2 relating to the creation of the Lago Bello Municipal Utility  
3 District No. 1 of Harris County; granting a limited power of eminent  
4 domain; providing authority to issue bonds; providing authority to  
5 impose assessments, fees, and taxes.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

10 COUNTY

11 SUBCHAPTER A. GENERAL PROVISIONS

12 Sec. 7990.001. DEFINITIONS. In this chapter:

13 (1) "Board" means the district's board of directors.

14 (2) "Commission" means the Texas Commission on  
15 Environmental Quality.

16 (3) "Director" means a board member.

17 (4) "District" means the Lago Bello Municipal Utility  
18 District No. 1 of Harris County.

2 Sec. 7990.004. CONSENT OF MUNICIPALITY REQUIRED. The

14 district.

15       Sec. 7990.106. DIVISION OF DISTRICT. (a) The district may  
16 be divided into two or more new districts only if the district:

22       (c) Any new district created by the division of the district  
23 may not, at the time the new district is created, contain any land

25 chapter.

26       (d) The board, on its own motion or on receipt of a petition  
27 signed by the owner or owners of a majority of the assessed value of

1 the real property in the district, may adopt an order dividing the  
2 district.

17 order in the real property records of each county in which the  
18 district is located.

19 (h) Any new district created by the division of the district  
20 shall hold a confirmation and directors' election as required by  
21 Section 7990.003. If the voters of a new district do not confirm  
22 the creation of the new district, the assets, obligations,  
23 territory, and governance of the new district revert to the  
24 original district.

25 (i) Municipal consent to the creation of the district and to  
26 the inclusion of land in the district granted under Section  
27 7990.004 acts as municipal consent to the creation of any new

1 district created by the division of the district and to the  
2 inclusion of land in the new district.

3 (j) Any new district created by the division of the district  
4 must hold an election as required by this chapter to obtain voter  
5 approval before the district may impose a maintenance tax or issue  
6 bonds payable wholly or partly from ad valorem taxes.

7 SUBCHAPTER D. GENERAL FINANCIAL PROVISIONS

8 Sec. 7990.151. ELECTIONS REGARDING TAXES OR BONDS. (a) The  
9 district may issue, without an election, bonds and other  
10 obligations secured by:

11 (1) revenue other than ad valorem taxes; or

12 (2) contract payments described by Section 7990.153.

13 (b) The district must hold an election in the manner  
14 provided by Chapters 49 and 54, Water Code, to obtain voter approval  
15 before the district may impose an ad valorem tax or issue bonds  
16 payable from ad valorem taxes.

17 (c) The district may not issue bonds payable from ad valorem  
18 taxes to finance a road project unless the issuance is approved by a  
19 vote of a two-thirds majority of the district voters voting at an  
20 election held for that purpose.

21 Sec. 7990.152. OPERATION AND MAINTENANCE TAX. (a) If  
22 authorized at an election held under Section 7990.151, the district  
23 may impose an operation and maintenance tax on taxable property in  
24 the district in accordance with Section 49.107, Water Code.

25 (b) The board shall determine the tax rate. The rate may not  
26 exceed the rate approved at the election.

27 Sec. 7990.153. CONTRACT TAXES. (a) In accordance with

1 Section 49.108, Water Code, the district may impose a tax other than  
2 an operation and maintenance tax and use the revenue derived from  
3 the tax to make payments under a contract after the provisions of  
4 the contract have been approved by a majority of the district voters  
5 voting at an election held for that purpose.

6 (b) A contract approved by the district voters may contain a  
7 provision stating that the contract may be modified or amended by  
8 the board without further voter approval.

9 SUBCHAPTER E. BONDS AND OTHER OBLIGATIONS

10 Sec. 7990.201. AUTHORITY TO ISSUE BONDS AND OTHER  
11 OBLIGATIONS. The district may issue bonds or other obligations

13 revenue, contract payments, grants, or other district money, or any  
14 combination of those sources, to pay for any authorized district  
15 purpose.

16 Sec. 7990.202. TAXES FOR BONDS. At the time the district  
17 issues bonds payable wholly or partly from ad valorem taxes, the  
18 board shall provide for the annual imposition of a continuing  
19 direct ad valorem tax, without limit as to rate or amount, while all  
20 or part of the bonds are outstanding as required and in the manner  
21 provided by Sections 54.601 and 54.602, Water Code.

22 Sec. 7990.203. BONDS FOR ROAD PROJECTS. At the time of

**IN RE: HB2687** by Dutton (Relating to the creation of the Lago Bello Municipal Utility District No. 1 of Harris County; granting a limited power of eminent domain; providing authority to issue bonds; providing authority to impose assessments, fees, and taxes.), **As Introduced**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill creates Lago Bello Municipal Utility District No. 1 (District) with the powers and duties of a standard municipal utility district under Water Code Chapters 49 and 54.

Population - The very specific description of the proposed boundaries does not allow staff to develop precise population estimates. Based on the Original Texas Land Surveys mentioned in HB 2687, staff is unable to determine a population estimate.

Population growth in the specific area since the 2010 census is unknown. The 2010 population estimate for areas of Harris County served by small systems or private wells (County-Other) is 204,630. The Harris County-Other population projections approved for the 2017 State Water Plan projects the population to grow to 245,944 in 2020, 291,438 in 2030 and 311,968 in 2040.

Location - The Proposed district's initial boundaries are described with a combination of Original Texas Land Surveys, Harris County Real Property Records and metes and bounds. Due to the complexity of these boundaries for the various sub areas of the district, staff is able to determine only the general location of the proposed district.

The proposed district's area is approximately 2.05 square miles in eastern Harris County, located south of Farm to Market Road 1942, and north of the City of Baytown. The proposed district does not appear to overlap any existing Certificate of Convenience and Necessity (CCN) boundary.

Comments on Powers/Duties Different from Similar Types of Districts: The bill requires the TCEQ to appoint the initial directors upon receipt of a petition from the owners of a majority of the assessed value of the real property in the district; this bill grants the District authority for road projects; the bill allows the District to divide; the bill specifies that if the voters of a new district do not confirm the creation of the new district, the assets, obligations, territory, and governance of the new district revert to the original District; the bill specifies that at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects

and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District; if the bill does not receive a two-thirds vote of all members elected to each house, the District may not exercise the power of eminent domain.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.

**Water Use - HB 2687** specifies that "the district has the powers and duties provided by the general law of the state, including Chapters 49 and 54, Water Code, applicable to municipal utility districts created under Section 59, Article XVI, Texas Constitution".

Within Harris County, 26 percent of the total water use was groundwater (Gulf Coast and other Aquifers) in 2014. Eighty two percent of all the groundwater pumping was for municipal use. The water source of the proposed district might pursue is unknown.

We recommend that these comments be considered in the evaluation of the proposed legislation.

Enclosure

**HB 2687, as Filed by Representative Harold V. Dutton  
Texas Commission on Environmental Quality's Comments**

The Legislative Budget Board, in cooperation with the Texas Water Development Board (TWDB) and the Texas Commission on Environmental Quality (TCEQ), has determined that:

This bill amends the Special District Local Laws Code by adding Chapter 7990 which creates the Lago Bello Municipal Utility District No. 1 of Harris County (District) with the powers and duties of a standard municipal utility district under Water Code Chapters 49 and 54, with the following exceptions.

**Comments on Powers/Duties Different from Similar Types of Districts:** The bill also: requires the TCEQ to appoint the initial directors upon receipt of a petition from the owners of a majority of the assessed value of the real property in the district; this bill grants the District authority for road projects; the bill allows the District to divide. The bill specifies that if the voters of a new district do not confirm the creation of the new district, the assets, obligations, territory, and governance of the new district revert to the original District; the bill specifies that at the time of issuance, the total principal amount of bonds or other obligations issued or incurred to finance road projects and payable from ad valorem taxes may not exceed one-fourth of the assessed value of real property in the District; and, if the bill does not receive a two-thirds vote of all members elected to each house, the District may not exercise the power of eminent domain.

**Overlapping Services:** TCEQ does not have mapping information for water and/or wastewater providers because this function was transferred from the TCEQ to the Public Utility Commission on September 1, 2014. As a result, TCEQ is unaware of possible overlapping service providers.

**TCEQ's Supervision:** As with general law districts, the TCEQ will have general supervisory authority, including bond review authority and review of financial reports.
