## Minutes -- Board of Directors Meeting

The meeting was called to order by State Sponsor, Ruben Garza, at 9:00 a.m. on March 17, 1985. The meeting was held at La Princesa Room, Hilton Palacio del Rio.

Present at the meeting were officers: Alvaro Moreno, Marcy

Irwin, Clayton Copeland, Kim McGar, Nelson Piñero, Shauna Wilson, Ruben Garza, Daniel Tijerina, Richard Irizarry, Gail Pack, Greta Anderson, Irasema Pimentel, Nereida Samuda-Zimic and Audrey Williams. From the Good Neighbor Commission attending this meeting were: Commissioners Rose Mary Cervantes and Manuel Jara; Executive Director, Lauro Cruz; and Director of Programs and PASF Coordinator, Jorge C. Garcés. Also present were incoming officers for 1985-1986. They were: Alma Ibarra, Sarana Savage, Carol Nelson, Danny Bowen, Olga Alvarez, Cindy Rincon, Eric Aasletten and Gail Hardy. Lic. Enrique Dabdoub from Mexico was also present.

The meeting began with an evaluation of Convention activities. Most present agreed that Convention activities went well although some work needs to be done with the workshops. The following issues were discussed. Some were discussed at the Sponsor's meeting. All will be addressed by the new Board.

Workshops — Have more variety and increase the number. Start workshops at an earlier time.

Contest — Need an alphabetical list of students taking exams to facilitate registration.

OAS Workshop — Good idea. Have it over a two-day period. Do something so it will not conflict with other workshops.

Movies — Show some good movies at times when there is no activity planned. Charge a fee of \$1.00.

Sponsor's Meeting — Hold it during the Mixer so they can participate in workshops with students. Hold it during Gran Baile.

Catered Lunch — Have a catered lunch after the morning business session for all delegates.

Convention Fee — The sponsor delegates approved an increase in the Convention fee to \$3.25 per delegate.

Registration — Have the Contest tickets picked-up first and name tags last.

Mixer — All student directors

did a magnificent job.

Noche Panamericana — Excellent.

Morning Session — Too many speeches. Someone suggested to begin the function with the National Anthem.

Gran Baile — Excellent.

Some discussion on the impact of new school regulations took place. Members feel that next year students and teachers will be better prepared and membership will increase. Also, total delegates to the Convention will increase after this first year of uncertainty.

Time was devoted to discussion of Texas/Mexico Student Exchange Program. GNC Commissioner Rose Mary Cervantes and Jorge C. Garcés spoke to the members about the importance of the program, and what it means for the future of PASF.

Next meeting of the Board was scheduled for June 29, 1985 with a back-up date of July 6, 1985. With no further business to discuss, the meeting was adjourned at 11:00 a.m.

## Third Annual Texas/Mexico Student Exchange

The Third Annual Student Exchange Program between Texas and Mexico was recently concluded. The students, nine from the Mexico City area and one from Cuernavaca in the State of Morelos, stayed a week in Texas learning the language and culture.

The group arrived in San Antonio on Friday, March 15. Each student was then picked-up by a PASF chapter attending Convention. They remained with their host chapter for the duration of Convention.

Hosting the students from Mexico were: Cy-Fair High, Wylie High, Lee High, Crockett High, DeSoto High, Willis High, McKinney High, Ball High, and High School for Law Enforcement and Criminal Justice. These schools received the honor of hosting the students when their members were

selected to represent Texas and the Pan American Student Forum in the trip to Mexico last Thanksgiving.

The visitors enjoyed Convention and the interaction with fellow students from Texas. They were very honored by the way they were treated and by the dedication of Noche Panamericana. They also participated in the workshops, the dance, the business sessions and other aspects of Convention. This will become an annual activity of Convention.

From San Antonio, the group of students from Mexico traveled to San Marcos, Austin and Houston before they departed to Mexico from San Antonio on March 22. As they visited each city, they met with local officials, visited schools in the area, historic places

and points of interest. They also managed to visit the State Capitol and attended sessions of the House and Senate.

Their visit was very pleasant and educational. They took with them good memories and established many friends. There are already school members of PASF who will visit these students when they travel to Mexico establishing even more bonds of friendship. They also proposed to start PASF chapters in Mexico.

For Thanksgiving, 1985, ten students from PASF will be selected to go to Mexico for the Texas facet of this student exchange. Information on the selection process and deadlines will be included in the package that will be sent to your chapter in September 1985.

First Vice-President Alvaro Moreno then gave the Membership report. He reported a drop in the number of chapters and enrollment. This is apparently a result of the new school restrictions on extra-curricular activities. School members for 1984-85 totaled 174, 26 fewer chapters. Enrollment recorded 8,581 a drop of 1,200 from last year.

The delegation then heard from all candidates running for state office. State Secretary Shauna Wilson followed with the reading of proposed By-Laws change requiring student candidates to have a B average in Spanish and at least an overall average of B.

Attending Convention were 123 chapters with almost 2,000 delegates in attendance; 414 students representing 64 schools participated in the Spanish Contests.

After the dismissal of the non-voting delegates, there was a discussion about the proposed By-Law change. Voting then took place, the ballots retrieved. Meeting was then adjourned.

Second Vice-President Marcy Irwin then reported the members' donations to the State Projects. The contributions were as follows:

M. L. Tanner	\$389.00
Presos for Braces	\$5,187.00
Amigos de las Americas	\$1,265.00

Winners of scholarships, scrapbooks, and Spanish contests were announced by various members of the Board during the Gran Baile. Also announced were the new members elected to serve on the 1985-86 PASF Board of Directors. (Winners are listed in other sections of this newspaper).

## CULTURE SHOCK

By Michael James Templeton

These are the lyrics to the song "Culture Shock" from Hays High School sung at Noche Panamericana.

Ah, American Rock and Roll. There is nothing quite like it — electric and loud. But it is just one side of Culture Shock.

There is also the rhythms of Latin music — quite a contrast from Rock. We enjoy its easy laid-back feel. Music is still music, no matter what style, And we are musicians of both styles. We have the best of both worlds. The best of both worlds. A clash of cultures

just cannot be right. We can work together — share our differences Let's avoid a fight. Don't lean too far in one direction take the middle way. Tolerance of other views is a virtue we could use today. Culture Shock — a disorder we could do without.. Let us work hard toward peace and harmony. We can work it out. "I am right. Do it my way." That's a way of thinking that's all wrong. Shun the discord of separate voices. Join together to sing a common song. The best of both worlds.

## Los Halcones, Los Fresnos Club, Off to Great Start

Our year is off to a great start at Los Fresnos High School with our PASF Chapter consisting of 28 members. This year our chapter is again sponsored by Mr. Celedonio Gonzales and Mrs. Bernadette Ortiz. We kicked off the year with the election of these 1984-85 officers: President, Esmeralda Zamora; Vice President, Norma Zamora; Secretary, Rosie Infante; Treasurer, Esmer Macías; and Reporter, Ilda Macías.

Our Los Halcones Chapter began its way to convention when we began our fundraisers at the local Halloween Carnival, where we had a hot dog stand. We also had a rummage sale at a local flea market, and sold wooden scroll

calendars of assorted designs as our major fundraiser. Another major project was our Valentine Dance. Later we plan to have a car wash, and a bake sale.

Our Club has not limited itself to fundraising only. Two of our members, Myrna Fernández and Celina Mútrux, competed in the Spanish Literary Contest in Lyford in December. Celina placed fourth in Advanced Prose Reading, and Myrna placed third in Advanced Composition Writing, and fourth in Advanced Memorized Poetry.

Our members enjoyed presenting a workshop about "Ojo de Dios" at the state convention and participating in the Spanish Contests.

El 6 de abril El Club Castellano de A&M Consolidated va a participar en un "Bunny Hop" que tratará de ser el más largo del mundo. Cada participante pagará cinco dólares que es para "Easter Seals" y "Brazos Valley Rehabilitation Center." La escuela que tiene los mas saltarines ganará un premio. El Club ha practicado en el patio escolar para darle al hecho más publicidad.

Lo pasamos muy bien en San Antonio en la Convención Estatal. Tenemos mucho orgullo de ser la escuela que tiene el presidente de PASF, Clayton Copeland.

La primera semana de abril El Club está vendiendo dulces para el día de las Madres. Con este dinero enviaremos quince estudiantes a San Miguel de Allende, México para estudiar durante las vacaciones del verano en la Academia Hispano Americana. Viajarán a Guanajuato, Pátzcuaro y Janitzio.

Todavía los socios ahorran latas de aluminio para México, 1985. También los estudiantes pagan multas si hablan inglés los viernes y los jueves. Las multas son para "Pasos por sus Pesos." Los planes finales probablemente incluyen un baile en la casa de Kevin Clark y un picnic. Pues, ahora ¿quién sabe?

### IN CORPUS CHRISTI

## Foreign Students Add Spice To School Life

By Ann Falcon

Incarnate Word Academy in Corpus Christi is a relatively small school with just over 400 students in attendance, but each student is special and unique in his or her own way, and that's what this story is about: Two of those students who add their own spice to the life of Incarnate Word Academy.

Jesus Rubio Gomez and Maria Guadalupe Bustamante Alcalde are two seniors now attending Incarnate Word Academy who came to the United States seeking to further their education and master the English language. Jesus, 19, and Maria, 18, have both finished their education in their respective home towns in Mexico, but decided to study in the States and learn English because, as Jesus stated in his somewhat broken English, "If you know more than one language, you are better prepared for the future and will have more job opportunities."

Jesus Rubio Gomez and Maria Guadalupe Bustamante Alcalde.

When Maria was asked what she missed most about Mexico, the pretty brunette was quick to answer, "I miss the Mexican Food, and I miss my family." Both Jesus and Maria agree that although Corpus Christi is a beautiful place and that Incarnate Word is a good school with many friendly people, there is no place like home!

## Bishop Dunne Chapter Reaches Varied Goals

The PASF Chapter of Bishop Dunne High School is successfully reaching their goals which include helping Senior Citizens and the community children. Also included in their goals is the Pesos for Braces organization. The club has already achieved many of its activities. Last May they began with a Pan-Am introductory banquet for the newly elected officers. Also at the end of May the club held a "tostada sale" during exam week. This activity helped the club start their 1984-1985 school year.

During the summer the officers managed to meet for lunch to discuss new activities for the upcoming year. The club has accomplished many activities this year, including a Halloween

haunted house for the community children. The club members also spent a day during Christmas vacation at a Christmas party for senior citizens of the community, and sponsored a Pan-Am Dance

at school, which was very successful.

This semester the club plans to sponsor a mug sale, pen sale, and button sale to help the fund raising for Pesos for Braces.

## PASFers at Incarnate Word Academy Keep Busy with Two Fund-Raisers

Christmas is a time for sharing, and this December, before the Christmas vacations, the PASF of Incarnate Word Academy was kept very busy with not one, but two fundraising projects!

The first of these projects held by the Corpus Christi club was a

raffle for a Cabbage Patch Doll. All the proceeds from this project, \$150.00, will go to Pesos for Braces, an organization in Mexico that buys artificial limbs and orthopedic braces for poor crippled children in Mexico. The winner of the doll was Mr. Joe Mueller, father of PASF member

Julianna Mueller.

The second of these fundraisers was a candy sale which lasted from December 3 to December 14. The proceeds of this project went to help the club finance their trip to the State Convention in San Antonio on March 15 and 16.
