Honorable Governor of Texas  
Honorable Members of the Eighty-sixth Texas Legislature  
Assembled in Regular Session

Ladies and Gentlemen:

We are pleased to submit for your consideration the 2020-21 Legislative Budget Estimates by Program (LBE by Program).

The LBE by Program is based on data collected per Section 34.06, Senate Bill 1, 82<sup>nd</sup> Legislature, 1<sup>st</sup> Called Session. It is a supplement to the 2020-21 Legislative Budget Estimates by Strategy which you have also received. The LBE by Program includes details on specific programs funded at state agencies, appellate courts and institutions of higher education. It also includes the sources of funding and related statutory authority.

This document contains recommended funding for the 2020-21 biennium, utilizing information requested via the Legislative Appropriations Request process. It also includes historical context for programs by including data for fiscal years 2017, 2018, and 2019.

On behalf of the members and staff of the Legislative Budget Board we wish to express our gratitude to the many dedicated officials and employees of state government who assist in generating State Budget by Program information. The Legislative Budget Board staff is honored and prepared to assist you in the forthcoming appropriations process. We look forward to answering any questions you may have about the information contained in the LBE by Program and on all other matters pertaining to the state budget and state fiscal policy as you carry out the duties of the 86<sup>th</sup> Legislature.

Respectfully submitted,

Julie Ivie, Sarah Keyton, John McGeady and Paul Priest  
Assistant Directors
