Travel Trivia

The new Travel Directories went out in late August and early September. Our terrific Mailroom staff got them out faster than ever before. (They shipped all 15,500 '98 directory orders in one day!) If you need more: Travel Coordinators, call our office. Travelers, call your state agency travel coordinator. Cost is \$4, plus shipping for non-interagency mail orders.

THERE ARE more hotels in this Travel Directory than ever before. Remember: The hotel contracts in the previous directory are no longer in effect. All of them changed on September 1. Only the hotels in the 98-99 Directory and this newsletter are valid for FY99.

THERE HAVE been problems with some of the airline contact awards, so some of them have been re-awarded. See article for details.

WE ARE awarding new rental car contracts this Fall. Look for details as soon as the awards are finalized. If the vendors change, the electronic payment information will also change.

Electronic Payments to Vendors

As you people who pay the State's bills already know, effective September 1, state agencies are required to pay all vendors by electronic funds transfer (EFT). For travel, this means the American Express Business Travel Accounts (BTAs) and direct-bill accounts with Avis and Advantage rental car companies. All of these vendors were set up for EFT several years ago. Do not attempt to establish your own mailcodes for paying these vendors. GSC is the custodial agency for these travel vendors and is the only agency authorized to establish payment accounts.

American Express

Approximately 40 agencies were already paying American Express electronically. The procedure is pretty simple, and all agencies were sent instructions in August. The most frequent problems we encounter with this procedure is people not entering the American Express account number in the correct place (the invoice number field) on the correct pay code screen (247), or entering the wrong or no account number. When these things happen, the account number does not transmit to American Express and they don't know where to apply the money. If you want to be sure your payments are credited correctly, follow the instructions exactly. If you don't have the instructions or have questions about them, call 512-475-2383.

Rental Cars

A few state agencies have been paying the rental car companies electronically. This is more difficult because rental car companies credit payments by specific rental. Therefore, you still have to submit paper documentation to show which rentals you are paying. Here are a few simple procedures that will make things easier.

1. If you are paying for only one rental, put the rental/rental agreement number in the invoice number field. In this case, you should not have to submit the paper documentation to the vendor.
2. If you are paying for more than one rental, put your agency's assigned number, for Advantage, or billing number, for Avis, in the invoice number field. For both vendors, you will need to fax a list of names and rental numbers (a voucher summary works well) to the appropriate contact, telling them electronic payment has been sent for the listed rentals. For Advantage, fax this list to Teddy Hummel at 210-341-9716. For Avis, fax it to Mary Lane at 757-687-2505.

If you have questions, call 512-475-2383.

Changes in Airline Contracts

Several changes have occurred to the contract airfares since Fiscal Year 1999 began. All changes to the contract airfares are listed below.

TWENTY-ONE contracts awarded to Austin Express were canceled, effective September 20 and October 14, 1998. New contracts, effective September 21, were established with American and Continental in 18 of the 21 markets. The Austin, TX -Corpus Christi, TX (AUS-CRP) city-pair was awarded to Continental Airlines, effective October 15, 1998.

ALSO, FOUR of the five contract city-pairs awarded to Aspen Mountain Air were canceled, effective October 14, 1998. These city-pairs will not be awarded to another carrier.

FY 1999 Airline Tax Adjustments

Effective October 1, there was an adjustment in the Federal Excise Ticket Tax. This adjustment is part of the Reconciliation Revenue Act of 1997. The flat tax dropped to 8%, while the fee per segment increased to \$2.

Directory Corrections

Once again, you will need to make some corrections in your new Travel Directory—the 98-99 (blue) one. (Sorry, folks, we're not perfect yet.)

1. On **page 18**, the Avis rates are not correct. They are all 50¢ too high. They should be \$37, \$37, \$38, \$40, \$40, \$50, \$60, and \$55.50. For the weekly rates, multiply the daily rates times six; for monthly rates, multiply the weekly rates times four.
2. On **page 119**, the area code on the phone number for the La Quinta Inn should be 830.
3. On **page 216**, the correct phone number for the Omni is 210-691-8888.

CLARIFICATION: On page 49, under Taxes, it implies that employees of institutions of higher education are exempt from all hotel taxes. This is not correct. They are exempt only from state hotel occupancy taxes. They must pay the county and municipal taxes. (See page 44 of the *State of Texas Travel Allowance Guide* published by the Comptroller of Public Accounts, dated January 1998.)

IF YOU DISCOVER any other items in the Directory that require correcting or clarification, please let us know.

Vehicle Fleet Maintenance Garage Reopens

All of you who travel in state-owned vehicles will be happy to know the Fleet Maintenance Garage reopened on October 1. It is available for routine maintenance and repair work on any state-owned vehicle.

AGENCIES IN Travis County are encouraged to take their vehicles in for service, as needed. Some major and specialized repair work may be contracted out to private repair shops if necessary. However, these contracts will be handled by the Fleet Maintenance Garage.

THE BIG advantage to state agencies in using the Fleet Maintenance Garage is the convenience of one-stop shopping. And agencies will be billed on ITVs for easy, electronic payment of services.

FOR MORE information or to arrange repairs, call Mike Weaver at 512-463-4811 or page him at 875-5374. The garage is located at 6505 Bolm Road in Austin.

Charge Card Reminders

Program Administrators, when an employee leaves your agency, PLEASE cut up the charge card immediately! Don't put it aside, thinking you'll do it later. You can't be sure someone else won't pick it up and use it fraudulently. Then, call or fax the cancellation notice to American Express at the first opportunity.

HOW DO YOU know a "retail" charge on a state-issued American Express card is allowable? The guiding principle is: *Do I need this item to do my job for the state?* Or, did the employee need this item to do his or her job? If the answer is "no," it should not be put on the state American Express card. If the answer is "yes" and the individual is in travel status, the charge is allowable, even if it is not reimbursable. If the individual is not in travel status, he or she should find another way to pay for the item—either with the Purchasing Card or with a Purchase Order. **The state-issued American Express card is for travel-related charges only.**
