Houston 22nd April 1867

Dear Mr Rice

I shall want some
Six or eight hundred dollars of the
money at Galveston. I believe it is
deposited in your name - I will
require an order.

I also want if possible
Three or four hundred in gold.
I own ship Annie near there which
she will want soon. If you can
let me have four I would rather
but can make out with three.
Yours H. Graven.

P. S. Accept my warmest congratulations
on the bright prospects ahead.
