Dear Fred

I understaid this morning that you have given up the Quarter Master position of Labor Bureau + received an appointment as agent to buy cotton in Fort Bend for the State. If you are no longer Quarter Master please say to Genl Andrews that I would like to get the Q M appointment for the Labor Bureau, but if you still hold the position, be kind enough to use your influence to get me the agency to buy for this County. Have you bought me the boots I spoke to you about. I would like to hear from you as soon as possible.

Yours truly
R. A. Dwyer

I say to Genl Andrews I will write to him in a day or so. R

tear this up after reading.

Will the agency appointment be a permanent one, let me know if I can get the agency, before I am appointed &c.
