Public meetings scheduled

DART needs your input for the 2030 Transit System Plan

Learn about DART's plans for the next generation of transit and provide input on the Technical Report of the Draft 2030 Transit System Plan during a series of public meetings scheduled throughout DART's service area August 28-September 25.

DART representatives will provide an overview of the Technical Report of the Draft 2030 Transit System Plan regarding future rail corridors and economic development opportunities, as well as proposed HOV lanes, bus and rail services. The 2030 Transit System Plan is the long-range plan for public transit, reflecting local and regional goals for mobility in the DART Service Area.

Each 2030 Transit System Plan meeting includes an open house and a presentation. Plan to attend at these times and locations:

When: Monday, August 28
6 p.m. Open House
6:30 p.m. Presentation/Public Comment

Where: **Dallas West Branch Library**
2332 Singleton Blvd., Dallas, MAPSCO 43-R
