21 follows:

22 (a) The District shall have no power or authority to levy
23 and collect taxes on any property real, personal or mixed, within
24 the boundaries of said District, nor shall the District have power

27 property within said District; and provided further that said

1 District shall have none of the powers conferred by General Law for
2 the purposes of the collection, transportation, processing,
3 disposal and control of domestic, industrial or communal wastes,

15 ~~approval of its projects and they shall be supervised~~] as provided
16 by the [~~Sections 54.516 and 54.517,~~] Water Code, as amended.

17 SECTION 4. Section 5, Chapter 712, Acts of the 59th

5 (e) All terms of office shall be for a period of two (2)
6 years. Terms shall be staggered ending on August 31 of the
7 appropriate year.

8 (f) Six directors constitute a quorum. Except as otherwise
9 provided, a majority of those directors present and qualified to
10 vote is sufficient for final action on a matter before the Board.

11 SECTION 5. Chapter 712, Acts of the 59th Legislature,
12 Regular Session, 1965, is amended by adding Sections 5C, 5D, 5E, 5F,
13 and 5G to read as follows:

14 Sec. 5C. (a) Chapter 171, Local Government Code, does not
15 apply to a director appointed to represent agricultural or
16 industrial interests.

17 (b) A director who has a financial interest in a contract
18 considered by the District for the purchase of property or the
19 construction of a facility must disclose the interest to the other
20 directors and may not vote on the contract.

21 Sec. 5D. (a) The Board may hold an open or closed meeting by
22 telephone conference call if at least five directors are present at
23 the location where the meeting of the Board is held. A meeting held

25 requirements as other Board meetings and must be recorded. Each
26 person who speaks in a meeting held by telephone conference call
27 must be clearly identified. A director participating in a meeting

1 held by telephone conference call is considered absent from any
2 part of the meeting during which audio communication is lost.

3 (b) The authority to hold a meeting held by telephone
4 conference call described by this section is in addition to
5 authority described by Chapter 551, Government Code.

6 Sec. 5E. If the Board employs a general manager, the general
7 manager is the chief executive officer of the District.

8 Sec. 5F. The District is not required to provide notice for

10 property has a value of less than \$25,000.

11 Sec. 5G. (a) The District may enter into a contract related
12 to a water project located outside the District. The District may
13 enter into a local agreement with a political subdivision for a
14 purpose related to a water project.

15 (b) A contract under this section may use money appropriated
16 by a political subdivision that is a party to the contract to pay
17 for pre-development costs, engineering, surveys, and the
18 collection and compilation of data relating to conditions
19 influencing determinations about the character and extent of
20 proposed improvements, works, and facilities for the
21 accomplishment of District purposes.

22 (c) The District may contract or agree with an entity
23 appropriating money under this section to receive a loan or money
24 from other sources in return for services described by Subsection
25 (a) of this section. The contract or agreement may provide for the
26 repayment by the District of money advanced as a loan from project
27 revenues, bond proceeds, or other available money.

1 (d) The District and a state agency or political subdivision
2 may enter into a contract to jointly pay all or part of the cost of a
3 water project or the operation of a water project in the same way
4 that a political subdivision may contract with a state agency or
5 political subdivision under Chapter 472, Transportation Code, to
6 jointly pay all or part of the cost associated with a state or local
7 highway, turnpike, road, or street project.

8 SECTION 6. Sections 7 and 8, Chapter 712, Acts of the 59th
9 Legislature, Regular Session, 1965, are amended to read as follows:

10 Sec. 7. The District shall have power and is hereby
11 authorized to issue, from time to time, bonds as herein authorized
12 for any of its corporate purposes. Such bonds may either be (1)

16 ~~[3, Acts of the 61st Legislature, Regular Session, 1969, as amended~~
17 ~~(Article 717k-2, Vernon's Texas Civil Statutes), as now or~~

19 on such terms as the Board of Directors shall determine in exchange
20 for property of any kind, real, personal or mixed or any interest
21 therein which the Board shall deem necessary for any such corporate
22 purposes, or (3) issued in exchange for like principal amounts of
23 other obligations of the District, matured or unmatured. The
24 proceeds of sale of such bonds shall be deposited in such bank or
25 banks or trust company or trust companies, and shall be paid out
26 pursuant to such terms and conditions, as may be agreed upon between
27 the District and the purchasers of such bonds. All such bonds shall

1 be authorized by resolution or resolutions of the Board of
2 Directors, and shall bear such date or dates, mature at such time or
3 times, bear interest payable annually, semiannually, or otherwise,

9 such manner and be payable at such place or places within or without
10 the State of Texas, as such resolution or resolutions may provide.
11 Any resolution or resolutions authorizing any bonds may contain
12 provisions, which shall be part of the contract between the
13 District and the holders thereof from time to time:

14 (a) reserving the right to redeem such bonds or requiring
15 the redemption of such bonds, at such time or times, in such amounts
16 and at such prices, [~~not exceeding 105 percent of the principal~~
17 ~~amount thereof, plus accrued interest,~~] as may be provided;

18 (b) providing for the setting aside of sinking funds or
19 reserve funds and the regulation and disposition thereof;

20 (c) pledging to secure the payment of the principal of and
21 interest on such bonds and of the sinking fund or reserve fund
22 payments agreed to be made in respect of such bonds all or any part
23 of the gross or net revenues thereafter received by the District in
24 respect of the property, real, personal, or mixed, to be acquired
25 and/or constructed with such bonds or the proceeds thereof, or all
26 or any part of the gross or net revenues thereafter received by the
27 District from whatever source derived;

1 (d) prescribing the purposes to which such bonds or any
2 bonds thereafter to be issued, or the proceeds thereof, may be
3 applied;

4 (e) agreeing to fix and collect rates and charges sufficient
5 to produce revenues adequate to pay (1) all expenses necessary to
6 the operation and maintenance and replacements and additions to the
7 properties and facilities of the District; (2) the principal of,
8 and the interest and premium, if any, on bonds issued under this Act
9 as and when the same became due and payable; (3) all sinking fund
10 and/or reserve fund payments agreed to be made in respect of any
11 such bonds out of such revenues as and when the same became due and

14 discharge all other lawful obligations of the District as and when
15 the same become due;

16 (f) prescribing limitations upon the issuance of additional
17 bonds and subordinate lien bonds and upon the agreements which may
18 be made with the purchasers and successive holders thereof;

19 (g) with regard to the construction, extension,
20 improvement, reconstruction, operation, maintenance, and repair of
21 the properties of the District and carrying of insurance upon all or
22 any part of said properties covering loss or damage or loss of use
23 and occupancy resulting from specified risks;

24 (h) fixing the procedure, if any, by which, if the District
25 shall so desire, the terms of any contract with the holders of such
26 bonds may be amended or abrogated, the amount of bonds the holders
27 of which must consent thereto, and the manner in which such consent

1 may be given;

2 (i) for the execution and delivery by the District to a bank
3 or trust company authorized by law to accept trusts, or to the
4 United States of America or any officer or agency thereof, of
5 indentures and agreements for the benefit of the holders of such
6 bonds and such other provisions as may be customary in such
7 indentures or agreements; and

8 (j) such other provisions, [~~not inconsistent with the~~
9 ~~provisions of this Act,~~] as the Board may approve.

10 (k) The Board may declare an emergency in the matter of
11 funds not being available to pay principal of and interest on any
12 bonds of the District or to meet any other needs of the District and
13 may issue bond anticipation notes or enter into a loan to pay the
14 costs to meet the emergency need. A loan under this subsection may
15 be secured by a pledge of and made payable from district revenues or
16 the proceeds of a future series of bonds. Bond anticipation notes
17 may bear interest at any rate or rates not to exceed 10 percent and
18 shall mature within one (1) year of their date. The bond
19 anticipation notes so issued will be taken up with the proceeds of
20 bonds, or the bonds may be issued and delivered in exchange for and
21 in substitution of such notes.

22 (l) Before any bonds shall be sold or exchanged or
23 substituted by the District, a certified copy of the proceedings of
24 the issuance thereof, including the form of such bonds, together
25 with any other information which the Attorney General of the State
26 of Texas may require, shall be submitted to the Attorney General,
27 and if he shall find that such bonds have been issued in accordance

1 with law, and if he shall approve such bonds, he shall execute a
2 certificate to that effect which shall be filed in the office of the
3 Comptroller of the State of Texas and be recorded in a record kept
4 for that purpose. No bonds shall be issued until the same shall
5 have been registered by the Comptroller, who shall so register the
6 same if the Attorney General shall have filed with the Comptroller
7 his certificate approving the bonds and the proceedings for the
8 issuance thereof as hereinabove provided.

9 (m) All bonds approved by the Attorney General as aforesaid,
10 and registered by the Comptroller as aforesaid, and issued in
11 accordance with the proceedings so approved shall be valid and
12 binding obligations of the District and shall be incontestable for
13 any cause from and after the time of such registration.

14 (n) If any bonds recite that they are secured by a pledge of
15 the proceeds of a contract, lease, sale or other agreement (herein
16 called "contract"), a copy of such contract and the proceedings of
17 the contracting parties will also be submitted to the Attorney
18 General. If such bonds have been authorized and such contracts made
19 in compliance with law, the Attorney General shall approve the
20 bonds and contracts, and the bonds shall then be registered by the
21 Comptroller of Public Accounts. When so approved, such bonds and
22 the contracts shall be valid and binding and shall be incontestable
23 for any cause from and after the time of such registration.

24 (o) The District is authorized to make and issue bonds
25 (herein called "refunding bonds") for the purpose of refunding or
26 refinancing any outstanding bonds or notes authorized and issued by
27 the District pursuant to this Act or other law (herein called

1 "bonds") and the interest and premium, if any, thereon to maturity
2 or on any earlier redemption date specified in the resolution
3 authorizing the issuance of the refunding bonds. Such refunding
4 bonds may be issued to refund more than one series of outstanding
5 bonds, may combine the pledges of the outstanding bonds for the
6 security of the refunding bonds, or may be secured by other or
7 additional revenues. All provisions of this Act with reference to
8 the issuance of bonds, the terms and provisions thereof, their
9 approval by the Attorney General, and the remedies of the
10 bondholders shall be applicable to refunding bonds. Refunding
11 bonds shall be registered by the Comptroller upon surrender and
12 cancellation of the bonds to be refunded, but in lieu thereof, the
13 resolution authorizing the issuance of refunding bonds may provide
14 that they shall be sold and the proceeds thereof deposited at the
15 places at which the original bonds are payable, in which case the
16 refunding bonds may be issued in an amount sufficient to pay the
17 interest and premium, if any, on the original bonds to their
18 maturity date or specified earlier redemption date, and the
19 Comptroller will register them without concurrent surrender and
20 cancellation of the original bonds. The District may also refund
21 any outstanding bonds in the manner provided by any applicable
22 General Law.

23 (p) All bonds issued by the District pursuant to the
24 provisions of this Act shall constitute investment securities
25 within the meaning of the Uniform Commercial Code.

26 (q) This Act, without reference to other statutes of the
27 State of Texas, shall constitute full authority for the

1 authorization and issuance of bonds hereunder, and no other Act or
2 law with regard to the authorization or issuance of obligations or
3 the deposit of the proceeds thereof, or in any impeding or
4 restricting the carrying out of the acts herein authorized to be
5 done shall be construed as applying to any proceedings taken
6 hereunder or acts done pursuant hereto.

7 Sec. 8. (a) When any of such revenues are pledged to the
8 payment of any bonds issued by said District or loans received by
9 the District, it shall be the right and duty of the District's Board
10 of Directors to cause to be fixed, maintained and enforced charges,
11 fees or tolls for services rendered by properties and facilities,
12 the revenues of which have been pledged, at rates and amounts at
13 least sufficient to comply with and carry out the covenants and
14 provisions contained in the order or orders authorizing the
15 issuance of said bonds.

16 (b) Regardless of whether the revenues are pledged to the
17 payment of bonds, the [The] District shall have the right to impose
18 penalties for failure to pay, when due, such charges, fees or tolls.

19 SECTION 7. (a) The legal notice of the intention to
20 introduce this Act, setting forth the general substance of this
21 Act, has been published as provided by law, and the notice and a
22 copy of this Act have been furnished to all persons, agencies,
23 officials, or entities to which they are required to be furnished
24 under Section 59, Article XVI, Texas Constitution, and Chapter 313,
25 Government Code.

26 (b) The governor, one of the required recipients, has
27 submitted the notice and Act to the Texas Commission on

1 Environmental Quality.

2 (c) The Texas Commission on Environmental Quality has filed
3 its recommendations relating to this Act with the governor, the
4 lieutenant governor, and the speaker of the house of
5 representatives within the required time.

6 (d) All requirements of the constitution and laws of this
7 state and the rules and procedures of the legislature with respect
8 to the notice, introduction, and passage of this Act are fulfilled
9 and accomplished.

10 SECTION 8. This Act takes effect immediately if it receives
11 a vote of two-thirds of all the members elected to each house, as
12 provided by Section 39, Article III, Texas Constitution. If this
13 Act does not receive the vote necessary for immediate effect, this
14 Act takes effect September 1, 2019.
