Dear Scott:

Please assist in collecting payment for The Science Place 1/3 page color ad in the 1997 Official Visitors Guide. We have been apprised by The Science Place that as they had not previously paid your agency for this ad insertion, they have requested and are willing to settle the outstanding balance direct with the Council pending your approval of the amount and following the filling of the request with the bankruptcy court.

It is our understanding that the pending payment can not be issued by either party until an agreement has been reached between you and The Science Place and a request filled and approved for the above suggested action.

Could you please sign off at your earliest convenience so the matter can be handled as expeditiously as possible? We understand that even after your agreement, it will take an additional 20 days for the filling. Cash flow is important at this time as the Council undertakes new growth.

Any assistance you can provide will be greatly appreciated.

Best regards,

Paul W. McCallum

Dear Cliff:

I appreciated our conversation regarding the use of a photo of two members of your Texas Kiowa Tai-Piah Society by the Denton Convention & Visitor Bureau (a division of the Denton Chamber of Commerce). As you and I discussed, we believe the two dancers are your children. Enclosed is a copy of the current Dallas Fort Worth Area Tourism Guide. This tourism magazine is published every year in December and available in January. I have marked our current ad. Although we talked by phone, I would appreciate your signing the attached release and returning to me.

In January we'll be using the enclosed new ad with the photo from County Seat Saturday in Denton. Enclosed are a couple of prints of the photo and the negatives should you want to get more copies. I also enclosed enclosed a photo of another member of your group along with Weldon Burgoon. I'll send you several copies of the magazines when it comes out in January.

We look forward to showcasing your group. It indicates to our potential visitors that Denton has a marvelous variety of entertainment at our community events. Thanks again. If you need to call me, our metro number is 972-445-5558. Just dial without a "1".

Sincerely,

RE: 1997 GUIDE

*fax to
Carmen*

Here it is, (drum roll please), your opportunity to become an advertiser in the spectacular 1997 OFFICIAL VISITORS GUIDE TO THE DALLAS/FORT WORTH AREA!!!

Go ahead, take a look, we're sure you'll agree that the Guide continues to become more valuable as a marketing tool every year. Again in 1996, the Guide had MORE pages, MORE pictures, more calendar of events listings, and was in more demand than ever before.

Excuse us if we seem to be a little excited, it's just that we think the Guide can't get any better and then it does.

But as you know with a project of this magnitude, as soon as the 1996 Guides were rolling off the presses, our thoughts turned to the 1997 Guide. We are proud of our 1996 Guide, but we know there are things we can do to make the next Guide even better. AND, for that, we need you.

As you know, advertising rates for the Guide have virtually been frozen with only one increase in the past few years. How many of your other advertising buys have offered you that? But things that are too good to be true, often don't last. With the increase in paper and printing costs, this trend most likely will end. But before we have to take that step, we wanted to give you the chance to lock in your advertisement at the 1996 rate this one last time. **But you need to hurry. ACT NOW! Space deadline is MAY 1. After that, you'll have to buy your ad at new rates.**

Don't let this opportunity pass you by! This is an excellent way to reach 500,000 potential customers with built-in marketing and direct mail programs to put it right in their hands! Make no mistake that there is only one OFFICIAL VISITORS GUIDE TO DALLAS/FORT WORTH AREA! Be part of it! Call or fax today.

I'm interested in the Guide. Please call me.

✓ I'm sold! Please contact me for my space reservation!
