Dear Sister Lottie

Fred sent my
pistol up to Columbia by J. W. Wade
to be handed to the Conductor of
the Brazoria Road but he must
have taken it home with him
as it has not come to hand -
please send to him for it and
send it in as I must have
it before I leave, and I am
not certain of being able to see
you again. Fred will be
here on the Cars Saturday and
will probably expect the team
here so that he can visit you
on Sunday. I presume all
the articles sent home come to
hand by this time. If I
do not see you again to say
good bye believe me that I
earnestly desire and pray that all
you may be shielded from all
possible evils and enjoy as much
happiness as it is the destiny of
humanity to enjoy here

Very
Sincerely
Your
Brother
Wm. W. Wade
