**April 28 Public Meeting Scheduled**

**DART Northwest Irving/DFW Corridor Light Rail project reaches next stage**

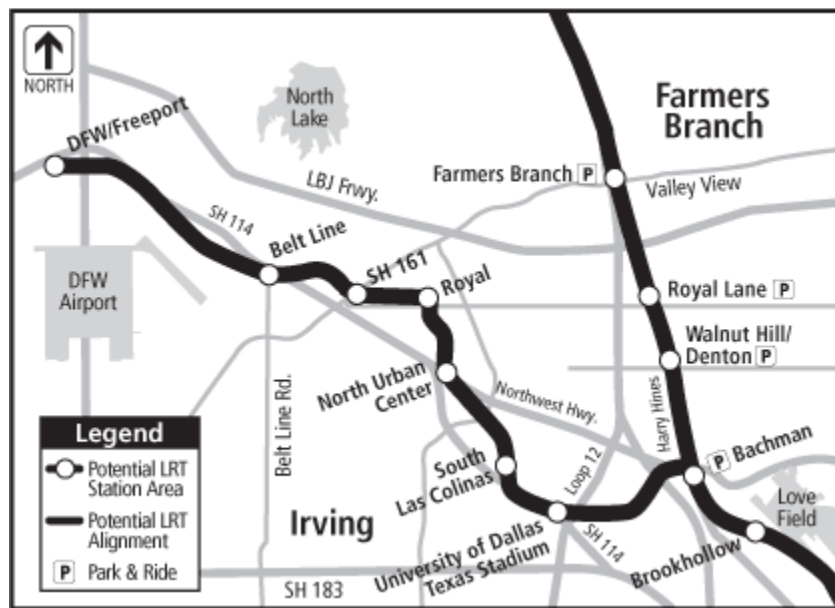

DART representatives will present an overview of the Northwest Irving/DFW Corridor Light Rail project at a public meeting on Wednesday, April 28. The project will extend light rail service to DFW Airport from the future Bachman Station in northwest Dallas.

At the meeting, DART staff will provide details on the Environmental Analysis stage, which examines the impact the project will have on physical, social and natural environments. Other topics to be discussed include:

- Identification of alternative rail alignments
- Evaluation of alternative rail alignments

The Northwest Irving/DFW Corridor meeting will be held:

**When:** 7 p.m., Wednesday, April 28  
**Where:** Irving Arts Center (Suite 200)  
3333 North MacArthur Blvd.  
Irving, Mapsco 31B-A

Persons with questions about the meeting may contact DART Community Affairs at 214-749-2543.

Additional information about the Northwest Irving/DFW Corridor Light Rail project is available on DART's website, [DART.org](http://DART.org).
