The Learn-to-Swim program teaches ages 6 months and older the opportunity to learn to swim in a safe environment. The program is designed to allow students to learn at their own pace and master the skills at each level before attempting the next challenge. Lessons for all skill levels are provided at each class during each session. Levels 1-4 have a participant to teacher class ratio of 6:1. **The registration deadline is always the Friday before the first day of class.**

## Water Tots, Ages 6 Months to 3 Years

Parent and child aquatics builds swimming readiness through games and songs. Parents learn how to teach their children various skills to increase their child's confidence, coordination, and safety in the water. Class ratio is 10:1.

## Preschool, Ages 3-4

This level is a fun introduction to water with an emphasis on comfort, safety, and basic water skills. Preschoolers learn floating, kicking, alternating arm action, bubble blowing, and safety rules. Class ratio is 5:1.

## Level 1: Intro to Water, Ages 5+

This level builds from beginner skills through the introduction of freestyle, backstroke, and breaststroke while providing a greater sense of confidence and independence in the water. Class ratio is 6:1.

## Level 2: Fundamental Skills, Ages 5+

This level builds from Level 1, and teaches alternating arm action, rhythmic bobbing, front and back glides, and safety. Prerequisites include the ability to walk five yards in chest-deep water, retrieve an object underwater, and float supported or unsupported. Class ratio is 6:1.

## Level 3: Stroke Development, Ages 6+

This level teaches rotary breathing, dolphin kick, and safety, as well as freestyle and elementary backstroke. Prerequisites include the ability to float (front and back) unsupported, perform front and back glides unsupported, and demonstrate alternating arm action. Class ratio is 6:1.

## Level 4: Stroke Development, Ages 6+

This level increases endurance by swimming familiar strokes (front and back crawl) for greater distances. Participants add arms to the scissors kick for sidestroke and begin learning back crawl, breaststroke, and butterfly. Class ratio is 6:1.

## Private and Semi-Private Swim Lessons, ages 3-Adult

Private individualized lessons are designed to meet your personal goals and needs and are taught by American Red Cross Certified Water Safety Instructors.

To register, call the Learn to Swim Coordinator at (940) 349-8814.
