

Corvacauna Indas
June 4th 1867.

Messrs W M Rice & Co.

The administrators of Mitchell's estate have given me the following list of lands which they propose to let you have on the claim you hold against them. They say the titles are perfect. If you conclude to accept the offer I will investigate the titles. If you do not consent to the proposition it will be unnecessary to examine the titles. Please write me what to do and whatever course you may indicate I will follow.

Very Respectfully
Yours Truly
R L Mills
