Dear Rice

I am in receipt of yours of 13<sup>th</sup>. Recd this Am. - I have no desire to go behind the Blount-settlement. but in the settlement we are to make. That document may be necessary for reference.

Wm W. R. H. Books must show further collections for Jr of N. M. Isaac Loring lived at Cincinnati on the Trinity on claim against his estate was placed with Geny Butler - who represented the northern Creditors of the estate to be collected & all paid pro rata. Ross of Sagony turned over a large amt of claims to a Lawyer there.

I think you sold some Waco lots to Genl. Spright & some town property to a school institution - You failed in your letter to comply

with my request to furnish  
me with sales of the 46<sup>th</sup> & C  
from Templeman and the  
68<sup>th</sup> & C shipped to you by Amstutz  
for my  $\frac{1}{2}$  - I can not  
do a thing with Amstutz  
until I get the sales of the 68<sup>th</sup> & C  
nor can I get up a statement  
of our accounts till I receive  
from you the items asked  
for in my last letter - Don't  
fail to send by the return  
mail the 68<sup>th</sup> & C sales -
