

A young boy with short brown hair, wearing a white t-shirt under blue denim overalls and white sneakers with blue accents, is laughing joyfully while riding a wooden seesaw. He is positioned on the upward-sloping side of the seesaw, with his hands gripping the wooden handle. The background is a soft-focus outdoor setting with green trees and sunlight filtering through the leaves, creating a bokeh effect. The entire scene is framed within a larger green textured area that contains text.

top 10 ways to help your child combine FITNESS AND FUN

1. Visit the playground often.
2. Walk places with your child whenever possible instead of driving.
3. Get a tricycle or a small bicycle with training wheels.
4. Take a dip with your child in a swimming pool or at the beach.
5. Kick a soccer ball around the park together.
6. Build an obstacle course and encourage your child to run around it.
7. Encourage games and sports with other kids.
8. Teach "hopping like a bunny," "jumping like a frog," and other fun activities.
9. Run races together.
10. Let your child do simple chores that keep them active and make them feel "grown up."
