.

Students enrolling in Pre K - 8 grade will register at Thomas Arnold Elementary Commons Area/Cafeteria at 550 Thomas Arnold Road. Students enrolling in Kindergarten must be 5 years of age on or before September 1, 2019. Students enrolling in the Pre K program must be 3 or 4 on or before September 1, 2019 and meet qualifications. Pre K qualifications are posted on the TAE campus website as well as the district website at www.saladoisd.org.

Students enrolling in grades 9 - 12 grade will register at the Salado High School cafeteria at 1880

Williams Road.

Representatives from these departments will be on site to answer questions: Athletics, Copy Center, Gifted and Talented, Pre-Kindergarten, Special Education, School Nurse, Translator, Transportation, Campus Counselors and Principals.

The following documentation is required at the time of enrollment:

- Birth certificate
- Social security card
- Immunization record (Student immunizations must be current and submitted to the school nurse prior to school starting. If a student has never attended school before, or is transferring from out of state, the student cannot be enrolled until an immunization re-

cord is provided).

Proof of residency (a deed/lease agreement or a current utility bill). You must provide proof of residency at the time of enrollment. Transfer students must be pre-approved and on the SISD Student Transfer List.

Driver's license of person enrolling student

Military connected families are asked to provide a DD FORM 1172-2 (DEERS Enrollment)

Report card and STAAR results from previous school

Transcript from previous school (High school students - It is very important that a transcript be provided at the time of enrollment to properly schedule classes and assure credits are assigned as needed).

Amy Young, Nancy Isakson and Lara Tracy cut the official Chamber ribbon to open the Market Place Cafe inside their existing business The Shoppes on Main. Chamber members, friends and family gathered to celebrate the new venture on June 28. A champagne toast immediately followed. Market Place Cafe will feature gelato, coffee, other sweets and eats to include macarons and dessert crepes. Sisters Lara Tracy and Amy Young along with their mother Nancy Isakson own and operate the mall which includes over 28 individual shops. The Shoppes on Main is located at 22 N. Main St.

Auxiliary hosts McKenzie Reeve

The Salado Ladies Auxiliary will conduct their monthly meeting 10 a.m. on July 11. The meeting will be at the Salado Church of Christ Activity Center located at 225 N. Church Street. Coffee and light food will be served at 9:30 a.m.

The July program will feature McKenzie Reeve, owner of Salado Creek Healing. McKenzie has been a Massage Therapist since 2012 and specializes in Trigger Point Therapy and intuitive, pain free, deep tissue massage. In her constant, never-ending search for tools to help her clients heal more fully, she's also found Sound Therapy and become a Reiki Master. While stand-alone therapies are effective, when combined the result is a deeply beneficial therapy session that helps achieve wellness, both physically and emotionally. Join us as McKenzie teaches us about these invaluable therapies and the services she offers right here in beautiful downtown Salado.

The Salado Ladies Auxiliary strives to provide events and activities which enhance, improve, and promote our local community.

The bidding:

South	West	North	East
1 ♣	1 ♥	1 ♠	Pass
1 NT	Pass	3 NT	

Opening lead — five of hearts.

On many deals where there is no clear-cut line of play, declarer has to feel his way along until he learns more about the opposing distribution. If all goes well, he may eventually acquire enough knowledge about the lie of the opposing cards to bring about a successful resolution.

Consider this deal where South wound up in three notrump after West had overcalled with one heart. Declar-

er allowed East's jack to hold the first trick, then took the heart continuation with the ace, learning in the process that West had started with no more than five hearts for his overcall.

At this stage, South could count eight sure tricks — four spades, a heart, two diamonds and a club — but it was not apparent where the ninth might come from. Putting that problem on the back burner for the moment, declarer cashed four spades, discarding a heart and a club while West let go of a club.

South now turned his attention to diamonds, cashing the A-K. Had West dropped the jack or queen under one of the top diamonds, declarer would have led a diamond toward the ten as the best chance to set up his ninth trick, hoping East had started with Q-x-x-x or J-x-x-x.

But when West discarded a club on the second diamond, the plan to set up an extra diamond trick went up in smoke. However, this development opened up another possibility, and declarer was quick to exploit it.

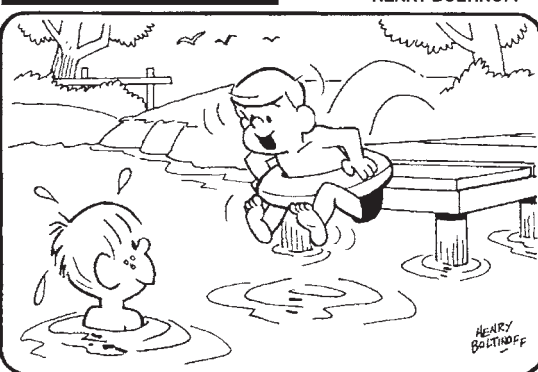

At trick nine, he led the heart ten from dummy, allowing West to collect three heart tricks. This left declarer with the Q-6 of clubs in dummy opposite his A-9, and West on lead with the K-J. When West exited with the jack and dummy's queen held, the contract came sailing home.

LEGAL ASSISTANCE

Mesothelioma may occur 30 to 60 years after exposure to asbestos. Many workers were exposed from the 1940s through the 1970s. Industrial and construction workers, along with their families (second hand exposure) are among those at risk for mesothelioma, lung cancer or gastro cancer (throat, stomach, colon). Call 800-460-0606 for professional legal insight or visit www.AsbestosLaw.com.

Need help with your retirement plan? If you have questions about your pension, 401(k) or profit sharing plan, call the South Central Pension Rights Project at 800-443-2528 to get free legal advice. Funded by the U.S. Administration on Aging, SCPRP staff provides free legal assistance to anyone with a question about their retirement plan. 800-443-2528.

OIL AND GAS RIGHTS

We buy oil, gas & mineral rights. Both non-producing and producing including non-Participating Royalty Interest (NPRI). Provide us your desired price for an offer evaluation. 806-620-1422, LoboMineralsLLC@gmail.com. Lobo Minerals, LLC, PO Box 1800, Lubbock, TX 79408-1800.
