Dear Sir:-

Your note of

[[unclear]] inst. is at hand and can -
tents noted.

There have

been two divedends declared and
paid since the time you mentions,
of 1/2 % each, which makes five
hundred and eight dollars

currency. (\$508.00) I have placed

the same, as you requested in

the National Bank of Texas,

subject to the order of Mrs.

Rice. Mrs. Rice is entitled

to 8 1/3 shares stock, but as

we do not issue fractions of

shares, he will have to purchase

two thirds of a share or sell

the one-third, which make

him eight or nine shares, as

the case may be. and which

stock I will issue whenever

any one authorized to sign Mr.

Rice's name will receipt for

the same.

Respectfully
