Mexico City Students Visit Cy-Fair

By John Wise

In an attempt to strengthen relations between the citizens of Mexico and the United States, the Pan American Student Forum (PASF) and the Good Neighbor Commission (GNC) sponsored an exchange program in which ten students from Mexico City visited Texas.

The exchange students were hosted by PASF members in the Cy-Fair school district — eight of them being Cy-Fair students and two of them being students at Jersey Village.

"The purpose of the exchange program is for us (the Mexican students) to learn the way Americans live, learn, and transmit feelings to one another," said Sr. Dabdoub, one of the Mexican sponsors.

evening.

The following day, they attended school for the entire day with their hosts, and that evening, there was a dinner held at Cy-Fair in their honor. At the dinner a cake was cut by a member from each country, signifying "that the blood that flows in each of us is the same." Also at the dinner, a candle was lit so that the lights of Mexico would shine in Cy-Fair.

"There are differences between your school and ours. Our classes last two hours and here the classes last only an hour. The hours are very different, we have four terms, from 7 to 11, 10 to 2, 2 to 6, and the last from 5 to 9, and we don't have lunch-time. Also, we are free to come and go as we please from the classes. We do not have to have the permission

Tuesday, March 24, and were of the teacher as you do here," introduced to their hosts that said Laura Rodriguez, exchange student from Mexico City.

> "I think that Mexican students, at least the ones that I know, take school a lot more seriously than American students," replied Erica Inzunza, exchange student from Mexico City.

> Thursday two Spanish teachers, Mrs. Connie Kunkel and Mrs. Karen Watson, along with some of the Spanish III and IV students, accompanied the exchange students on a tour of the city.

The group left at 9:00 that morning, and the first stop on the

five students from the Pan American Student Forum traveled to Washington, D.C. to represent the organization at the O.A.S. Workshop. The students were Craig Perry from Keystone High School in San Antonio, Lisa Fain from Cy-Fair High School in Houston, Chuck Ijames from Wylie High School, Pam Marshall from Denton High School, and Kofi Bruce from Midland High School.

The Organization of American States (O.A.S.) is the oldest international regional organization in the world. This organization of. North, South and Central American countries seeks to promote, by cooperative action, their economic, social, and cultural development in an effort to strengthen the peace and security of this continent. These 36 countries provide a forum for political, economic, social and cultural cooperation among the member states of the Western Hemisphere.

The O.A.S., in an effort to educate young people about its workings, stages an Annual Model Organization of American States mock session. This moot conference composed of young people solves current problems that are also on the agenda of the O.A.S.

The students represented the country of El Salvador. One of them, Kofi Bruce, represented that nation in the Second Committee which deals with social and economic concerns. "Because of his exceptional ability in diplomacy, negotiating and in representing El Salvador, the Second Committee

Woman Puts School's **On Spanish-Speaking T**

By Jack Su

When Spanish teacher Dulce which has been name Berbarie taught in the Plano school system several years ago, she was a strong supporter of the Pan American Student Forum of Texas.

But while teaching in Fort Lauderdale, Fla., she wondered why Florida didn't have a student organization quite like the Texas model.

"I found it hard to believe that will donate \$100 to I

Florida didn't have a club like this when the Spanish language is as important as it is in Florida," said Berbarie, who is in her first year of teaching in Cedar Hill.

Sponsored by the Good Neighbor Commission of Texas, the club, which encourages the understanding of all nationalities in the Americas, began in 1949. Several Dallas area high schools have PASF chapters.

And now, Cedar Hill High School has one of the newest, thanks to Berbarie's efforts and co-sponsor Mary Westlake.

Club members say the organization is not a typical foreign language club. Its purpose is not only to entertain its members but also to teach students about neighboring countries.

Last week, the 35 members of PASF commemorated the founding with a tree planting in front of the high school. Students also placed a plaque near the tree,

"The \$100 will go to help pay for walking braces for at least two kids. They'll take pictures of the children, and the children will be asked to write letters back to us. It's going to be an emotional experience," Berbarie said.

A fall fund-raising effort in which PASF members sold posters and calendars netted about \$1,500, which will pay for a state convention this spring in San Antonio.

One member, Danny Ramirez, has set high goals for the chapter's first year. He plans to run for state vice president. Eleven other students and the sponsors will be there to cheer him on.

Another student, Stacey Eagan, a senior, has applied for two scholarships associated with the state organization. One of them is

an award up to \$1,000, and the other is a six-week scholarship at a college in Mexico in the summer.

Ramirez, a sophomore and secretary of the club, said PASF sure beats the Spanish Club.

"This club is much more active. I am running for Vice president because I thought it was something that could be a lot of fun, and I thought I wanted to do something that would involve the club as a whole. I hope to encourage more contact among local chapters, Ramirez said.

observation level (64th floor) of the Transco Tower to look and to take pictures. There were many comments about the overall flatness of the city, which was clearly visible from the observation platform.

"Here there are less people, less traffic, and the pollution is not so bad as in Mexico City. There, the pollution is so bad that by 5:00 in the afternoon your eyes are aching - I do not feel that way here - the air is so clean," stated Rodriguez.

"Here most of the people live in the suburbs and drive many kilometers to work, which is very different from Mexico City where most of the people live in the city," added Inzunza.

On the morning of Friday, March 27, the exchange students boarded a bus with the PASF members and sponsors traveling to San Antonio for the annual PASF convention. Upon arrival in San Antonio, the exchange students were released to hosts from other schools.

After a short stay in San Antonio, they were taken to their final destination - Austin. Here they were able to tour the capitol building, the Governor's Mansion, and they also had the honor of meeting Governor Bill Clements. While in Austin, they were hosted by Westlake High School.

Minutes — Board of **Directors Meeting**

(Continued from Page 1)

Kunkel, Carlos Cortez, Alma Ibarra, Irasema Pimentel, Daniel Tijerina, Sarana Savage, Audrey Williams, Jorge Garcés, Ann Chick, Darrell Watson, Kathy Folk, Daniel Ramirez, Ann Trevino, Therese Castañon, Susan Wrenn, Rosalynn Baker, Gail Pack, and Ruben Garza. Board member Cindy Rincón was absent.

Guests present were: Lic. Enrique Dabdoub, Lic. Francisco Cervantes, Alex Dabdoub, and John Milanes.

Ruben Garza made a motion to approve the minutes of the February 7, 1987 meeting. Eleanor Manson seconded the motion and the Minutes were approved with corrections on the amount of the contributions.

Mr. Milanes was first on the agenda. He thanked the Board members for all their help with T.A.M.O.A.S. It was agreed that Mr. Garces and Ms. Savage would work together this summer to restructure the program.

Mr. Garcés proceeded by introducing the new board members. He discussed the importance of their attendance at the three meetings throughout the year, and reminded them to become familiar with their responsibilities as Board members.

A critique of Convention 1987 was the next topic of discussion. The following suggestions and comments for future conventions were addressed:

1. More variety of dances for Noche Panamericana.

2. Shorter and new songs for the Sing-Song.

3. Type the name tags worn by all teachers and students.

4. Charge a fee for late registration for contests.

5. Students should not enter auditorium without their teacher.

6. Seating assignment should be put on each student's name tag. 7. Possibility of renting the entire Marriott for all Convention participants.

Daniel Tijerina made a motion to approve the theme for the 1988 convention. The theme of "Educacion, Cultura y Progreso" was suggested and approved unanimously.

Alex Dabdoub followed with a few words on behalf of the Mexican students. Mr. Cervantes presented a proposal to have an exchange with the Mexican organization of "Juventud, Amistad, y Paz" during summer vacation. Mr. Garcés agreed to consider the proposal.

Activities Excite Wylie PASF

The Wylie High School Chapter of the Pan American Student Forum participated in several exciting activities in 1986. In August, the Wylie PASF officers prepared for the coming year by attending the leadership conference in Amarillo. To raise money for the plane fares and other expenses, the officers conducted a car wash supported by donations from local merchants. The officers also raised money by having a lemonade stand at the Wylie Sesquicentennial celebration. One of the highlights of the fall meetings was a delicious ice cream social; each member created his own special gourmet sundae. During the Christmas holidays, the club members gathered for a gag-gift exchange and movies. Fund raising was also completed for expenses for the March State Convention. Other plans for the spring semester include participation in the Foreign Language Weekend at Austin College in Sherman.

PASF DUES TO GO UP \$5 IN 1987-1988

Since the beginning of this school year, the PASF office has kept all members informed on the need to increase annual dues in order to maintain the Pan American Student Forum (PASF) organization alive. The long-term objective is that some day the organization will be able to stand alone and pay for all of its expenses.

In order to achieve that goal, the PASF Board / of Directors voted at the meeting held in Austin on February 7, 1987 to raise the annual dues to \$5.00 per member beginning next school year. So make sure and send the right amount when you register your chapter next year.

- Jennifer Lawrence, Reporter

Mr. Garcés concluded the meeting by thanking the outgoing board members for all their hard work and dedication

A motion was made by Ruben Garza to adjourn the meeting. It was seconded by Virginia Ridgley. The meeting was adjourned by First Vice-President Troy Fields at 10:25 a.m.

FOOTBALL EQUIPMENT NEEDED

If your school is planning to replace old and damaged football equipment, please contact the PASF office immediately.

We have received a request from a non-profit association of students in Guadalajara for such type of equipment. They want to field teams and promote "American style" football in that part of Mexico.

This could be a good project for your PASF chapter. Check with your athletic department before they give away or discard the old equipment.
