DART's Annual Holiday Stuff a Bus Event Returns December 14

With the holiday season just around the corner, Dallas Area Rapid Transit (DART) is reaching out to all DART riders to support the annual "Stuff a Bus" event scheduled for Friday, December 14. The initiative will deliver socks and blankets to area nursing facilities - as well as unwrapped toys and canned food for children and families in need throughout the North Texas area.

This year's event will take place on December 14 at [Mockingbird Station](#) (5465 E. Mockingbird Lane, Dallas) near the intersection of North Central Expressway and Mockingbird Lane from 6:00 a.m. until 5:00 p.m. Mockingbird Station is served by DART's Red, Blue and Orange lines.

KKDA-FM 'K-104' and 'Smooth R&B 105.7' KRNB-FM are co-sponsors of the event again this year and will be live broadcasting their morning shows from the event with a special appearance from Santa.

DART's "Stuff a Bus" is an annual campaign put on by DART bus operators and police officers. It combines two employee sponsored drives, Santa Cops and Comforting of the Souls, to fill a bus with donations. With a goal of helping 200 families this year, in 2017 the "Stuff a Bus" event provided 2,000 pairs of socks and 850 blankets to 27 nursing facilities.
