Dear Sir

Yours 12th @ hand

I would not like to send the  
note by mail, but could you  
name parties in New York  
or I could send it to some of  
my friends and you could  
have it taken up. I suppose  
you will be in N.Y. this summer  
and we might meet there  
and arrange the claim. I shall  
be there early in August let  
me know if I shall send  
the note to friends or will  
you be there in August and  
where I can find you

Respt yours  
Saml. Puleston
