

AN ACT

relating to open, uncovered, abandoned, or deteriorated wells.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 1901.255, Occupations Code, is amended by amending Subsection (c) and adding Subsection (c-1) to read as follows:

(c) Not later than the 180th day after the date a landowner or other person who possesses an abandoned [~~or deteriorated~~] well learns of its condition, the landowner or other person shall have the well plugged or capped under standards and procedures adopted by the commission.

(c-1) Not later than the 180th day after the date a landowner or other person who possesses a deteriorated well learns of its condition, the landowner or other person shall have the well repaired or plugged under standards and procedures adopted by the commission.

SECTION 2. The heading to Section 36.118, Water Code, is amended to read as follows:

Sec. 36.118. OPEN OR UNCOVERED WELLS; ABANDONED OR DETERIORATED WELLS.

SECTION 3. Section 36.118, Water Code, is amended by amending Subsections (a), (b), (c), (d), and (e) and adding Subsection (g) to read as follows:

(a) A district may require the owner or lessee of land on

1 which an open or uncovered well or abandoned well is located to keep  
2 the well permanently closed or capped with a covering that is:

3 (1) capable of sustaining weight of at least 400  
4 pounds; and

5 (2) not easily removed [~~except when the well is in~~  
6 ~~actual use~~].

7 (b) In [~~As used in~~] this section:

8 (1) "Abandoned well" has the meaning assigned by  
9 Section 1901.255, Occupations Code.

10 (2) "Deteriorated well" has the meaning assigned by  
11 Section 1901.255, Occupations Code.

12 (3) "Open [~~"open~~] or uncovered well" means an  
13 artificial excavation dug or drilled for the purpose of exploring  
14 for or producing water from the groundwater reservoir and is not  
15 capped or covered as required by this chapter.

16 (c) A district shall require the owner or lessee of land on  
17 which a deteriorated well is located to plug the well or repair the  
18 well sufficiently to prevent pollution of any water in this state,  
19 including groundwater. The district shall notify the owner or  
20 lessee of a requirement under this subsection. If the owner or  
21 lessee fails or refuses to repair or plug [~~close or cap~~] the well  
22 [~~in compliance with this chapter~~] in accordance with district  
23 rules, not later than the 10th day after the date the owner or  
24 lessee receives the notice from the district, any person, firm, or  
25 corporation employed by the district may go on the land and repair  
26 or plug [~~close or cap~~] the well safely and securely.

27 (d) Reasonable expenses incurred by the district in

1 repairing or plugging [~~closing or capping~~] a well constitute a lien  
2 on the land on which the well is located.

3 (e) The lien arises and attaches upon recordation in the  
4 deed records of the county where the well is located an affidavit,  
5 executed by any person conversant with the facts, stating the  
6 following:

7 (1) the existence of the well;

8 (2) the legal description of the property on which the  
9 well is located;

10 (3) the approximate location of the well on the  
11 property;

12 (4) the failure or refusal of the owner or lessee,  
13 after notification, to repair or plug [~~close~~] the well within 10  
14 days after the notification;

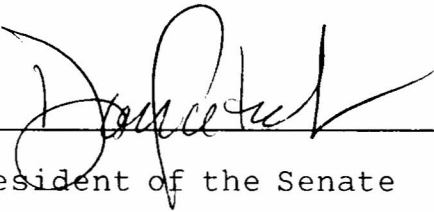

15 (5) the repairing or plugging [~~closing~~] of the well by  
16 the district, or by an authorized agent, representative, or  
17 employee of the district; and

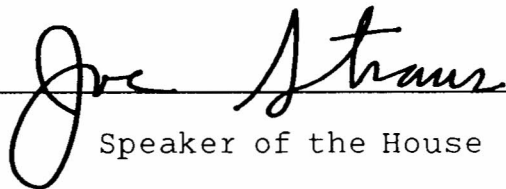

18 (6) the expense incurred by the district in repairing  
19 or plugging [~~closing~~] the well.

20 (g) An employee of the Bandera County River Authority and  
21 Groundwater District may cap an open, uncovered, or abandoned well,  
22 or repair or plug a deteriorated well inside the district, if the  
23 employee has received training for capping, repairing, or plugging  
24 a well located in a karst topographic area. An employee acting  
25 under this section is not required to have a license under Chapter  
26 1901, Occupations Code, to perform the action authorized by this  
27 subsection.

1           SECTION 4. This Act takes effect immediately if it receives  
2 a vote of two-thirds of all the members elected to each house, as  
3 provided by Section 39, Article III, Texas Constitution. If this  
4 Act does not receive the vote necessary for immediate effect, this  
5 Act takes effect September 1, 2017.

TO ALL TO WHOM THESE PRESENTS SHALL COME:

Pursuant to Article IV, Section 14, of the Texas Constitution, I, Greg Abbott, Governor of Texas, do hereby disapprove of and veto House Bill No. 3025 as passed by the Eighty-Fifth Texas Legislature, Regular Session, because of the following objections:

House Bill 3025 would have authorized a groundwater district to determine when a landowner's well has deteriorated and to compel the landowner to repair the deteriorated well to the district's satisfaction. If the landowner does not do so within ten days, the bill authorizes the water district to enter the landowner's land, repair the well, and send the landowner the bill. This would give groundwater districts greater discretion to infringe on private property rights and impose costs on landowners. The legitimate need to repair deteriorated wells should be addressed in a way that provides more protections for landowners.

Since the Eighty-Fifth Texas Legislature, Regular Session, by its adjournment has prevented the return of this bill, I am filing these objections in the office of the Secretary of State and giving notice thereof by this public proclamation according to the aforementioned constitutional provision.

IN TESTIMONY WHEREOF, I have signed my name officially and caused the Seal of the State to be affixed hereto at Austin, this 15th day of June, 2017.

  
GREG ABBOTT  
Governor of Texas

**FROM:** Ursula Parks, Director, Legislative Budget Board

**IN RE: HB3025** by King, Tracy O. (Relating to open, uncovered, abandoned, or deteriorated wells.), **As Engrossed**

**No significant fiscal implication to the State is anticipated.**

The bill would amend the Occupations Code relating to open, uncovered, abandoned, or deteriorated wells.

The Texas Department of Licensing and Regulation and the Water Development Board indicate that any costs associated with the bill could be absorbed within the agencies' existing resources.

**Local Government Impact**

The Texas Department of Licensing and Regulation anticipates that there could be a fiscal implication to the groundwater conservation districts to require landowners to plug or repair deteriorated wells in addition to capping open and uncovered wells. This would increase the number of notices issued and potentially the number of wells the districts would have to contract to be plugged. The fiscal impact cannot be determined, but is not anticipated to be significant.

According to the Southeast Texas Groundwater Conservation District, no fiscal impact to the District is anticipated.

According to the Rusk County Groundwater Conservation District, no fiscal impact to the District is anticipated.
