RE: INFORMATION ON DENTON

DATE: MAY 29, 1996

Hi to those of you who came to our Dallas/Fort Worth Area Tourism Council Military Familiarization Tour and to those who couldn't make it.

Enclosed is a packet on Denton -- a town only 35 miles north of Dallas and Fort Worth on I-35. You'll see that we're not just a college town but one with things to see and do.

We have an historic downtown with an interesting mix of restaurants, antique stores, and specialty shops. Then history abounds in all of the museums here and we certainly don't lack for recreation at Lake Ray Roberts. To stay overnight, one has a choice of 13 hotels/motels and six bed & breakfasts. Dining out is easy with 135 restaurants and the entertainment scene offers all kinds of activities for kids and adults.

If you need assistance, please feel free to call us on our toll-free line 888-381-1818. Or, on week-ends, you'll find a staff person on duty at our Visitor Information Center. Call them at 817-381-1818.

For more information or materials, please call me or my assistant, Robin Myles. Here's to traveling around this great state of Texas!
