GENERAL SERVICES COMMISSION

AUSTIN, TEXAS

GENERAL INFORMATION CAPITOL COMPLEX TELEPHONE SYSTEM (CCTS)

Telephone service to the Capitol Complex is currently provided by a centralized telephone system (CCTS). Many features are provided to increase the capabilities of your telephone service. Please read the user's guide provided with each telephone installation for an explanation of all these features. Additional guides are available through your agency telephone coordinator.

Reporting Personnel Changes - If personnel or telephone number changes occur, please advise your agency telephone coordinator so the data base can be updated for the CCTS operators.

CCTS Information	463-3449
Customer Service.....	305-9100
Directory Purchases	463-3452
Telephone Trouble Reports	4-HELP
Capitol Operators	"0"

CAPITOL COMPLEX TELEPHONE SYSTEMS (CCTS) INFORMATION

State Operator Information - CCTS telephone users dial "0". Off complex callers dial 463-4630. State operators can assist you with state agency directory information.

Outside Operator (SWB) - Dial 9, then "0"
(AT&T) - Dial 9, then "00"

Trouble Calls - Please dial **4-HELP** (463-4357) to report CCTS phone trouble. If you are located off the Capitol Complex, please dial 475-4357.

CCTS Station-to-Station - Wait for dial tone, then dial the last 5 digits of the CCTS phone number. The following prefix (NNX) numbers are linked to the CCTS and can be 5-digit dialed: 305, 322, 463, 475 and 936. For all other prefixes, you must dial "9" and the regular 7-digit telephone number.

Example: To call 463-1234, dial 3-1234
To call 475-1234, dial 5-1234
To call 305-1234, dial 5-1234
To call 936-1234, dial 6-1234
To call 322-1234, dial 2-1234

Local Calls - Wait for dial tone, dial "9" to get an outside line, then dial the regular 7-digit telephone number.

Long Distance Calls - Wait for dial tone, dial "9" to get an outside line, then dial the area code and the 7-digit telephone number.

International Calls - Wait for dial tone, dial "9" to get an outside line, then dial 011 + Country Code + City Code + Local Number. Note: To dial Canada or the Caribbean, dial "9", then dial 011 + Area Code + Local Number.

Your telephone system has many convenient features, some of which include call forwarding, abbreviated dialing, auto dialing, last number redial, call pick-up, call-back and conference. For answering positions or any group answering a large volume of calls, Automatic Call Distribution (ACD) is also available. For more information about these features, consult your user's guide, or call a TSD representative at 5-9100.

Voice Mail - Voice mailboxes are available on the CCTS. Mailboxes allow users to receive messages from callers when they are away from their desks or on their telephones. Specialized mailboxes can be customized for specific applications for your agency. For more information on voice mail, please contact a TSD representative at 5-9100.

Training - CCTS offers free training classes for the telephone and voice mail systems. To register for a Voice Mail training class, please call 6-6666. To set up a telephone training class for your agency, please call 5-9100.

Conference Calls - The CCTS system can support small conference calls (maximum seven parties). Please refer to your telephone user's guide or call 4-HELP for assistance.

Should you require a conference set-up of more than seven callers, you may wish to use the conference bridge. To schedule a conference on the conference bridge, please call 475-2401.
