Pebbles Wadsworth

(Community Matters) Big night last night at the Four Seasons celebrating **Pebbles Wadsworth** and her 20+ 15 years running **UT's Performing Arts Center.**

Pebbles

Kent Mayes my date as Steven was teaching his "Life of Meaning" course. Guess **Ron Kessler** was playing hooky since he was also at the party :) **Armando Zambrano** was the man behind the scene, making sure everything came off, which it did quite well. **Christian Smith** was enjoying himself; we could hear his infectious roar a couple of tables over.

Ballroom full of Pebbles fans including UT's Pres. **Bill Powers** (we discussed the Prysbyterian Seminary issue just a bit more), former Pres. **Peter Flawn, Neil Barclay visiting from Pittsburg, Phillip Kinard, Roy & Ann Butler, Michael Barnes, Sharon Watkins & Patrick Dixson, Joann & Jack Crosby, Emcee Mike Levy, Ernie & Sarah Butler, Lance Avery Morgan, Patti Olendorff and Susan Auler.**

We enjoyed being seated at a fun table with **Janis & Joe Pinelli, Elspeth Rostow** and her daughter, gay press journalist **Ann Rostow, Judge Meurer** and **Pamela Ward** and **Sandy and Lottie Shapiro.**
