Mayor's Message

Dan Reese

Fiesta! On April 2 we celebrated Fiesta Especial Inclusion 5K and Parade here in our great city. Fiesta events are scheduled through April 10th. It is great to be able to get out and enjoy each other. I am looking forward to many more outdoor activities as we enter the warmer months.

Windcrest Pool – At the February 7th meeting, the Council voted unanimously to hold a Bond election in the amount of 5 million dollars to build a new aquatic center. The Election will be in May and the City will provide more information including potential tax implications to the Citizens before the election. Now that the Bond election has been called, the Council and the City are prohibited from taking an official position for or against the Bond. It is the responsibility of the City to provide information on the project and the cost and you will see that information soon.

Elections – For those of you who voted in the March primary elections you know that Windcrest was not a voting site for the primaries. The locations are decided by Bexar County Elections. We have confirmed that Takas Park will be a voting location for the May Election.

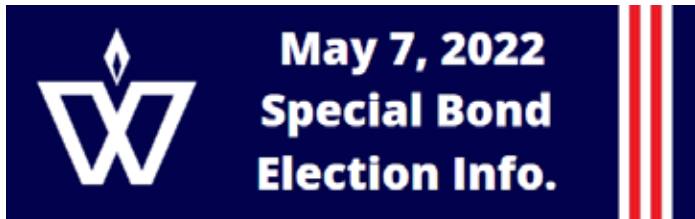

Congressional Representative – During the last Redistricting process, the City of Windcrest was changed from Congressional District 28 to District 21. That means that our current Congressional Representative is Chip Roy. Representative Roy is up for reelection in November. He will be opposed by the winner of the May 24th Democratic Primary Runoff that includes Ricardo Villarreal and Claudia Zapata.

Fire Chief – The City Council selected Ivan Hernandez as the new Fire Chief for the City of Windcrest. Ivan comes to Windcrest with over 20 years as a Career Firefighter/Paramedic. In addition to being a certified Firefighter, he has experience as an Arson Investigator. We are truly blessed to have Ivan as our Fire Chief and we look forward to him leading our Fire Department to the next level.

Windcrest Cares – Some of you may remember a few years ago when I began a process for citizens to reach out for help. I was recently contacted by a resident to begin that process again. Our citizens care deeply for each other and are willing to help when asked. There are those in our community that need help and we have citizens that are willing to help. These should be small tasks that can be done on a Saturday morning. We have helped in many ways, even a small task of lifting a salt bag to refill a water softener. If you need help or would be willing to be part of a team, contact me at neigh.4.neigh@gmail.com.

I am continuing my “Coffee with the Mayor” every Saturday that I am in town. Please see my Facebook page (Dan Reese, Mayor, City of Windcrest) for updates. We begin at 8:30 at Las Palapas on Walzem. You are welcome to come anytime you wish and leave as you need to.

“The credibility of the message is intrinsically tied to the integrity of the messenger.”
-Chip Ingram

The City of Windcrest is holding a Special Bond Election in the May 7, 2022 Election. The item on the ballot is Proposition A, for the purpose of designing, acquiring, constructing, and equipping a new aquatic center at Jim Seal and Crestway Drive as part of the City's public park system. City Council approved Ordinance 2022-002(O), calling a bond election authorizing to issue and sell one or more series of general obligation bonds of the City in the aggregate principal amount of not more than \$5 million.

“THE ISSUANCE OF NOT TO EXCEED \$5,000,000 OF CITY OF WINDCREST, TEXAS GENERAL OBLIGATION BONDS FOR A NEW AQUATIC CENTER AT JIM SEAL AND CRESTWAY DRIVE, AND THE LEVYING OF A TAX IN PAYMENT THEREOF.”

What is the estimated cost of Proposition A?

Proposition A is estimated to have a debt tax rate impact of approximately \$0.0294 cents per \$100 Assessed Valuation. A tax rate increase of \$0.0294 cents per \$100 valuation would affect property owners as follows:

ESTIMATED HOMESTEAD RESIDENCES IMPACT

TAXABLE VALUE	TAX IMPACT	MONTHLY TAX IMPACT	ANNUAL TAX IMPACT
\$200,000	\$0.0294	\$4.90	\$58.83
\$250,000	\$0.0294	\$6.13	\$73.50
\$300,000	\$0.0294	\$7.35	\$88.20
\$350,000	\$0.0294	\$8.58	\$102.90

Early voting and election day voting will be available at the Takas Park Civic Center, 9310 Jim Seal Dr. Early voting begins Monday, April 25 and ends on Tuesday, May 3, 2022. Election day is Saturday, May 7, 2022. Any registered voter may cast their ballot at any location within Bexar County. For additional vote center information, please refer to www.windcrest-tx.gov/510/elections.

Have additional questions regarding the Bond Election? Want to know more about the proposed aquatic center concept shared at the community meetings? Refer to the City's Election webpage at www.windcrest-tx.gov/510/elections. Stay connected and informed. Refer to the FAQs for additional information. Share your questions with us. Others may be wanting to know the same information. Questions may be submitted to citysecretary@windcrest-tx.gov.

"Between the thin Blue Line & the thin Red Line lies the thinnest Gold Line. The Gold Line represents those who are rarely seen, but mostly heard. The calm voice in the dark night. DISPATCHERS, the golden glue that holds it all together". Unknown

April 10 – 16, 2022 is National Public Safety Telecommunicators Week. Every year during the second week of April, the telecommunications personnel in the public safety community are honored. This week-long event is a time to celebrate and thank those who dedicate their lives to serving the public. It is a week that should be set aside so everyone can be made aware of their demanding work and dedication. The Windcrest Police Officers appreciate our dispatchers very much! They are a major portion of the support we need to perform our jobs as effectively and efficiently as possible. THANK YOU, Communications Unit, for all you do. Like our FB page – <https://www.facebook.com/WindcrestPD> – and monitor our page. This month we will spotlight our dispatchers.

The spring and summer activities are going to start picking up. This month the city will be hosting the Fiesta Especial Run and Parade. Mark your calendar for April 2nd, come out and get in on the fun.

By the time you get this the big Fiesta Celebration taking place in our largest suburb, San Antonio, would have started. There will be many activities taking place in the San Antonio area, especially downtown. If you partake in these activities where alcohol is involved, please drink responsibly, and have a designated driver.

We recently had a "Coffee with Cops" event. We had a good turnout, but we would love to see more. Keep an eye on our Facebook page to see when we will have our next. We really appreciate the support of our community. Thank you for that.

Until next month, be safe!

Digital & Social Media Marketing

Everyone knows that the benefits of using social media for business are imperative to attract customers and to increase market reach and visibility. The use of “#” otherwise known as hashtags and then including a short motto or tagline afterward (**#LiveLocalWindcrest**) helps to “Brand” that business, area, or event. These are vital tools that expand a page’s reach and are not limited to just that page’s followers.

The brains behind developing Windcrest exclusive hashtags are Board Member, Susie Hamilton and her volunteer committee which includes board members, WEDC staff, and our volunteer webmaster.

On March 2, 2022, the committee placed a poster in our Business of the Month (Urban Air) asking visitors of that business to tag us by doing the following:

1. Take a photo in a Windcrest Business
2. Tag @WindcrestEDC on Instagram, Facebook, or TikTok and add #WindcrestWin to enter a monthly drawing for prizes.
3. Follow @WindcrestEDC to see winners and learn about other Windcrest Businesses.

In this instance, the WEDC and Urban Air have offered to enter visitors in a monthly drawing for a prize. Using the #WindcrestWin promotes the business, the contest, and the City of Windcrest with just a few words, photos, and/or comments on social media.

Look for more **#WindcrestWin** opportunities. We appreciate your support of the Windcrest community and choosing to **#LiveLocalWindcrest**.

Windcrest Women's Club

By Jennifer Newman

The Windcrest Women's Club held the annual Founder's Tea on February 23rd at the Windcrest Civic Center. The event was a tremendous success!

Founder's Tea is a long tradition of the Windcrest Women's Club featuring beautiful tablecloths, floral & antique tea sets for centerpieces, and Earl Gray tea served from a silver teapot at one end of a long center table and coffee at the other with lots of sweet & savory treats to stave off hunger.

Traditionally, past club presidents are recognized and given a rose at the tea. Past Presidents recognized this year were Lori Bocquin (1979-1980), Carol Essenpreis (1973-1975), Lois Wooton (2010-2012), Lea Fagin (2014-2015, & current president, Liz Dick (2020-2021).

Our special guests were Ms. Amanda Yruegas, Family Service head from Walzem Elementary School, and Ms. Victoria Watson, Music Department Head for Krueger Middle School. The Windcrest Women's Club presented checks to help support their students' program needs.

Code Compliance & Enforcement

By Officer Selena Breland

Spring has sprung and as a result, April brings us the scent of fresh cut grass, National Burrito Day, yellow Daffodils, Easter Lilies, and warm afternoon strolls through the neighborhood while admiring the newly bloomed flower gardens. April also hosts National Peanut butter and Jelly Day; International Autism Awareness Month and Deep-Dish Pizza Day so grab a friend for a picnic in the park.

It is time to clean up and dispose of any unwanted items from inside and outside your homes. The city-wide brush pickup is scheduled to start on April 11th thru April 29th. Check **YOUR** pickup times and plan to maintain the 5x5x5 cubic yard each resident is allotted for bulk pick up. Remember not to block sidewalks and roadways with discarded items and **do not** place items out too early.

Continue to clean your back yards and prepare for those backyard barbecues you have been looking forward to, do not forget about your swimming pool maintenance, and to keep up with the grass on your properties. Trim your bushes away from streets and sidewalks to maintain an obstruction free zone for our walkers and driver's. If you have plans to build on your property, remember to check with our permits office to make sure you get the correct permits and in the proper setbacks.

If you need any assistance or want to report a violation of the Windcrest City Code, please contact your Code Enforcement Officer via the Windcrest Police Department Dispatcher at 210-655-2666 or send me an email thru the link provided within code enforcement site located on my page. Enjoy the weather and I look forward to seeing all your gardens!

Earth Day Plant a Tree

By Jenny Castillo, Neighborhood News Staff Writer

Trees are essential to the environment—but they’re essential to our lives as well. The Giving Tree, a children’s book by Shel Silverstein, highlights the giving nature of trees.

Whether we realize it or not, trees are part of the most cherished moments of our family lives. How many swings have swayed from tree branches, how many tree canopies have provided respite from the hottest of summer days, how many trees have we planted in memory of loved ones or life events? On this Earth Day, April 22, 2022, I invite you to revisit the lessons we can learn from trees, and plant a tree(s) in your yard or community to continue the legacy trees represent.

They are among the oldest living things on earth. The age of a tree depends on the species. Some trees can live hundreds or even thousands of years. How amazing it is to think that some trees have experienced times and events we can only read about in history books. Trees are a repository of information, through their rings, they reveal to us climatic changes and other natural events of the past.

The Arbor Day Foundation is a nonprofit organization whose mission is “to inspire people to plant, nurture, and celebrate trees.” Many organizations both local and national are dedicated to promote understanding about the myriad importance of trees. I invite you to learn more about tree planting efforts in your community.

Reasons to plant trees are many, and different for us all. Use the following list as a starting point—the planting of a seed—for the environmental wellness of future generations.

- Trees fight climate change
- Trees clean the air and help you breathe
- Trees prevent soil erosion and rainwater runoff
- Planting trees is easy
- You’ll save money
- Trees increase your home’s value
- You’ll attract birds (and critters)
- Trees are good for your mental and physical health
- You’ll be giving your descendants a gift
