Travel Trivia

Welcome to FY 2001! This promises to be a busy year for the Travel Program.

STMP STAFF is in the process of issuing a Request for Proposal (RFP) for new rental car contracts, which will become effective January 1.

THE STMP is currently working with state agency and university travel coordinators on evaluating the contract procedures for several areas of our program, with an eye toward possible future modifications.

JANUARY brings the Legislature to town, and that always adds excitement since we never know what changes may occur.

THE NEXT STMP training class is scheduled for February 13. We will be sending out sign-up information in January.

Changes in Valid Exceptions

As some of you already know, the allowable exceptions that state travelers can use for using non-contract travel vendors changed effective August 14, 2000. Listed below are the new exceptions.

THE COMMISSION'S travel services contracts must be used unless at least one exception listed below exists. Exceptions 2-5 cannot be used with regard to Travel Agency contracts.

1. Contract travel agency alternative. Use of an authorized alternative method is allowable because the state traveler is already in travel status which renders the use of a contract travel agency impractical or unnecessary; airline reservations are not required; or travel is undertaken as part of a group program for which reservations must be made through a specified source to obtain a particular rate and/or service.

2. Lower total cost to the state. Use of a non-contract travel vendor is less than the contract fare or rate which is offered to the general public, and/or when all trip expenses are evaluated, including ground transportation, insurance fees, parking fees, taxes, and travel time, the use results in a lower total overall cost to the state. If the contract travel vendor offers the same lower fare or rate, the contract travel vendor must be used, unless a valid exception exists.

3. Efficient use of services. Use of a non-contract travel vendor is necessary because the contract travel vendor is sold out, is not able to provide services at the time or location necessary to accomplish

the purpose of the trip, has a real or anticipated labor disruption, or is providing negotiated rates for group travel.

4. Health and safety issues. Use of a non-contract travel vendor may be allowed when a state traveler finds that the accommodations provided by the vendor may reasonably present a risk to the state traveler or person under the state's custody in the following circumstances:

- a. Accommodations may lack a reasonable amount of security or safety, and/or may present a health risk based on the state traveler's individual needs;
- b. Accommodations fail to provide an adequate amount of services required for a person with disabilities; or
- c. Accommodations have limited availability of medical emergency facilities or equipment that may be required by a state traveler or person under the state's custody.

5. Corporate travel charge card alternative. Use of a personal charge card is allowable only for non-contract airfares used in accordance with this chapter if it offers insurance benefits not available from the state's corporate travel charge card contract.

THESE EXCEPTIONS, along with the complete text of the STMP's revised Travel Rules can be found on our Web site at www.gsc.state.tx.us/travel/index.html. Select Travel Rules, Subchapter A. The exceptions are in §125.19, item d.

Rental Car News

Fees/Surcharges

Mandatory fees have been added at several Texas Airports during the past year.

IF YOU ARE charged fees on your rental car bill from these locations that are classified as CFC or CRC, these are mandatory charges and must be paid by all renters, whether charged to a credit card or direct-billed to a state agency. Arena taxes (assessed for stadiums and special events centers) are applicable **only** on rentals paid by the individual renter, **NOT** on rentals direct-billed to state agencies.

BELOW IS a listing of mandatory fees/taxes applicable at airport rental locations in Texas.

City	Charge	Amount
Amarillo	Arena tax	5%
Austin - Bergstrom Int'l.	CFC	\$1.95/day
Austin - Bergstrom Int'l.	Arena tax	5%
Brownsville/Padre Island	Arena tax	5%
D/FW International	CFC	\$3/day
D/FW International	Arena tax	5%
Dallas Love Field	Arena tax	5%
El Paso	Arena tax	5%
Harlingen	Arena tax	5%
Houston Hobby	Arena tax	5%
Houston Intercontinental	Arena tax	5%
Lubbock	CRC	10%
McAllen	Arena tax	5%
Midland/Odessa	CRC	10%
San Antonio	Arena tax	5%

AGAIN, IF you are charged CFC or CFR fees at these locations, **EVERYONE MUST PAY** them. Arena Taxes are not payable on rentals billed directly to state agencies and universities from any rental locations in Texas.

Disabled travelers—

Did you know . . . you can rent a vehicle from our contract rental car vendors with hand controls, should you need them? Just call the customer service representative for the selected vendor, listed on page 25 in the *2000-2001 Texas State Travel Directory*, to reserve a vehicle with hand controls installed.

Reminder to renters—

If you leave an item in the rental vehicle when you turn it in at the end of the rental, the rental car company is not responsible for getting it back to you. The responsibility is yours alone. There is no insurance in the State's rental car contracts for property you might place or transport inside a rental vehicle.

ADVANTAGE

The Advantage location at 1100 East Airport Freeway #192 in Irving closed, effective September 30, 2000. To accommodate the State's rental car needs, Advantage has opened rental locations at 3331 Haggard Way in Dallas, phone 972-458-2886, and 1200 West IH-20 in Arlington, phone 817-472-0776. There is also a new Advantage location at John Roberts Lexus/BMW, 9910 Stonelake Blvd. in Austin, phone 512-346-8583.

IN ADDITION, Advantage is now in-terminal at Corpus Christi International Airport. This will be a big help for travelers flying into that city.

ALSO, ADVANTAGE now has a location serving Lindbergh International Airport in San Diego, CA. It is located just across the street from the airport entrance at 1025 West Laurel Street, #105. The location will pick up customers at the airport terminal.

ADVANTAGE HAS a paid parking lot at the San Antonio airport in which renters can leave their personal vehicles when renting from them. The fee is discounted to \$5 per day for state renters. This parking charge is reimbursable under the Comptroller of Public Accounts' guidelines. **However**—parking charges **CANNOT** be direct-billed to state agencies, so renters must pay them at the rental location and request reimbursement through the reimbursement process

ENTERPRISE

Enterprise has closed its location at the Bryan/College Station airport, effective October 25, 2000.

Change in Contract Airline

The contract with Delta Airlines for the Beaumont, TX to Dallas/Ft. Worth, TX (BPT-DFW) city-pair was canceled, effective November 1, 2000. Delta is no longer providing service in this market.

THE STMP has negotiated a contract with American Airlines, effective November 6, 2000, to provide service in this market through the end of this fiscal year (August 31, 2001). The one-way contract base airfare with American is \$96.74.

ADDITIONS & CHANGES TO HOTEL LISTING

9/1/2000-8/31/2001

(C) = Commissionable to Travel Agencies
(H) = Qualifies as HUB
B + B = Bed + Breakfast
BR = Bedroom

For Key to Amenities, see pages 47-49 in the
2000-2001 Texas State Travel Directory

TRAVELERS, please note: "Priority" or club rates at hotels DO NOT APPLY when you are using the state contract rates. DO NOT ASK FOR THEM. The contract rates are already discounted more than the club rate and are exactly what they are called—State of Texas contract rates. This means there is a signed contract between the State of Texas and the hotel for state business travelers to pay the agreed-upon amount.
