Hotel News

Depository
Dallas Public Library

For the STMP, springtime again brings: a) the last of the hotel contracts for this fiscal year, FY 2001; b) the half-price sale on the current Travel Directory; c) the time to negotiate new airline and hotel contracts for next fiscal year. In FY 2002, we will not be publishing the Texas State Travel Directory or the Travel-N-Texas newsletter.

Instead, the directory and the newsletter will be located on the STMP Web page for viewing and printing. Our plans are to have the Texas State Travel Directory available on the Web no later than August 31, 2001, and the TNT newsletter to follow every few months. Please view the Web site often for periodic updates.

NO NEW INTERIM hotel contracts are being accepted for the remainder of this fiscal year. Hotel contracts for FY 2002 went out in April, with a due date at end of May. If there is a lodging facility you would like to have on contract, please have the hotel representative view our Web site for a rate agreement.

IF YOUR STATE agency needs more travel directories for the remainder of this fiscal year, the cost is now \$2 per copy, plus applicable shipping. You can call, write, or e-mail us with your request.

THE NEXT STMP training class is scheduled for June 27. Contact our office if you would like to sign-up for this class.

THE 2000-2001 Texas State Travel Directory lists an international airport for Del Rio (Del Rio International Airport), when in fact, Del Rio does not have a commercial airport. The nearest commercial airports are in San Angelo (135 miles) and San Antonio (160 miles).

REMEMBER: Anytime you have a problem with a contract travel vendor, **please let us know**. The Vendor Feedback/ Incident Form on our Web site (address at bottom of page) is probably the easiest way, but we want to hear from you by whatever means of communication you choose. Don't forget we accept positive feedback, too.

AREA CODE CHANGE to 936 for Lufkin, Texas.

PLEASE LET US KNOW if you are a new state agency travel coordinator! Send us written notice (letter, FAX, or e-mail) with your name, title, phone and FAX numbers, and e-mail address. It is very important that we have the correct contact information for state agencies so we can communicate with you when necessary.

STMP INFORMATION
Have you ever wondered who to contact on the STMP travel team regarding airline, corporate travel charge card, rental car, or travel agency contract questions? Take a look at the Web page for Contract Administrator contact information.

Lately, due to the energy crisis, lodging establishments have been charging an "Energy Charge". This charge is reimbursable, according to the Comptrollers office, if the property states on the receipt that it is a mandatory fee. Also, when you submit your voucher for reimbursement, list the charge as an incidental expense.

THE STMP thanks the staff of Comfort Inn in Fredericksburg for providing outstanding customer service to the State of Texas travelers. Travelers have provided feedback indicating their stays have been enjoyable.

REMEMBER if you are going to book your hotel reservations on-line, you may want to confirm with the hotel directly before traveling.

Airline News

DID YOU KNOW? Airlines that assign seats in advance can deny a passenger from taking a pre-ticketed flight if the passenger does not have an assigned seat. Airlines oversell flights; therefore, it is important to have assigned seats. If none are available at the time of ticketing/booking, you should arrive at the airport at least an hour before your flight in order to ensure a seat assignment.

Charge Card

Tickets being refunded need to be disputed with Bank of America (BOA). Airlines typically take anywhere from 60 to 90 days to refund tickets and may possibly take even longer. To compensate for this time, the STMP is advising State Agencies Central Bill Account Program Administrator (PA) to fill out a dispute form for every ticket that will be refunded. The following process will help to ensure Central Bill Accounts (CBA) do not become delinquent due to ticket refunds. MasterCard only allows a dispute to be made within 60 days of the statement cycle end date in which the transaction occurred. The following information is needed in order to file a dispute: the state agency name, CBA account number, name and signature of the PA on the account, billing cycle end date, transaction date, reference number, merchant name, ticket number, posted amount, and the disputed amount. When you receive a statement that has a ticket that needs to be refunded, first notify the airline or travel agency and let them know the ticket needs to be refunded. Then complete the dispute form using the above information, have the appropriate person sign it, and FAX the completed form to BOA Commercial Claims Department at 888-678-6046. Keep track of the dispute by checking future CBA statements or call BOA Commercial Card Customer Service at 800-300-3084 to check on the status. Remember you only have 60 days from the date you receive the statement to dispute the unused ticket. A copy of the dispute form will soon be located on our Web page.

Rental Car News

New Rental Car Contract rates for January 1, 2001, through December 31, 2002, have been awarded to Advantage Rent-A-Car, Avis Rent A Car System Inc., and Enterprise Rent-A-Car. Please refer to our Web page below for contract rates and provisions.

ADVANTAGE RENT-A-CAR

recently lowered their rates on certain car categories. The new rates went into effect April 9, 2001.

AVIS RENT A CAR has a new reservation number and contact name when making reservations for a 15-passenger van. Please call Bobby Coronado at 512-530-3400. As of May 1, 2001, Avis has four new corporate owned locations: Abilene, TX; Midland, TX; Texarkana, AR; and San Angelo, TX.

ENTERPRISE RENT-A-CAR is now offering truck's and large SUV's. The rates for these types of vehicles went into effect April 9, 2001.

IN GENERAL, when you have a rental car booked and your flight is arriving late, call the rental car location directly to inform them of your new arrival time. If your flight arrives after business hours of the rental car company and you did not inform them of your new arrival time, there may not be a vehicle for you. Rental car companies do not monitor on-time or late-arriving flights. A traveler not arriving at the counter at the scheduled reservation time is considered a no-show and the reservation is cancelled.

THE NATIONAL HIGHWAY Traffic Safety Administration (NHTSA) has issued a warning that fully loaded 15-passenger vans (10 passengers or more) are three times as likely to roll over compared to the same vans carrying fewer than five passengers. The NHTSA has also advised that 15-passenger vehicles be operated only by professional, experienced drivers, not students or employees unaccustomed to driving such vans. The NHTSA warning also reinforces the value of seat belts. Their analysis shows that 80 percent of the people who died in single vehicle roll over last year were not wearing seat belts. The STMP will continue to monitor this situation. For now, here are a few suggestions that could save lives immediately if implemented and enforced at all times: limit the number of passengers in 15-passenger vans to 9 or fewer, allow only drivers with experience to drive these types of vehicles, strictly enforce seat belt use by all 15-passenger vehicle occupants at all times. The full text of the NHTSA announcement and the research note on which it is based can be found at the NHTSA web site at www.nhtsa.dot.gov.

THE RENTAL CAR SURVEY will be located on the General Service Commission's Web page in the near future. The STMP is requesting that every state traveler who utilizes our contract rental car vendors completes a survey. This enables the STMP to provide contract services that meets the needs of state travelers.

Travel Agency Update

We would like to welcome Tumbleweed Travel in El Paso as our newest contract travel agency. Their contact information is located on our Web page.

ADDITIONS & CHANGES TO HOTEL LISTING

9/1/2000-8/31/2001

TRAVELERS, please note: "Priority" or club rates at hotels DO NOT APPLY when you are using the state contract rates. DO NOT ASK FOR THEM. The contract rates are already discounted more than the club rate and are exactly what they are called—State of Texas contract rates. This means there is a signed contract between the State of Texas and the hotel for state business travelers to pay the agreed-upon amount.
