Travel Trivia

For the STMP, springtime again brings: a) the last of the hotel contracts for the fiscal year; b) the half-price sale on the current Travel Directory; c) the time to negotiate new airline and hotel contracts for next fiscal year; and d) the beginning of production on the Travel Directory for next fiscal year. This year, we will also be evaluating the current rental car contracts to determine whether to negotiate new ones, plus, we are continuing the ongoing conversion of Bank of America as the new corporate travel charge card vendor.

NO NEW INTERIM hotel contracts are being accepted for this fiscal year. Hotel contracts for FY 2001 go out in April, with a due date of the end of May. If there is a lodging facility you would like to have on contract, please have the hotel representative call us to request a contract.

IF YOUR STATE agency needs more Travel Directories for the remainder of this fiscal year, the cost is now \$2 per copy, plus applicable shipping. You can call, write, or e-mail us your request.

NEXT MONTH, we will be sending a rental car survey to state agency travel coordinators requesting information on the level of satisfaction with the rental car contractors, Advantage, Dollar, and Enterprise. If you have

feedback you would like brought to our attention, please notify your state agency travel coordinator or go to the STMP Web page and complete the Vendor Feedback/ Incident Form. This information will help us determine whether to go out for bids for new contracts.

REMEMBER: Any time you have a problem with a contract travel vendor, please let us know. The Vendor Feedback/Incident Form on our Web site (address at bottom of page) is probably the easiest way, but we want to hear from you by whatever means of communication you choose.

TRAVEL COORDINATORS: If you are not receiving enough copies of this newsletter, please let us know and we will increase your quantity. **Travelers:** If you do not receive the newsletter and would like to, please contact your state agency travel coordinator to request one.

PLEASE let us know if you are a new state agency travel coordinator!

SEND US written notice (letter, fax, or e-mail) with your name, title, phone and fax numbers, and e-mail address. It is very important that we have the correct contact information for state agencies so we can communicate with you when we need to.

Rental Car News

ADVANTAGE RENT-A-CAR recently opened in-terminal at McAllen's Miller International Airport and in the new D/FW state-of-the-art rental car compound.

Please DO NOT ask Advantage to remove seats from their mini-vans when you rent them. If you want a seat out, you will have to take it out yourself and put it back before you return the vehicle.

DOLLAR RENT A CAR SYSTEMS, INC., has purchased its licensee locations in San Antonio, Corpus Christ, Brownsville, Harlingen, Midland, and Abilene. This should make it easier to obtain the contract provisions in these cities.

Dollar has again changed their customer service telephone numbers. The current numbers are 888-200-5072, 918-669-3246, or 918-669-2944.

ENTERPRISE RENT-A-CAR is now open in the new D/FW state-of-the-art rental car compound from 6 a.m. to 11 p.m., seven days a week.

They expect to open in McAllen's Miller International Airport in the near future.

Contract Airfares

State contract airfares ARE NOT to be used for group travel. If you are booking for more than nine people on the same flight, you cannot get the contract airfares. If you are booking ten or more tickets, the travel agency may be able to get a group rate for you directly from the airline.

Travel Coordinators: If you have a non-employee traveler whose contract airfare has been charged to your BOA Central Bill Account, PLEASE PROVIDE THAT INDIVIDUAL WITH A LETTER that states they are entitled to the contract airfare so they will have it to present to the airline check-in people if questioned. If they do not have some kind of authorization and there is a question about the reservation, they may have to purchase a full-price fare at the airport in order to travel. The letter should include: a) the traveler's name, b) the dates of the travel, c) the departure and destination cities of the trip, and d) the confirmation or ticket number, if possible.

On-line Hotel Bookings

We have been getting calls from travelers about on-line companies that sell hotel rooms. There are several reasons why you SHOULD NOT use them.

1. **State** business travelers are required to use the contracted hotels unless one of the allowable exceptions exists.
2. **The** contracts through these sites are with the booking company, not with the hotel, and the receipt will be from the company, not the hotel. The Comptroller's office will not accept this receipt for reimbursement purposes.
3. **If** you reserve a room through the booking site and have to cancel the trip, you WILL NOT get your money back. If the cancellation is not for business purposes, you will not be reimbursed by the Comptroller's office.
4. **Using** these booking sites takes business away from the hotels which contract with the State in order to obtain a larger market share. If travelers book through these Internet companies, the hotels will lose business and may stop contracting with the STMP.
