The financing of facilities under this subsection may be made through a long-term agreement with another member institution, political subdivision, or other entity described by this subsection, or through a guarantee of any bond, note, or other obligation. Any bond, note, or other obligation issued or a long-term agreement or guarantee made under this subsection may not exceed a term of 40 years.

5 appropriation.

6 (h) The financing of facilities under this section promotes  
7 the public purpose of supporting higher education and further

17 by law, all or any part of the available revenues, taxes, or any  
18 combination of revenues and taxes of the member institution,  
19 political subdivision, entity, or nonprofit corporation. The  
20 amount of a pledge made under this subsection may not be reduced or  
21 abrogated while any bonds, notes, or obligations for which the  
22 pledge is made, or bonds, notes, or other obligations issued to

10 execution of agreements, the pledge of revenues, taxes, or any  
11 combination of revenues and taxes, and the performance of other  
12 acts and procedures authorized by this section without reference to  
13 any other provision of law or any restriction or limitation  
14 contained in those provisions, except as specifically provided by  
15 this section. To the extent of any conflict or inconsistency  
16 between this section and any other law, this section shall prevail
