Dear Jack,

Enclosed please find a diskette containing copy, *When...*, and resources for my Clear Lake story. There are a couple of details yet to come on *When...* I'll get that to you in the next couple of days.

I'm proceeding this week with wrap-up on the Great Texas Balloon story. I'm finishing my on-site work on the Red River story that following week and am shooting for your April 15 deadline.

As usual, call if you have questions.

Cordially,
