

Chapter 168

H.B. No. 853

1 AN ACT

2 relating to the deployment of advanced metering and meter
3 information networks in certain areas outside of ERCOT.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Subchapter L, Chapter 39, Utilities Code, is
6 amended by adding Section 39.5521 to read as follows:

7 Sec. 39.5521. METERING. (a) Notwithstanding Section
8 39.552, an electric utility subject to this subchapter that elects
9 to deploy advanced metering and meter information networks may
10 recover reasonable and necessary costs incurred in deploying
11 advanced metering and meter information networks. An electric
12 utility that elects to deploy advanced metering or meter
13 information networks is subject to commission rules adopted under
14 Sections 39.107(h) and (k). The commission shall ensure that any
15 deployment plan approved under this section and any related
16 customer surcharge:

17 (1) are not applicable to customer accounts that
18 receive service at transmission voltage; and

19 (2) are consistent with commission rules related to
20 advanced metering systems regarding:

21 (A) customer protections;

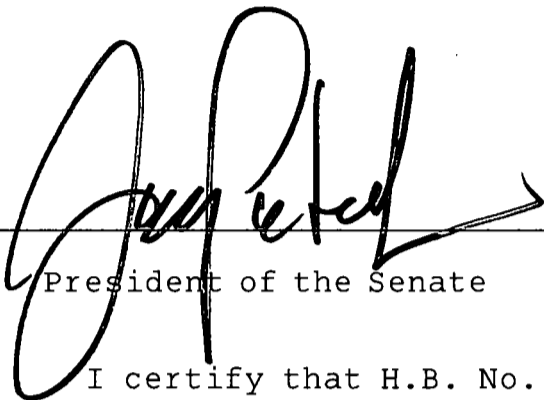

22 (B) data security, privacy, and ownership; and

23 (C) options given consumers to continue to
24 receive service through a non-advanced meter.

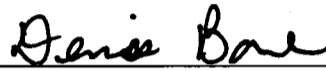

1 (b) An electric utility subject to this subchapter that
2 elects to deploy an advanced meter information network shall deploy
3 the network as rapidly as practicable to allow customers to better
4 manage energy use and control costs.

5 SECTION 2. This Act takes effect immediately if it receives
6 a vote of two-thirds of all the members elected to each house, as
7 provided by Section 39, Article III, Texas Constitution. If this
8 Act does not receive the vote necessary for immediate effect, this
9 Act takes effect September 1, 2019.
