10 (A) a district under Subchapters A, E, and F,
11 Chapter 375, Local Government Code; or

12 (B) a municipality or county under Subchapter A,
13 Chapter 372, Local Government Code;

14 (3) provide or secure the payment or repayment of any
15 bond, note, or other temporary or permanent obligation or
16 reimbursement or other contract with any person, the costs and
17 expenses of the establishment, administration, and operation of the
18 district, and the district's costs or share of the costs or revenue
19 of an improvement project or district contractual obligation or
20 indebtedness by or through:

21 (A) the imposition of an ad valorem tax,
22 assessment, user fee, concession fee, or rental charge; and

23 (B) any other revenue or resources of the
24 district, or other revenue authorized by the city, including
25 revenue from a tax increment reinvestment zone created by the city
26 under applicable law;

27 (4) establish user charges related to the operation of

1 storm-water facilities, including the regulation of storm water for
2 the protection of water quality in the district;

3 (5) establish user charges for the use of nonpotable
4 water for irrigation purposes, subject to the approval of the
5 governing body of the city;

6 (6) undertake separately or jointly with other
7 persons, including the city or Dallas County, all or part of the
8 cost of any improvement project, including an improvement project:

9 (A) for improving, enhancing, and supporting
10 public safety and security, fire protection and emergency medical
11 services, and law enforcement in and adjacent to the district; or

12 (B) that confers a general benefit on the entire
13 district or a special benefit on a definable part of the district;
14 and

15 (7) enter into a tax abatement agreement in accordance
16 with the general laws of this state authorizing and applicable to
17 tax abatement agreements by municipalities.

18 (b) The district may not impose an ad valorem tax to pay for
19 an improvement project under this chapter unless the imposition is
20 approved by the voters of the district voting at an election held
21 for that purpose. The board may call an election to approve the
22 imposition of an ad valorem tax to pay for an improvement project
23 under this chapter only if the board receives a petition requesting
24 the election signed by:

25 (1) more than 65 percent of the record owners of real
26 property in the district subject to taxation; or

27 (2) owners representing more than 65 percent of the

1 appraised value of real property in the district subject to
2 taxation, as determined by the tax rolls of the appraisal district.

3 Sec. 3871.152. BORROWING MONEY. (a) The district may
4 borrow money for a district purpose by issuing or executing bonds,
5 notes, credit agreements, or other obligations of any kind found by
6 the board to be necessary or appropriate for any district purpose.
7 The bond, note, credit agreement, or other obligation may be
8 secured by and payable from ad valorem taxes, assessments, a
9 combination of ad valorem taxes and assessments, or other district
10 revenue. The governing body of the city must approve the issuance
11 of bonds, notes, credit agreements, or other obligations of the
12 district, in general terms before the preparation of preliminary
13 official statements or loan closing documents, as provided by the
14 development and operating agreement approved by the city in
15 accordance with Section 3871.160, or by separate action.

16 (b) The governing body of the city must approve the final
17 terms of the bond issuance, note, or credit facility, including the
18 principal amount, note amount, interest rate or rates, redemption
19 provisions, and other terms and conditions relating to the
20 issuance.

21 (c) The district shall file annual audited financial
22 statements with the city's secretary.

23 Sec. 3871.153. ASSESSMENTS; EXEMPTION. (a) The district
24 may impose an assessment on property in the district, including an
25 assessment on commercial, industrial, or office property, only in
26 the manner provided by Subchapter A, Chapter 372, Local Government
27 Code, or Subchapter F, Chapter 375, Local Government Code, for a

1 municipality, county, or public improvement district, according to
2 the benefit received by the property.

3 (b) An assessment on property must be for the limited
4 purpose of providing capital funding for:

5 (1) public water and wastewater facilities;

6 (2) drainage and storm-water facilities;

7 (3) streets and alleys; and

8 (4) any authorized purpose under Chapter 372, Local
9 Government Code.

10 (c) An assessment, a reassessment, or an assessment
11 resulting from an addition to or correction of the assessment roll
12 by the district, penalties and interest on an assessment or
13 reassessment, an expense of collection, and reasonable attorney's
14 fees incurred by the district:

15 (1) are a first and prior lien against the property
16 assessed; and

17 (2) are superior to any other lien or claim other than
18 a lien or claim for county, school district, or municipal ad valorem
19 taxes.

20 (d) A lien of an assessment against property under this
21 chapter runs with the land, and the portion of an assessment payment
22 obligation that has not yet come due is not eliminated by the
23 foreclosure of an ad valorem tax lien. Any purchaser of property in
24 a foreclosure of an ad valorem tax lien takes the property subject
25 to the assessment payment obligations that have not yet come due and
26 to the lien and terms of payment under the applicable assessment
27 ordinance or order.

1 (e) The board may make a correction to or deletion from the
2 assessment roll that does not increase the amount of assessment of
3 any parcel of land without providing notice and holding a hearing in
4 the manner required for additional assessments.

5 (f) The district shall file notice of any tax or assessment
6 imposed by the district with the county clerk of Dallas County and
7 post the notice on the district's Internet website.

8 Sec. 3871.154. RESIDENTIAL PROPERTY EXEMPT. The district
9 may not impose taxes, assessments, fees, or any other requirement
10 for payment, construction, alteration, or dedication on
11 single-family detached residential property, residential
12 condominiums, duplexes, triplexes, and quadruplexes.

13 Sec. 3871.155. MAINTENANCE AND OPERATION TAX; ELECTION.

14 (a) The district may impose a tax for maintenance and operation
15 purposes, including for:

16 (1) planning, constructing, acquiring, maintaining,
17 repairing, and operating all improvement projects, including land,
18 plants, works, facilities, improvements, appliances, and equipment
19 of the district; and

20 (2) paying costs of services, engineering and legal
21 fees, and organization and administrative expenses, including
22 expenses of the city payable under the terms of the project
23 development agreement described by Section 3871.160.

24 (b) The district may not impose a maintenance and operation
25 tax for improvement projects under this chapter unless the
26 imposition of the tax is approved by the voters of the district
27 voting at an election held for that purpose. An election may be

1 called only on receipt of a petition as provided by Section
2 3871.151(b).

3 (c) A maintenance and operation tax election may be held at
4 the same time and in conjunction with any other district election.
5 The election may be called by a separate election order or as part
6 of any other election order.

7 Sec. 3871.156. USE OF SURPLUS MAINTENANCE AND OPERATION
8 MONEY. If the district has surplus maintenance and operation tax
9 money that is not needed for the purposes for which it was
10 collected, the money may be used for any authorized purpose.

11 Sec. 3871.157. BONDS AND OTHER OBLIGATIONS. (a) Subject to
12 the requirements of Sections 3871.159 and 3871.160, the district
13 may issue by public or private sale bonds, notes, or other
14 obligations payable wholly or partly from ad valorem taxes, or by
15 assessments in the manner provided by Subchapter A, Chapter 372,
16 Local Government Code, or Subchapter J, Chapter 375, Local
17 Government Code.

18 (b) In exercising the district's borrowing power, the
19 district may issue a bond or other obligation in the form of a bond,
20 note, certificate of participation or other instrument evidencing a
21 proportionate interest in payments to be made by the district, or
22 any other type of obligation.

23 (c) In addition to the sources of money described by
24 Subchapter A, Chapter 372, Local Government Code, and Subchapter J,
25 Chapter 375, Local Government Code, district bonds may be secured
26 and made payable wholly or partly by a pledge of any part of the
27 money the district receives from system or improvement project

1 revenue or from any other source.

2 Sec. 3871.158. BOND MATURITY. Bonds may mature not more
3 than 40 years from their date of issue.

4 Sec. 3871.159. TAXES FOR BONDS AND OTHER OBLIGATIONS. At
5 the time bonds or other obligations payable wholly or partly from ad
6 valorem taxes are issued:

7 (1) the board shall impose a continuing direct annual
8 ad valorem tax for each year that all or part of the bonds are
9 outstanding; and

10 (2) the district annually shall impose an ad valorem
11 tax on all taxable property in the district in an amount sufficient
12 to:

13 (A) pay the interest on the bonds or other
14 obligations as the interest becomes due; and

15 (B) create a sinking fund for the payment of the
16 principal of the bonds or other obligations when due or the
17 redemption price at any earlier required redemption date.

18 Sec. 3871.160. DEVELOPMENT AND OPERATING AGREEMENT
19 REQUIRED. (a) After the district's board is organized, but before
20 the district may undertake any improvement project, issue bonds,
21 impose taxes, levy assessments or fees, or borrow money, the
22 district and the city must negotiate and execute a mutually
23 approved and accepted development and operating agreement,
24 including any limitations imposed by the city, regarding the plans
25 and rules for:

26 (1) the exercise of the powers granted to the district
27 under this chapter, including the organization, development, and

1 operation of the district;

2 (2) the selection and description of improvement
3 projects that may be undertaken and financed by the district and the
4 ownership, operation, and maintenance of those projects;

5 (3) the terms, conditions, methods, means, and amounts
6 of financing authorized by this chapter that the district may use in
7 providing improvement projects; and

8 (4) the amounts, methods, and times of reimbursement
9 to the city for costs and expenses, if any, incurred by the city
10 with respect to the development and operation of the district and
11 the financing of improvement projects by the district.

12 (b) An agreement authorized by this section is not effective
13 until its terms and execution are approved by the board and the
14 governing body of the city by resolution.

15 [Sections 3871.161-3871.250 reserved for expansion]

16 SUBCHAPTER E. DISSOLUTION

17 Sec. 3871.251. DISSOLUTION BY CITY ORDINANCE. (a) The city
18 by ordinance may dissolve the district.

19 (b) The city may not dissolve the district until the
20 district's outstanding indebtedness or contractual obligations
21 that are payable from ad valorem taxes have been repaid or
22 discharged, or the city has affirmatively assumed the obligation to
23 pay the outstanding indebtedness from the city's lawfully available
24 revenue.

25 (c) The city may not dissolve the district until the
26 agreement under Section 3871.160 has been executed and the
27 district's performance under the agreement has been fulfilled,

1 including any right or obligation the district has to reimburse a
2 developer or owner for the costs of improvement projects.

3 Sec. 3871.252. COLLECTION OF ASSESSMENTS AND OTHER REVENUE.

4 (a) If the dissolved district has bonds or other obligations
5 outstanding secured by and payable from assessments or other
6 revenue, other than ad valorem taxes, the city shall succeed to the
7 rights and obligations of the district regarding enforcement and
8 collection of the assessments or other revenue.

9 (b) The city shall have and exercise all district powers to
10 enforce and collect the assessments or other revenue to pay:

11 (1) the bonds or other obligations when due and
12 payable according to their terms; or

13 (2) special revenue or assessment bonds or other
14 obligations issued by the city to refund the outstanding bonds or
15 obligations.

16 Sec. 3871.253. CONCURRENCE ON ADDITIONAL POWERS. If the
17 legislature grants the district a power that is in addition to the
18 powers approved by the initial resolution of the governing body of
19 the city consenting to the creation of the district, the district
20 may not exercise that power unless the governing body of the city
21 consents to that change by resolution.

22 Sec. 3871.254. ASSUMPTION OF ASSETS AND LIABILITIES. (a)
23 After the city dissolves the district, the city assumes, subject to
24 the appropriation and availability of funds, the obligations of the
25 district, including any bonds or other indebtedness payable from
26 assessments or other district revenue.

27 (b) If the city dissolves the district, the board shall

1 transfer ownership of all district property to the city.
