Test-drive DART to the 2006 Dallas Auto Show

Cruise the DART Rail [Red](#) or [Blue](#) Line to the 2006 Dallas Auto Show at the Dallas Convention Center April 5-9 to see more than 700 of the latest auto styles from every major auto manufacturer.

It's easy to get there using DART:

1. Purchase a Day Pass for \$2.50 from a ticket vending machine at any [DART Rail Station](#).
2. Take the train directly to [Convention Center Station](#).

Auto enthusiasts from Tarrant County can take the [Trinity Railway Express](#) to [Union Station](#) and transfer to DART Rail to get to Convention Center Station - it's the very next stop on both the Red and the Blue lines. The cost is just \$4.50 for a round-trip.

New to the show this year: the chance to get behind the wheel of a Tacoma or Tundra 4x4 pickup truck and put it to the off-road test at the Toyota Off Road Onsite Adventure, a challenging course containing 550 tons of dirt and gravel.

The cost for adults is \$10, and senior citizens pay \$5. Children 12 years old and under get in free. Visit www.dallasautoshow.org for show information.
