LIST OF NURSERYMEN, FLORISTS, AND DEALERS LICENSED TO DO BUSINESS IN TEXAS

AND THE

TEXAS ORCHARD AND NURSERY INSPECTION LAW WITH RULES AND REGULATIONS

G. J. SCHOLL Chief Inspector Orchards and Nurseries

GEO. B. TERRELL Commissioner of Agriculture

For a copy of this Bulletin apply to the Commissioner of Agriculture, Austin, Texas

TEXAS STATE DEPARTMENT OF AGRICULTURE. Division of Orchard and Nursery Inspection.

This bulletin has been prepared for the information of nurserymen, florists and all other people interested in the develop-

ment of the many phases of horticulture.

The Texas and out-of-state nurserymen, florists and dealers herein contained indicate those whose premises have been inspected by the Entomologist or Chief Inspector from the State in which such stock originated and who obtained a license from the Texas Department of Agriculture to do business in the State of Texas in accordance with the Texas Orchard and Nursery Inspection Law.

This list is complete up to August 31, 1925, on which date the

inspection certificates terminate.

The information obtained from this bulletin will prove a good guide for those desiring to purchase nursery stock, and also to those desiring to ship nursery stock to other states.

LIST OF TEXAS NURSERYMEN AND FLORISTS WHO HELD CERTIFICATES FOR THE YEAR ENDING AUGUST 31, 1925.

LIST OF INSPECTION OFFICIALS OF OTHER STATES.

Texas nurserymen and others desiring to ship to another state should first learn the requirements of that state and comply with its regulations, this will prevent much delay in transit and also in delivery of shipments.

Duplicate certificates will be issued by this department to all certified

nurserymen and florists for filing with officials in charge of inspection of

states requiring such duplicates.

Information in regard to the requirements of the various states can be obtained by writing the official in charge of inspection as given below. ALABAMA-O. Brown, Chief Division of Plant Industry, Auburn, Ala.

ARIZONA-Dr. Oscar C. Bartlett, State Entomologist, Phoenix, Ariz. ARKANSAS-Geo. G. Becker, Chief Inspector, Little Rock, Ark.

CALIFORNIA-W. C. Jacobsen, Chief Bureau of Plant Quarantine and Pest Control, Sacremento, Calif.

COLORADO-C. P. Gillette, State Entomologist, Fort Collins, Colo. CONNECTICUT-Dr. W. F. Britton, State Entomologist, New Haven,

Conn.

DELAWARE-A. B. Peet, Secretary State Board of Agriculture, Dover, Dele.

FLORIDA-J. C. Goodwin, Nursery Inspector, State Plant Board, Gains-

ville, Fla.

GEORGIA-Jeff Chaffin, Chief Inspector, Atlanta, Ga. IDAHO-W. H. Wicks, Director, Bureau Plant Industry, Department of

Agriculture, Boise, Idaho. ILLINOIS-P. A. Glenn, Chief Inspector, Urbana, Ill.

INDIANA-Frank N. Wallace, State Entomologist, Indianapolis, Ind.

IOWA-Carl J. Drake, State Entomologist, Ames, Iowa.

KANSAS-H. B. Hungerford, Entomologist in charge South Half of State, Lawrence, Kans.

TEXAS ORCHARD AND NURSERY INSPECTION LAW.

Section 1. That Article 4459, Chapter 6, Title 65, Revised Civil Stattutes of the State of Texas of 1911 be amended so as to hereafter read as follows:

That no person in this State shall knowingly or wilfully Art. 4459. keep any peach, almond, apricot, nectarine or other trees affected with the contagious disease known as yellows. Nor shall any person keep for sale any apple, peach, plum or other trees affected with nematode galls, crown galls, fire blight, or root rot. Nor shall any person knowingly or wilfully keep any plum, cherry or other trees affected with the contagious disease or fungus known as black knot or plum canker; nor any tree, shrub or plant infected with or by the San Jose scale or other insect pest dangerously injurious to or destructive of trees, shrubs or other plants; nor any grapefruit, orange or lemon trees, citrus stocks, cape jasmines or other trees, plants or shrubs infested with white fly, Florida red scale, cottony cushion scale, woolly aphis, or other injurious insect pests or citrus canker or other contagious diseases of citrus fruits, or subtropical plants, shrubs, evergreens or ornamentals, nor any china, forest or other trees, shrubs, or plants, infested with injurious insect pests or contagious Every such tree, shrub or plant shall be a public nuisance, and as such it shall be the duty of the Commissioner of Agriculture or his representatives to abate it and no damage shall be awarded for entering upon the premises upon which there are trees, shrubs or plants infected with yellows, black knot, citrus canker, plum canker, fire blight, crown gall or other infectious or dangerous disease, or infested with San Jose scale, Florida red scale, Cottony cushion scale, wooly aphis, or other dangerous insect pest, for the purpose of legally inspecting the same; nor shall any damages be awarded for the treatment by the Commissioner of Agriculture or his duly authorized agents or representatives of such trees, shrubs or plants, or for altogether destroying such trees if necessary to suppress such insect pest or disease, if done in accordance with the provisions of But the owner of the trees, shrubs or plants shall be notithis article. fied immediately upon its being determined that such trees, shrubs or plants should be destroyed, by a notice in writing signed by the commissioner or the person or persons representing him, which said notice in writing shall be delivered in person to the owner of such trees, shrubs or plants, or left at the usual place of residence of such owner, or if such owner be not a resident of the locality, to notify by leaving such notice with the person in charge of thepremises, trees, shrubs or plants, or in whose possession they may be. Such notice shall contain a brief statement of the facts found to exist, whereby it is necessary to destroy such trees, shrubs or plants, and shall call attention to the law under which it

is proposed to destroy them, and the owner shall within ten days from the date upon which such notice shall have been received, remove and burn all such diseased or infected trees, shrubs or plants. If, however, in the judgment of said commissioner, or person representing him, any tree, shrub or plant infected with any disease, or infested with dangerously injurious insects, can be treated with sufficient remedies, he may direct such treatment to be carried out by the owner under the direction of the commissioner, agent, employe, or representatives. In case of objections to the findings of the chief inspector, employes or representatives of the commissioner, an appeal may be made to the commissioner, whose decision shall be final. An appeal must be taken within five days from service of said notice, and shall act as a stay of proceedings until it is When the commissioner, or chief inspector, or emheard and decided. ploye, or representative appointed by him, shall determine that any tree or trees, shrub or other plants must be treated or destroyed forthwith, he may employ all necessary assistance for that purpose, and such representative or representatives, agent or agents, employe or employes may enter upon any or all premises necessary for the purpose of such treatment, removal or destruction. But such commissioner or the person representing him shall, before such treatment or destruction, first require the owner or person in charge of the trees, shrubs or plants, to treat or destroy same as the case may be; and upon the refusal or neglect upon the part of said owner or person in charge to so treat or destroy such trees, plants or shrubs, then such commissioner, chief inspector, or person or persons representing him shall treat or destroy such trees, shrubs or plants, and all charges and expenses thereof shall be paid by such owner or person in charge of said trees, shrubs or plants, and shall constitute a legal claim against such owner or person in charge, which may be recovered in any court having jurisdiction upon the suit of such commissioner or chief inspector, or the county attorney of the county where the premises are situated, together with all costs, including an attorney fee of ten dollars, to be taxed as other costs.

Note.—The above section is as amended by the Thirty-sixth Legislature,

1921.

The Commissioner of Agriculture shall cause an examination Sec. 2. to be made at least once each year of each and every nursery or other place where trees, shrubs or plants commonly known as nursery stock are grown or exposed for sale, for the purpose of ascertaining whether the trees, shrubs or plants therein kept or propagated for sale are infected with contagious disease or diseases, or infested with insect pests. after such examination, it is found that the said trees, shrubs or other plants so examined are apparently free in all respects from any contagious or infectious disease or diseases, dangerously injurious insect pests, the said Commissioner shall issue to the owner or proprietor of the stock so examined a certificate setting forth the fact that the stock so examined was at the time of such examination apparently free from any and all such disease or diseases, insect pest or pests. No such certificate shall be negotiable or transferable, and shall be void if sold or transferred. such act or sale or transference shall be punishable as provided by this section.

All nursery stock consigned for shipment, or shipped by freight, express or other means of transportation shall be accompanied by a copy of said certificate attached to each car, box, bale, bundle or package. It is specifically provided that when such box, bale, bundle or package contains nursery stock to be delivered to more than one individual, partnership, or corporation, that each portion of such nursery stock to be delivered to such individual, partnership, or corporation shall also bear a copy of the certificate of inspection issued as provided in this section. Should any individual, partnership, or corporation, nursery agent, or dealer or broker, send out or deliver within the State, trees, vines, shrubs, plants, buds or cuttings commonly known as nursery stock, and which are subject to the attacks of insects and disease above provided for, unless he has in his possession a copy of said certificate, dated within a year thereof, deface or destroy such certificate, or wrongfully be in possession of such certificate, or fail to attach proper tags on each and every shipment, such tags bearing a copy of the said certificate, he shall be guilty of a misdemeanor, and upon conviction, shall be punished by a fine of not less than one hundred dollars, nor more than two hundred dollars.

No individual, partnership or corporation outside the State shall be permitted to ship nursery stock into this State without first filing with the Commissioner of Agriculture a certified copy of his or their certificate of inspection issued by the proper authorities in the State in which the proposed shipment originates. This certificate must show that the stock to be shipped has been examined by the proper officer of inspection in that State or province and that the stock is apparently free from all dangerous insect pests or contagious diseases; and that when fumigation is required by the Commissioner of Agriculture, that the stock has been properly fumigated. Immediately upon receipt of the filing with the Commissioner of Agriculture of this certificate, he shall, in addition, make further investigation as to the moral standing and integrity of the applicant as will satisfy him that the applicant is entitled to receive a certificate. A fee of five dollars shall be required from the applicant, upon receipt of which the Commissioner of Agriculture may issue a certificate permitting the applicant to ship into the State. Each box, bale or package of nursery stock from outside the State shall bear a tag on which is printed a copy of the certificate of this State, and also a copy of the certificate of the State in which it originates.

No transportation company or common carrier shall receive, transport or deliver shipment of nursery stock originating either within of without the State which do not bear shipping tags or labels showing the certificate of inspection of the State in which it originates, together with the permit from this State, if it be a shipment from without the State. Any individual, partnership or corporation from without the State, or any agent or any transportation company, common carrier or any person or persons who shall violate the provisions of this article shall be guilty of a misdemeanor, and upon conviction, shall be fined not less than fifty nor more than two hundred dollars, together with all costs for each offense.

Provided, that no transportation company or common carrier shall be liable for damages to the consignee or consignor for refusing to receive for transportation or delivery such trees, packages, bales, bundles, or boxes when not accompanied by copies of the certificates provided for in this section. The agent of such companies or common carriers shall report any such shipment to the Commissioner of Agriculture immediately. Shipments of nursery stock into this State, or originating within the State, without tags or proper certificates as provided for in this section shall be dealt with as in Section 1 of this Act.

Sec. 4. The Commissioner shall have power to revoke any certificate which has been issued when he shall find that false representations have been made by the party or parties to whom certificates have been issued, or who have refused to comply with the law, instructions, rules and regulations given by the Commissioner of Agriculture in reference to the provisions of this Act and its enforcement. Any individual, partnership or corporation who shall be guilty of interfering with, refusing or preventing the Commissioner of Agriculture, or his representatives, in the execution of their official duties, to enter upon any premises owned, used or leased by them, and any person who shall make false representations for the purpose of obtaining a certificate from the Commissioner of Agriculture shall be guilty of a misdemeanor, and upon conviction shall be fined not less than twenty-five dollars nor more than two hundred dollars, together with all costs for each offense.

Sec. 5. The Commissioner of Agriculture shall enforce the provisions of this Act, and make and enforce such rules and regulations as may bedeemed necessary for carrying into effect this Act, not inconsistent with same, and for the inspection of nurseries, orchards, forest trees, greenhouses, and any other premises deemed necessary to carry out the provisions of this Act; together with all products originating from same within the meaning of this Act. He shall also appoint one person who shall be designated as chief inspector, whose duty it shall be to inspect or cause to be inspected under the directions of the Commissioner of

Agriculture all trees, plants and shrubs of every kind whatsoever, grown, produced or offered for sale by any nursery, dealer, individual or corporation in this State, and also to inspect or cause to be inspected all orchards provided for in this Act, and may employ such other person or persons, expert or experts, as may be necessary from time to time for administering and carrying into operation and enforcing the provisions of this Act, provided that the chief inspector employed under the provisions of this Act shall not during the time of such service be interested in or connected with any nursery business whatsoever. The said Commissioner shall fix and collect reasonable fees for the inspection, as provided for in this Act, provided that not less than \$2.50 nor more than \$15.00 shall be charged for each inspection under the provisions of this Act. All fees collected under the provisions of this section shall be paid to the Department of Agriculture and credited to the fund provided for administering this Act.

Any person or persons, expert or experts, employed by the Commissioner of Agriculture for the purpose of administering the provisions, rules and regulations of this Act shall be paid a salary; any such salary shall not exceed the sum of \$5.00 per diem and traveling expenses while actually engaged in performing their duties. Any such salary and expenses to be paid out of any fund made available to the Department of

Agriculture for the enforcement of this Act.

Sec. 6. If the said Commissioner or any of his agents or employes give a false certificate, or a certificate without an actual examination of the nursery stock for which such certificate is given, to any owner, proprietor or lessee of any nursery, or owner of nursery stock, or to any other person, for use under the provisions of this Act, he shall be deemed guilty of a misdemeanor, and under conviction shall be punished by a fine of not less than five hundred dollars nor more than one thousand

dollars for each offense.

Sec. 7. To enforce the provisions of this Act and the rules and regulations of the Commissioner of Agriculture in reference thereto, suit shall be entered by the county attorney in any court having jurisdiction; the sheriff or peace officer of any such court shall perform his usual duties in enforcing the provisions of this Act. That any moneys appropriated for the Department of Agriculture for the administration of this Act shall be available for use to the amount necessary for the enforcement of this Act as indicated in this section, provided that all fines collected from prosecuting any individual, partnership or corporation, shall revert to the available school fund of the county in which the prosecution originates and is tried.

Sec. 8. The term "nursery stock" within the meaning of this Act shall include all fruit trees and vines, shade trees and forest trees, whether such shade or forest trees be especially grown for sale in a nursery or taken from the forests and offered for sale; all scions, seedlings, roses, evergreens, shrubbery or ornamentals, also such greenhouse plants, or propagation stock; all classes of berry plants, cut flowers taken from plants, bushes, shrubs or other trees growing in this State, which may be a medium for disseminating injurious insect pests and contagious diseases.

The term "nursery" shall be construed to apply to any individual, premises on which nursery stock is grown, or exposed for sale. "Being in the nursery business" applies to any individual, partnership or corporation which may either sell or grow or both grow and sell, nursery stock, regardless of the variety or quantity of nursery stock, sold or grown.

The term "dealer" shall be construed to apply to any individual, partnership or corporation not growers of nursery stock, but who buy and sell nursery stock for the purpose of reselling and reshipping under their own name or title, independently of any control of those from whom they purchase. An "agent" of a nursery or dealer shall be construed to apply to any individual, partnership or corporation selling nursery stock either as being entirely under the control of the nursery or dealer with whom the nursery stock offered for barter and traffic originates, or some co-operative basis for handling nursery stock with the grower or dealer,

as specified in this section. That any such agent shall have proper credentials from the dealer he represents or co-operates with, and, failing in that, any such agent shall be classed as a dealer, and subject to such rules and regulations as may be adopted relative to them, and shall be amenable to the same penalties for violations of any provisions of this Act, or the rules and regulations of the Commissioner; provided, that any agent of any dealer or nurseryman as specified in this section who shall knowingly deliver to any individual, partnership or corporation, any trees, shrubs or plant infested or diseased as specified in the provisions of this Act, even though such tree, shrubs or plants are received in a box, bale or package bearing a certificate of inspection as provided in this Act, shall be guilty of a misdemeanor, and upon conviction shall be fined not less than twenty-five dollars nor more than five hundred dollars for each such delivery, to each individual, partnership or corporation.

The Commissioner of Agriculture shall prepare suitable rules and regulations for the traffic of cape jasmine cut flower shipments, also for the shipment of such greenhouse and floral plants as may require control, in order that the purposes for which this Act is established may

be accomplished.

He shall also provide such rules and regulations concerning city, private or public parks, avenues of shade trees, shrubbery and ornamentals along the streets of cities, for city residences and city property generally, as will secure a protection and immunity from insect pests and contagious diseases intended to be provided for by this Act. It shall be the duty of city administrations, through their proper officers, the duty of owners of parks, of city residences or other city property, to obey these rules and regulations, and co-operate with the Commissioner of Agriculture or his representatives, in enforcing such rules and regulations, or any provisions of this Act.

All laws and parts of laws in conflict with the provisions of this Act

are hereby repealed.

Note.—The above law, as amended is effective June 11, 1921.

RULES AND REGULATIONS.

Promulgated by the Commissioner of Agriculture under authority of Section 5 of orchard, nursery, etc., inspection law, for guidance in the

administration of the provisions of this Act.

Each person, firm, or corporation conducting a nursery or dealing in nursery stock as defined within the meaning of Sections 1 and 2 of this Act, shall apply for an inspection of any such properties not later than June 15 of each year, and shall use an application of the form furnished by the Department. This rule is authorized under Section 5 of this Act.

Any person, firm or corporation, agent or dealer who shall knowingly include in any shipment of nursery stock, or parcel of trees, shrubs or plants delivered to customers, any trees, plants or shrubs infected with any dangerous fungus diseases or serious insect pest shall be adjudged guilty of a "false representation," both in the delivery of said trees, plants and shrubs, as well as in securing a certificate, and will be punished according to the penalties in Section 4 of this Act.

To more specifically fix responsibility and facilitate action by the Commissioner of Agriculture or his duly authorized agent, the following form of obligation is first required to be executed by each person, firm or cor-

poration asking that a certificate be issued them.

FORM OF OBLIGATION.

The undersigned hereby obligates himself not to offer for shipment any nursery stock, or to deliver any nursery stock to any customer, except such as is free from serious insect pests or dangerous fungus diseases, and such as has already been inspected by some duly authorized inspector, and bears a printed copy of a valid certificate of inspection as provided by law.

The following classification shall be observed in determining the 3.

fees to be collected for any given inspection:

CLASSIFICATION.

Clas	ssification. Fee to b	e Collected
	Wholesale Nursery and Floral	\$13.50
	Wholesale Nursery	
	Wholesale and Retail Nursery	
	Retail Nursery and Floral	
	Retail Nursery	5.00
	One Class Nursery	3.50
	Wholesale One Class	5.00
	Wholesale Floral	7.50
	Retail Floral	3.50
	One Class Floral	2.50
	Cape Jasmines	2.50
	Dealers Sale or Heel Yards	5.00
	Forest or Shade Tree Dealers	5.00
	Berry Plants	3.50
	Orchard, Vineyards, Trees, Plants, or shrubs for scions sprouts or buds	2.50

4. When forest or shade trees are not grown in nursery rows, but are to be taken from the forest or woodlands and offered for sale, the person, firm or corporation desiring to make sale of any such trees shall first collect same from the forest and heel them in at some suitable locality, which locality shall be designated as the "sales yard." Upon notice that this has been done a duly authorized representative of the Department will be designated to inspect the premises and such forest and shade trees as are found thereon. Any certificate issued shall apply only to such forest and shade trees as are found on any given sales yard at the time of inspection. Any additional forest or shade trees from forest or woodlands proposed to be sent out under any such certificate will first require an inspection, which further inspection will necessitate an additional fee. This rule is promulgated under Section 8 of this Act.

5. All forest, shade or other trees grown by any person, firm or corporation, and which are to be sold, are classed as nursery stock within

the meaning of Section 8 and require an inspection.

6. All orchard trees, vineyards, hedges, or any trees, plants or shrubs from which scions, cuttings or sprouts are to be taken and sold are classed as nursery stock within the meaning of Section 8 of this Act, and require an inspection.

7. Dealers in nursery stock are required to have an inspection of the premises on which their nursery stock is kept for sale, or prepared for shipment, and they shall pay a fee for such inspection as provided for

under rule 4, Section 5, of this Act.

All dealers shall comply with the provisions of the nursery inspection law and the rules and regulations of this Department in reference thereto. They are held to be liable to all penalties provided for any violations of this Act and the rules and regulations authorized by it.

8. The following form of "agent's credential" is required under Section 8 of this Act. This applies to all agents of nurseries or dealers, whether such agents shall sell nursery stock or only make delivery of same. Any person failing to provide his agent, or agents, with a properly executed credential as required, and yet authorizes him to sell or deliver nursery stock, shall be deemed guilty of a violation of the inspection law under Section 4 of this Act.

FORM OF AGENT'S CREDENTIAL FROM TEXAS FLORISTS, DEALERS OR NURSERYMEN.

To the Commissioner of Agriculture, State of Texas, and to All Whom	It
May Concern:	
This certifies that	1
whose residence is	
s duly appointed and authorized by me, or us, as my, or our, agent an	
egal representative in the sale and delivery of nursery stock in the Stat	e

of Texas. As such he is amenable to all the provisions of the Inspection Laws of this State, and to the rules and regulations of the Commissioner of Agriculture in relation thereto, I, or we, reconize my, or our, responsibility in connection therewith.

Respectfully.

Florist, Dealer or Nurseryman.

FORM OF AGENT'S CREDENTIAL FROM "OUT-OF-STATE" FLORISTS, DEALERS OR NURSERYMEN.

To the Commissioner of Agriculture of the State of Texas, and All Others Whom It May Concern: This certifies that
whose legal residence is
is duly appointed and recognized by me, or us, as my, or our agent for
the sale and delivery of nursery stock in the State of Texas. That I, or
we, designate, Texas, as our domicile in
Texas, and designate, or,
as our legal representative in charge of said domicile. I, or we, waive
jurisdiction and will accept service through said agent at our domicile in
all legal actions which may become necessary. I, or we, assume respon-
sibility for the acts of said agent designated herein so far as the same

are involved in violations of the Inspection Laws of the State of Texas, and the rules and regulations of the Commissioner of Agriculture.

Respectfully.

Florist, Dealer or Nurseryman.

Agents should at all times be ready to present their credentials upon demand. Any agent selling or delivering nursery stock without such credentials should be classed as a "dealer" under Section 8 of this Act, and shall observe and obey the laws, rules and regulations relating to dealers. He shall also be liable for any penalties designated for dealers

who are guilty of violations of this Act.

9. All cape jasmine bushes, from which it is proposed to cut buds, flowers or cuttings, for the purpose of selling, consigning or shipping of such buds, flowers or cuttings, shall first be inspected by a duly authorized representative of this Department. Application shall be made for such inspection on the regular form of the Department for that purpose, and such fee as established under Rule 3 shall be collected for such inspection. If found free from serious insect pests or dangerous fungus diseases a certificate will be issued.

This rule is promulgated under Section 8, which provides that "cut flowers" taken from plants, bushes, shrubs or other trees growing in the State which are liable to be a medium for disseminating injurious insects pests and contagious diseases shall be classed as "nursery stock," and under Section 9, which requires the Commissioner to provide rules and regulations for the traffic in cut flowers classed as nursery stock.

10. It is hereby provided that the following form shall be used by any duly authorized representative of this Department in giving legal notice to the officers of a city administration, to owners of private parks, or owners of city residences, or owners of city property generally. Any officer or person receiving such notice shall observe all the provisions of this Act and the rules and regulations provided by the Commissioner of Agriculture in reference thereto. They shall also be liable for the penalties provided for any acts of disobedience or violations of any such laws, rules and regulations, the same as provided for such acts of other persons, firms or corporations.

FORM OF NOTIFICATION.

	,	Tover	109
To		I CAAS,	134
10			

the inspection of nurseries, orchards	s, greenhouses, city parks, etc., that
the following trees, plants and shrub	s which are designated below are in-
fested as indicated, and that they ar	e hereby declared a public nuisance
as provided under Section 1 of this .	Act.

Name of trees, plants, or shrubs. Pest or disease.

Under authority of Section 1 of this Act you are hereby ordered to burn the following trees, plants or shrubs. (Inspectors will designate where located.)

You are further hereby instructed to treat the following trees, plants and shrubs as indicated below:

Name of tree, etc.

Pest or disease.

Treatment.

Under Section 1 you are allowed ten days within which to execute these orders and instructions.

Notice is also hereby given that after the expiration of said ten days the Commissioner of Agriculture, or his duly authorized agent, will proceed under authority of Section 1 to enforce the orders and instructions issued in this notice.

COMMISSIONER OF AGRICULTURE.

NURSERY PRODUCTS-RELATING TO SALE OF.

CHAPTER 160.

An Act to prohibit the vendors of nursery products, their agents, servants and employes, from defrauding vendees, and providing penalties for the violation thereof, and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That any person, persons, company of persons, co-partnership, any member of a company or co-partnership, and corporation or any stockholder or officer thereof, any agent, servant or employe of any such person, persons, company of persons, co-partnership, member or stockholders of any company, co-partnership or corporation or officer aforesaid, who shall hereafter knowingly make any false representation or representations, of the name, quality or nature of any nursery product for the purpose of inducing any vendee to buy the same, or who shall deliver to any vendee knowingly any such product other than that contracted for, shall be guilty of a misdemeanor and upon conviction thereof shall be fined not less than one hundred dollars nor more than five hundred dollars, or imprisoned in the county jail not less than thirty days nor more than six months, or both so fined and imprisoned.

SEC. 2. The statute of limitation shall not begin to run against a prosecution under the foregoing section until such product shall have

developed and disclosed a fraud.

SEC...3. Any vendee defrauded in violation of this Act shall be entitled to recover full damages at any time within two years after his discovery of the fraud.

PROMULGATION OF REGULATIONS PERTAINING TO DESTINATION INSPECTION OF NURSERY STOCK SHIPPED TO THE RIO GRANDE VALLEY OF TEXAS, AS AUTHORIZED BY SECTION 5, OF THE TEXAS ORCHARD AND NURSERY INSPECTION LAW, CHAPTER 19, "GENERAL LAWS OF TEXAS," THIRTY-FIRST LEGISLA-TURE, 1909.

WHEREAS, Citrus canker, Pseudomonas citri, Hasse, a dangerous disease of citrus plants, is now known to exist in certain localities of the State of Texas and,

WHEREAS, The unrestricted shipping of nursery and floral stock from certain territories in which citrus canker has been found, or where such conditions exist as would render it a possible source of infection, might result in the introduction of this dangerous plant disease into such citrus

localities as are now free from citrus canker; and, Whereas, The introduction of foreign and injurious plant pests from States where such pests are present and where climatic conditions, or other circumstances, do not permit the pests becoming excessively injurious, would mean in certain cases probable destruction of the citrus industry, and in any case a burden to the industry and the taxpayers of this State:

Now, Therefore, I, Geo. B. Terrell, Commissioner of Agriculture of the State of Texas, in order to prevent the further dissemination of the aforesaid citrus canker, and to prevent its introduction, together with other dangerous pests, from other States and foreign countries, and to control and eradicate them where they now exist in this State, do hereby promulgate the following regulations as provided for in Section 5, Chapter 19, General Laws of the State of Texas, First Called Session of the Thirty-first Legislature; and amended 1921 in Chapter 49, General Laws of the State of Texas, Regular Session, Thirty-seventh Legislature.

1. The shipment of nursery and floral stock which has originated in the counties of Brazoria, Chambers, Fort Bend, Galveston, Hardin, Harris, Jefferson, Wharton, Jackson, Liberty, Matagorda and Orange, into the Rio Grande Valley citrus district, composed of the counties of LaSalle, Brooks, Cameron, Duval, Kleberg, Dunn, Hidalgo, Jim Hogg, Jim Wells, Nueces, Starr, Webb, Willacy and Zapata is hereby prohibited, except by special

permission of the Commissioner of Agriculture.

All citrus nursery stock originating outside of the counties of Cameron, Hidalgo and Starr and shipped into these counties must be inspected at point of destination by an authorized inspector before it is

released from express office or depot.

All classes of nursery stock originating in the counties of Brazoria, Chambers, Fort Bend, Galveston, Hardin, Wharton, Jackson, Harris Jefferson, Liberty, Matagorda and Orange, and which has been granted special permission by the Commissioner of Agriculture to enter the counties of Cameron, Hidalgo and Starr must be inspected at destination for proper authorization for shipment or otherwise by an authorized inspector of the State Department of Agriculture before it is released from express office or depot.

All rules and regulations heretofore promulgated in conflict with the

foregoing are hereby repealed.

In testimony whereof, I have hereunto set my hand and caused the official seal of the Department of Agriculture to be affixed, in the City of Austin, State of Texas, this first day of January, 1924.

GEO. B. TERRELL, Commissioner of Agriculture.

RULES AND REGULATIONS CONCERNING THE SHIPMENT OF PLANTS FROM CITRUS CANKER-INFECTED TERRITORY.

WHEREAS, Citrus canker, *Pseudomonas citri*, Hasse, a dangerous disease of citrous plants, is now known in certain localities of the State of Texas and in other states of the United States.

WHEREAS, It is made the duty of the Commissioner of Agriculture to promulgate such rules and regulations as shall be demonstrated by scientific research to be effective in the control and eradication of dangerous insect pests and plant diseases.

Now, Therefore, I, Geo. B. Terrell, Commissioner of Agriculture of the State of Texas, in order to prevent the further dissemination of the aforesaid citrus canker, and to prevent its introduction from other states and to control and eradicate it where it now exists in this State, do hereby promulgate the following rules and regulations as provided for in Section 5, Chapt!er 19, General Laws of the State of Texas, First Called Session of the Thirty-first Legislature; and amended 1921 in Chapter 49, General Laws of the State of Texas, Regular Session.

- 1. The removal of nursery stock or other plants is prohibited from any premise on which citrus canker is found until such time as, in the judgment of the Commissioner of Agriculture, the dangerous condition may have ceased to exist.
- 2. The removal of citrus trees or plants grown within one mile of a premise infected with citrus canker is hereby prohibited, except upon special permission from the Commissioner of Agriculture, providing that in no case shall they be removed to a distance exceeding one mile from center of infection, until such time as, in the judgment of the Commissioner of Agriculture, the dangerous condition may have ceased to exist.
- 3. The removal of citrus trees or plants grown within two miles, and more than one mile, of a premise infected with citrus canker is hereby prohibited, except by special permission of the Commissioner of Agriculture, provided that in no case shall they be removed to a distance exceeding ten miles from infection until such time as, in the judgment of the Commissioner of Agriculture, the dangerous condition may have ceased to exist.
- 4. The removal of trees and plants other than citrus, grown within one mile of citrus canker infection, is hereby prohibited except in such limits as may be defined by the Commissioner of Agriculture and until such time as, in the judgment of the Commissioner of Agriculture, the dangerous condition shall have ceased to exist.

All rules and regulations heretofore promulgated in conflict with the foregoing are hereby repealed.

Done in the City of Austin on this, the 14th day of July, A. D. 1922.

GEO. B. TERRELL, Commissioner of Agriculture.

PROMULGATIONS PROHIBITING THE SHIPPING OF LIME TREES, SCIONS AND BUDS FROM THE STATE OF FLORIDA INTO THE STATE OF TEXAS.

WHEREAS, A dangerously injurious plant disease known as withertip of limes, gloeosporium limetticolum, is known to exist in the State of Florida; and.

WHEREAS, This disease is not known to exist in Texas; and,

WHEREAS, This disease may be spread from one state to another through movements of lime nursery stock.

THEREFORE, I, Geo. B. Terrell, Commissioner of Agriculture of the State of Texas, by virtue of the power conferred upon me by Chapter 19, General Laws of the State of Texas, First Called Session of the Thirty-first Legislature, and amended 1921 in Chapter 49, General Laws of the State of Texas, Regular Session, Thirty-seventh Legislature, do hereby prohibit the bringing into the State of Texas any lime trees, scions and buds from

the State of Florida, in order to prevent the introduction of this disease in the State of Texas.

This order shall take effect on the date hereof and remain in full force

and effect until further order.

Done in the City of Austin, State of Texas, on this the 1st day of November, A. D. 1924.

GEO. B. TERRELL, Commissioner of Agriculture.

CONDENSED FORM OF THE TEXAS REQUIREMENTS TO BE MET WITH BY OUT-OF-STATE NURSERYMEN, FLORISTS AND DEALERS DESIRING TO SHIP NURSERY OR FLORAL STOCK INTO THE STATE OF TEXAS.

Nurserymen, florists and other shippers of nursery stock desiring to do business in Texas, must file with the Texas State Department of Agriculture a certified copy of certificate of inspection from the State Inspector of the state in which the shipment originates, and also in addition to this, a fee of \$5.00 is required which must be remitted in post-office money order, cashier's check, or bank draft. This permit is good for one year, expiring on August thirty-first of each year.

All shipments of nursery and floral stock originating outside of the State of Texas must bear shipping tags showing the exact copy of certificate of inspection from the State Inspector of the state in which the shipment originated, and in addition thereto must have a tag showing the exact copy of permit from Texas. These tags the shipper must have

printed.

Freight and express companies of this State are prohibited from receiving or delivering all shipments which do not bear proper tags, show-

ing copies of necessary permits.

Nurserymen and florists of all states who ship nursery and floral stock into Texas, are requested to file with this department a copy of invoice or memorandum of each and every shipment of stock made into this State, giving the date, consignor, consignee and a list of stock shipped. The price need not be given.

Those intending to ship orange and citrus seed of all kinds into this State must furnish the Texas Department with a certified statement from their State Plant Board, that the seed was gathered from Citrus-canker-free territory, and also an affidavit that the seeds to be shipped were treated in a corrosive sublimate solution of a strength of 1-1000.

Agents or dealers operating in Texas for nurserymen and florists outside of the State must procure proper credentials as agents from the nurserymen they represent. The form for this credential approved by the Commissioner of Agriculture is furnished free of charge. Each agent or dealer must be prepared to present such credential at all times.

Dealers are classed as nurserymen and are required to take out a permit. Greenhouses and greenhouse plants are included for inspection by the Texas laws and all State Inspectors should advise their nurserymen, florists or owners of greenhouses that they must have a Texas certificate before they can make shipments into the State of Texas.
