November 30, 2017 | [Past Events](#)

On November 30, 2017, The "Taste of Kindness" event was held at the home of Erin Driscoll and John Thornton in order to create awareness and raise funds for The Kindness Campaign, an anti-bullying curriculum now deployed in 80 schools across Texas and growing. Guests enjoyed light bites by the host's personal chef, Steven Podransky, cupcakes by Sprinkles, drinks by SWAY Water and Austin Cocktails, and performances by the Mrs band and The Wind & The Wave.
