PUBLIC NOTICE REQUEST FOR PROPOSAL

The Montgomery Central Appraisal District (MCAD) is accepting proposals for an outside vendor to detect fraudulent and improper homestead exemption claims by people who are renting their homes, who claim exemptions on multiple homes (both in Montgomery County, Texas and any other County in-state or out of state), or who otherwise are not residing in the home, while they are claiming homestead exemption. MCAD oversees homestead exemption claims of more than 120,000 parcels owned by Montgomery County residents. To combat homestead fraud, MCAD requires utilization of a homestead exemption fraud solution to address the growing impact of homestead fraud on the county's finances and to meet its mission of providing both tax fairness and the best possible service and operational performance to Montgomery County residents and taxpayers.
