

The President's Corner

As this year passed swiftly by, I never realized how quickly it would end. The Convention was not only very successful, but was very rewarding for PASF members. We became further united and agreed on one of our main goals — to increase our awareness of our neighbors to the south.

Also, PASF members were awarded scholarships that will aid them in their studies and to expand their knowledge of another culture and language. For myself, being state president of the Pan American Student Forum was an honor. To be part of an organization as great as PASF, one should be proud of our goodwill and peaceful efforts, but we should remember that PASF is a student organization and should not be used as a political tool.

Furthermore, as Mr. Aurispa, Executive Director of the GNC has said, "PASF has a potential of over 800 schools."

With this in mind, I would like to

ROSANNA GOMEZ

request that each and every member support our new president Michael Juarez, in increasing PASF's membership as you did for me in 1979-80.

In conclusion, I would like to thank everyone for supporting me and making my year a very prosperous one.

Hasta luego. — Rosanna A. Gomez

Kimball PASF, Sponsor Celebrate 20th Year

DALLAS — It began just like any other school year for the El Sol chapter of the Pan American Clubs. However, this year something was going to be different from the way things were in the past. We began with our usual fund raising/initiation carwash. There was discussion on how inflation had affected our prices; however, the president (Linda Garcia) stuck by her guns and in the end the club came out better for it. We would have had to wash twice as many cars to raise the same amount of money at a lower price. Then after two postponements the initiation picnic was held. Shortly thereafter the initiation banquet was celebrated.

Now with everyone initiated, the club's activities were set to go into action. At the first annual Kimball pizza eating contest, Steve Neal of El Sol took first

place by eating 23 slices of 16-inch hamburger pizza. By popular demand we are bring our Señor y Señorita Pan America elections back this year. The four guys and six girls running will have to raise votes by collecting money from sponsors. Each cent represents one vote. The elections will culminate after the polls have closed. Some of our other activities included: the UNICEF Halloween party, Christmas party at a nearby children's home, bake sale and nacho sale, and coming up in February at the World's Fair Carnival at Kimball we will host a Mexican cafe.

1980 marks Kimball's 20th anniversary with the El Sol chapter of the Pan American Clubs. It is also the 20th anniversary of our sponsor, Aurora Moreno. — Herbert L. Coleman, Reporter

PASF Needs Candidates

A State Officer has many responsibilities concerning Pan American Student Forum. If you are interested in running for an office, consider planning the office for which you best qualify. To begin, you must read Article VII (Duties of Officers) of the state constitution and become fully aware of the duties you must face if elected. Next, the prospective candidate must comply with all the provisions of Article VIII. Finally, the candidates must meet all deadlines.

1980 Convention. New and old officers congratulate each other.

Los Viajeros Going Places

AMARILLO — The Spanish Club at Amarillo High School, entitled "Los Viajeros," plans to travel this year, both literally and symbolically.

We have a new teacher this year named Rosemary Patterson who came to us all the way from Midland Lee High School. Because of her innovative thinking, our club of 102 members made \$900 selling sourballs! That money is really going to come in handy for all of our activities this year. Part of that money will pay for the transportation of about 23 students to a three-day learning seminar held at Prude Ranch in the Fort Davis Mountains the first weekend in November.

On November 13, we will have our annual banquet at Paradise Too, a local Mexican food restaurant. The Spanish Club officers of the surrounding junior high schools and the AHS counselors will be invited to attend in addition to all of our club members.

A Christmas party in December, the celebration of the Reyes Magos in January, officer elections in February, a picnic in March, and a trip to Chihuahua from May 2nd through the 4th are the highlights

of the rest of the year — we may even go to South America this summer! Maybe we will see some of you there. Adios, amigos!

Denton Working And Growing

DENTON — The Denton High School PASF is definitely a growing chapter. The club had an exciting year. We sold nachos at a booth at the school carnival. Other major fundraisers that we had were the selling of M&M's and selling of foreign language verb wheels.

The Spanish Club has bi-weekly meetings, and also has a lot of fun. We celebrate people's birthdays at the end of the month. We had fun participating on our float at the Homecoming Parade. Our club also raised money in a car wash.

Our officers for 1979-1980 are: President Adrian Work, Vice President Steve Hill, Treasurer Gisele Ghessi, Secretary Maria Hawley, and Reporter Gunther Goetz. Our sponsor is Mrs. Linda Chapel. — Gunther Goetz, Reporter

Port Isabel Has Busy Year

PORT ISABEL — At the first meeting held September 25, 1979, old members elected club officers for this coming year. They are: President Gloria Bodden, Vice-President George Vassos, Secretary Edna Osorio, Treasurer Betty Jean Delgado, Student Council Representatives Sandra Zamora and Elva Salazar, Reporter Anita Gonzales and Sponsor Belinda Escobar. These officers were chosen to plan well-organized programs and fund-raising activities.

Membership now is 32 but PASF is looking forward to newcomers.

The first project was held Nov. 27 and Dec. 1. It concerned a basketball tournament in which PASF members held concession stands, selling anything that was edible. The profit from this project was

\$150.00.

All of the projects have been planned to raise funds for club donations to our school, Pesos for Braces, and the PASF State Convention. We sincerely hope to make these donations an annual project.

Last year PASF ended the year with a social held at Andy Bowie Park on May 26, 1979, with the profit from a barbecue supper sale. The officers offered their thanks and support to members of the club who had been helpful in the club's activities. Each was awarded with a PASF pin.

This year we plan to award members of PASF with a banquet in which members will receive some sort of certificate of appreciation and accomplishment. — Anita Gonzales, Reporter

Rio Hondo Slates Year-End Banquet

RIO HONDO — At the beginning of the year our club elected officers. They are: President Ruben Robles, Vice President Rachel Garcia, Secretary Sylvia Garcia, Treasurer Olga Flores, Representative Albert Sandoval, Parliamentarian Herlinda Rojas, and Rudy Alaniz is our Rio Grande Valley District Treasurer. Our new active sponsors are Miss Linda Correa, Mrs. Renee Howland, and Mr. Rene Garcia, head sponsor.

We have had many fund-raising activities, such as sockhops after a game, chalupa and tortilla sales during lunch, selling Homecoming

mums, and we also sold M&M candy to students at school and going door to door. Our club has also participated in other projects. We took part in the Annual Veteran's Day Parade, and made posters for the school during the football season.

At the end of the year we will have our 1st Annual PASF Banquet. This banquet will be held for the installation of the new officers. The former officers will each thank the members and sponsors for having made this year a success.

Burbank High Flying High

SAN ANTONIO — The PASF Club of Burbank High elected officers for the '79-80 school year.

Since our year has begun we at Burbank have been successful in activities. One of the fund raisers was a Donut Sale which went very well. Others were the Christmas flower sale, which we have sponsored throughout the years, and the Valentine and Easter flower sales. Not only do we sponsor sales but we have had our yearly dress-up day, club news on our bulletin board, and projects sponsored by the club keep us all busy.

Waco Has Productive Year

WACO — The members of the University High School Pan American Student Forum are enjoying a very productive year.

Our leadership has inspired our members to work hard this year to meet our goals. Serving as our club officers this year are President Brenda Benavides, Vice-President Mary Jimenez, Secretary Gilda Gonzales, Treasurer Ronny Montoya, and PASF Chairman Marisa Martinez.

We helped decorate our school for the annual Homecoming events, and several of our members decorated a float and rode in the school Homecoming parade

which was held in November. Our PASF was put in the spotlight of Homecoming activities when our president, Brenda Benavides, was elected University High School Homecoming Queen for 1979.

Also in November, fourteen of our members volunteered to march to raise funds for the Cystic Fibrosis Foundation. These students raised \$109.00 to be donated to the C.F. Foundation.

All of the members have participated in our main fund raising event this year, selling jars of candy, and this project has proved very successful.

Another project was a Christ-

mas party for the children at the Latin American Neighborhood Center in Waco. Roberto Fraga, one of our members, was disguised as Santa Claus.

"Los Trabajadores" of University High School were represented at the state convention in San Antonio by 13 delegates.

Our delegates were very involved in convention activities in that we sang in the Noche Panamericana, helped direct the sing-song at Friday morning's business session, and along with students from Jefferson-Moore, Richfield, and Waco High, conducted the *Canciones Mexicanas* workshop.

To raise money for Pesos for Braces, our members sold jars of candy and held a big food sale during final exam time in February.

In March, six of our members participated in an all-school Jump-a-thon to raise money for the American Heart Association.

Del Rio Doubles Members

DEL RIO — The Del Rio High School Spanish Club started out the year by installing new officers. They are as follows: President Diana Soto (Sr.), Vice-President Janet Paniagua (Sr.), Treasurer Sylvia Maldonado (Sr.), Secretary Ronnie Longoria (Sr.), Reporter Lupita Valdez (Sr.). These officers represented the Del Rio High School Spanish Club at the Fiesta De Amistad International Parade. They were one of many entries in the annual parade held in Del Rio and Acuna (Mexico).

This year our membership was doubled to seventy-one members, in comparison to last year's membership. We have very eager members who are willing to give it all they have got to make our goal a success.

Until now all our projects have been a success. We held a concession stand at one of our home football games. Members donated goodies and worked in shifts. We had several car washes at different businesses. All members were required to work several hours throughout the day. A Candy Sale was one of our biggest projects

that brought us closer to our goal. Aside from the candy sale we had a Bar-B-Q at one of our local parks. For this project we received much help from local businesses. On Valentine's Day we had a Marriage Booth at our school. We married many students as many others looked on.

Now that I have told you that we are very near to the peak of our goal, I think I should let you in on a little secret. Our GOAL is to make a trip to Mexico City! All members are invited to make the trip. It is the highest goal the Del Rio High School Spanish Club has ever set. We intend to make it a success. Thanks are in order to all those who helped. Very SPECIAL THANKS to our sponsors who have succeeded in leading us the right way throughout the year. May God Bless You: Miss Yolanda Magdaleno, Mr. Manuel Limones, Mr. Simon Ramón, Jr., and Mr. Abel Ortiz.

This year will long be remembered by our 1979-1980 Spanish Club members. We hope your chapter will reach all the goals your club has set. — Diane Soto, President

Taylor High Lists Money Making Ideas

TAYLOR — Talking with restaurant owners about the possibility of getting a percentage of sales if the club or organization publicizes and sells tickets to a dinner is one idea that has been extremely profitable for Los Vecinos. The Taylor High PASF arranged to have a Mexican Buffet Dinner with the Taylor Downtown Cafeteria. This has become an annual event for the past five years and the profits for this year on October 30, 1979, were about \$700.

Another idea for money making would be to talk to local bands or school bands to see if they are willing to hold a "Battle of the Bands" dance. The profits from the dance held in Taylor two years ago were \$500.

Still another idea for money raising is to get the Spanish Club members to make Mexican food to be sold at an informal school function or during summer vacation on the 4th of July. Los Vecinos tried it the summer of 1978 and made \$300 during the July holidays.

If PASF'ers prefer going door to door selling merchandise, Taylor's solution would be to sell something that could be sold easily to the public or something that is appealing to the majority. Los Vecinos sold miniature stuffed animals this year and had some success with it, making about \$100. Another idea is to sell candy. When it was tried, the club made about \$300.
