2 number or portion of shares or of the class or series of shares or of

6 person that is no longer a shareholder, is not required.

7 (d) If a failure of authorization results from the failure

11 been required.

12 (e) Putative shares on the record date for determining  
13 shareholders entitled to vote on any matter submitted to  
14 shareholders under Section 21.905 are not entitled to be counted

17 ratification that becomes effective after the record date.

18 SECTION 21. Section 21.908, Business Organizations Code, is  
19 amended to read as follows:

20 Sec. 21.908. CERTIFICATE OF VALIDATION. (a) If a [~~the~~]

25 ~~or other document otherwise required by this code,~~] shall file a  
26 certificate of validation with respect to the defective corporate  
27 act in accordance with Chapter 4, regardless of whether a filing

1 instrument or other document was previously filed with respect to  
2 the defective corporate act. The filing of another filing  
3 instrument or document is not required.

4 (a-1) A separate certificate of validation is required for  
5 each defective corporate act for which a certificate of validation  
6 is required under this section, except that:

10 could have filed, a single filing instrument or other document  
11 under another provision of this code to effect the acts;

12 (2) a single certificate of validation may be filed to  
13 amend the certificate of formation of the corporation to establish  
14 a new class or series of shares or to increase the number of  
15 authorized shares of any class or series of shares, in order to cure  
16 multiple previous overissues of the shares of the class or series;  
17 and

18 (3) a single certificate of validation may be filed to  
19 amend the corporation's certificate of formation to establish two  
20 or more new classes or series of shares, to increase the number of  
21 authorized shares of two or more classes or series of shares, or to  
22 establish one or more new classes or series of shares and increase  
23 the number of authorized shares of one or more classes or series of  
24 shares, in order to cure multiple previous overissues of the shares  
25 of all the classes and series that are the subjects of the  
26 certificate of validation.

27 (a-2) An amendment effected by a certificate of validation

1 described by Subsection (a-1)(2) or (3) is effective as to each  
2 class or series that is a subject of the certificate of validation  
3 as of the first overissue of the shares of the class or series.

4 (b) The certificate of validation must include ~~[set forth]~~:

5 (1) each defective corporate act that is a subject of  
6 the certificate of validation, including:

15 ~~the date of adoption of the resolution by the board of directors~~  
16 ~~and, if applicable, the date of adoption by the shareholders, and a~~  
17 ~~statement that the resolution was adopted in accordance with this~~  
18 ~~subchapter];~~

19 (2) a statement that each defective corporate act was  
20 ratified in accordance with this subchapter, including:

21 (A) the date on which the board of directors  
22 ratified each defective corporate act; and

23 (B) the date, if any, on which the shareholders  
24 approved the ratification of each defective corporate act; and

25 (3) as appropriate:

26 (A) if a filing instrument ~~[or document]~~ was  
27 previously filed with a filing officer under the corporate statute

1 with ~~in~~ respect to ~~of~~ the defective corporate act and no change  
2 to the filing instrument is required to give effect to the defective  
3 corporate act as ratified in accordance with this subchapter:

4 (i) the name, ~~the~~ title, and filing date  
5 ~~of filing~~ of the previously filed ~~prior~~ filing instrument and  
6 of any certificate of correction to the filing instrument; and

7 (ii) a statement that a copy of the  
8 previously filed filing instrument, together with ~~or document and~~  
9 any ~~articles or~~ certificate of correction to the filing  
10 instrument, is attached as an exhibit to the certificate of

16 accordance with this subchapter, including a change to the date and  
17 time of the effectiveness of the filing instrument:

18 (i) the name, title, and filing date of the

24 defective corporate act is attached as an exhibit to the  
25 certificate of validation; and

26 (iii) the date and time that the attached  
27 filing instrument is considered to have become effective under this

1 subchapter; or

2 (C) if a filing instrument was not previously  
3 filed with a filing officer under the corporate statute with  
4 respect to the defective corporate act and the defective corporate  
5 act as ratified under this subchapter would have required under the  
6 other applicable provisions of this code the filing of a filing  
7 instrument in accordance with Chapter 4, if the defective corporate  
8 act had occurred when this code was in effect:

9 (i) a statement that a filing instrument  
10 containing all the information required to be included under the  
11 applicable provisions of this code to give effect to the defective
