## The President's Corner

I would like to take this opportunity to thank everyone who participated in our state convention. I would like to add that because of the involvement shown by our membership, I believe our year was a good one. Again this year we had many interesting workshops that everyone could take part in. This in turn helped us learn that working together can be as much fun as it was beneficial.

It is hard to believe a year has already gone by since I was elected your president. It has seemed to slip by pretty fast. It has been both an honor and a privilege to serve a fine organization such as the Pan American Student Forum. It has also helped me realize that through friendship and communication many tasks can be accomplished.

This year our theme was "Panamericanismo Nuestro Ideal." So continue to be involved in PASF. Tell others about it. Inform your neighboring schools of the forum for many have never been aware that our organization exists. Even though this school year is nearing the end, continue to talk to others about PASF. Encourage new members for the next school year.

Throughout the years PASF has grown and developed into an organization that has helped many people in many countries. This year the two major state projects were Pesos for Braces and La Buena Madre. PASF helps through medical aid and assistance with fund raising projects by our membership. Another very important part of PASF is the many scholarships it has provided for young men and women right here in our state. I feel this is important because an improvement in oneself is an accomplishment that can benefit others.

Panamericanism is more than just donations to state projects. It is a brotherhood of the people of the Americas; perhaps the open-

ness of one's heart to the needs of others, no matter what nationality they are.

From year to year with the changes in the state board, communication is sometimes lost in the confusion. However, the basic ideas remain to cause the members to find their way back to convention each year to share and exchange ideas that benefit all. Some of the people at convention for the first time are not exactly certain what PASF is all about. This can be expected especially if you are from a chapter not involved in a district. A very good advantage of being in a district is the opportunity of sharing ideas and working with area schools toward a common cause.

Being state president has been a learning experience for me. We are an organization that should and does get recognized on state level. Every member should be proud to be a part of this group. Many in attendance at convention were voting delegates and should be aware of the responsibility of your votes. Every vote is very important in determining who will be the officers on the next board of directors.

Now that you have elected our next officers, I ask you to support them and make them aware of any problems that exist. It is through this cooperation and involvement that your voice will be heard and many excellent accomplishments can be realized.

For some of us, it was our last convention but I would like to stress for the ones planning to return again next year to consider running for an office. Participation is spelled the same way whether it is on a local or state level. Take the initiative to represent those you know and understand. It is a great experience to all who take the challenge. It is also just another step in showing your involvement in this fine organization; an organization that promotes the general welfare of all people of the Americas.

## Minutes of the Morning Breakfast Meeting La Princesa Room March 28, 1981

Giancarlo Ferruzzi seconded the motion. A discussion was held on the problems of meeting in McAllen. Transportation was the key problem plus its location.

Mr. Kruger moved for a question. Elida Ramirez seconded the motion. A vote was taken and the motion to have the meeting in McAllen failed.

Mr. Kruger moved that the meeting be held in Austin on June 6 with a backup date of June 13. Kelley McLaughlin seconded the motion. The motion carried.

Travel expenditures were discussed by Mr. Jorge Garcés. He suggested that those Board mem-

There are many people I owe thanks to, my parents who helped me get involved enough to run for an office and then backed me all the way after I was elected; my local chapter sponsor, Ms. Janet Rawcliffe, for making it possible for us to attend convention and be a part of PASF and the state sponsors who have been just great not only to me but to all the officers. I would also like to say thank you to the other officers on the board for

making this such an enjoyable year. But you, the members of PASF are the ones that I represent and I would like to thank you for letting me represent you for the year 1980-81, also for being such dedicated members. I hope your ambitions will always remain high in school and in life. Panamericanism is a great cause, be a part of it.

**Active Year for Whitehouse**

The Whitehouse High School Spanish Club, "Los Compañeros," has been busy with many interesting activities. To get the year off to a good start the 36-member club elected these officers for the 1980-81 school year: Karla Shira, President; Doug Adkins, Vice-President; Shannon Harden, Secretary-Treasurer; Sandy Stuck, Reporter; and Brent Brown, Pan American Student Forum Representative.

A canned food drive was the first event sponsored. The collected food was delivered to the Hispanic Department of the Immaculate Conception Church by the president and service committee members. Food was then delivered to needy Hispanic families of Tyler.

To celebrate the Christmas season, members participated in the annual Whitehouse Christmas Parade. During the Valentine season "Los Compañeros" sold and

delivered 1,400 carnations to High School and Middle School students and faculty members. With the money they raised a \$100 contribution was made to the state project "Pesos for Braces."

During the Foreign Language Week, March 2-6, "Los Compañeros" participated in certain activities each day. Dressing up the Spanish way, speaking only Spanish all day long, and preparing Mexican food for faculty members were just a few of the events that took place.

Eight high-point members of "Los Compañeros," Karla Shira, Doug Adkins, Rayburn Williams, Allen Henderson, Mary Colby, Rhonda Rossi, Marci Nugent, Darlene Wilbanks, and sponsor Miss Vickie Smith, attended the 38th Pan American Student Forum Convention held March 26-27 in San Antonio. They returned with many ideas and humorous experiences.

**LOS CONQUISTADORES CONQUER**

CLARKSVILLE — ¡Hola! The Clarksville High School Spanish Club "Los Conquistadores" had a most exciting year for 1980-81. The membership of sixty-five members was the largest in its history. The club has been extremely busy during the year raising money for the convention, state projects, and competition. The best money-making projects were school dances, Mr. Ugly Contest, bake sales, sandwich sales, and the Bottle Drive.

Our officers were President Vicki Tucker, Vice-President Tonya Clark, Secretary Janna Hart-trick, Treasurer Steve Howlett, Parliamentarian Michael Whitsell, PASF representative Jami Harris, Reporter Tim Hammer, Historians Melani Wisinger, Aaron Capps and Michelle Dove, and Spanish I and II representatives Betty Boulware and James Nichols.

The club attended the PASF Convention, carrying 17 delegates

along with sponsor Mrs. Jackson. All had a marvelous time. The club entered its scrapbook for the first time and won first place. The scrapbook was prepared by Melani Wisinger, Michelle Dove, Aaron Capps, and Jim Clark.

The "Los Conquistadores" will be attending the Net Olé competition at East Texas State University on April 14. To finalize the year's activities, the club will go to Six Flags in May. ¡Adiós!

# Cooper Has Good Year

LUBBOCK — This year was a year of change at Cooper High School. For instance, our new officers were bright and eager to work for the club. These officers are: President Victor Gonzales, Vice-President Chris Aleman, Secretary Irma Vasquez, Historian Sally Rodriguez, PASF Chairman Hilda Cadena, and Reporter Greg Perez.

Aside from our fund raiser, which grossed \$500.00, this year's club still had many bright spots.

In our pre-game pep rally against Tahoka, the Spanish Club performed a skit. The skit involved a bullfight in which the Tahoka Bulldog was the bull, and the Cooper Pirate was the matador.

On December 18, we held our annual Christmas party. We acted out the Posada and sang Christmas carols. We then ate, played games (which consisted of breaking a piñata), then finally exchanged gifts. I'm happy to report to you that everyone had a good time.

Besides enjoyment, some club

members and Spanish class students wore tags and put up posters to advertise Spanish. In the future we will order pins and buttons for the same reason.

On February 27, we went to Canyon, which is about 90 miles away, to watch a play performed by the National Theater of the Performing Arts. The play was entitled "Los Titeres de Cachiporra." It was written by Federico Garcia Lorca. We all had a good time.

On March 9, the annual "Tejano Day" was held on the campus of South Plains College in Levelland. There were many interesting events going on all day. The guest speaker for the day was Dr. Lauro Cavazos, President of Texas Tech University. We had several members attending, including Cindy Barrera who entered the Tejano Day Queen contest.

Every club member would like to thank Linda Heathington, our sponsor, for her guidance this year. Even though this year's club was good, next year's club promises to be even better.

KILLEEN — The 1981 Nolan Middle School Spanish Club officers: Seated are Vice President Lela Smein, President Kevin Burke, and Secretary Teresa Torres. Standing are Secretary-Treasurer Cathe Fredricks, Reporter Yadira Marenco, and Photographer Christine Mielson.

## A&M Chapter Studying Other Culture

A&M Consolidated High School students in El Club Castellano, PASF, sponsor an annual study-trip to Mexico. On June 15 participants will go to San Miguel de Allende to attend the Academia HispanoAmericana while living with Mexican families. There will be a full day of classes including pronunciation, composition, conversation, dancing and singing. The highlight of the day is the afternoon tutoring program that provides each North American with a Mexican friend for sightseeing, for visiting, for playing ball, for conversing and for sharing.

On June 23 the students go to Mexico City to take part in the Oaxaca de Juarez Exploration, an

Interamerican Workshop in Mexico program, June 23-30. They will explore pyramids and temples, discover Colonial Mexico, and be involved in Modern Mexico. The trip through the land of Benito Juarez will be a new area for Consolidated study-trippers who have been Workshopers three times before.

Participants are Becky Woodfill, Wanda Bailey, Kathie Lay, Monica Izquierdo. Laura Gibson and David Hoelscher from A&M Consolidated High School; Richard Ruiz, from Bryan SFA and Mrs. Thelma Bounds, from Sul Ross, Bryan. Kitty Worley calls this study-trip the 11th and the best.
