

Exeter Jan 20th 1867

Mr

Rice

Dear Sir

Since I left
Hartford I have been thinking the
matter over & I think my claim
against E. R. Wells should have
better be put into the hands
of Judge Crosby, you are
liable to be absent & I think
it is much the best to have
it placed in this shape
that I may be upon equality
with the other creditors.

Respectfully Yours

John Lane
