Houston Tex

My Dear Friend

When I was at Houston Mr
Baker promised to write to me
soon if the ~~the~~ Central road
would give me any business

I have heard nothing from
him. Should an agent be
wanted I hope you will remem-
ber me.

If you know of any firm or
man who wishes an agent
to buy Cotton in the Tex Coun-
try and would get me into
such a position I would
take it as a special favor.

From one to two cts per lb
can be saved by buying of the
planters. Cotton looks fine

Please let me hear from
you.

With Respect

Your O. V. S. Servant
