Galveston May 8th 1868

My Dear Sir

I have the pleasure to enclose you
Ten Shares of Houston and Galveston Wharf &
Pier Company obtained from Capt. Sellers
on an order from J. P. Brown & Co in your favour
for Samuel R. P. Boyce trusts himself on the R.R.
Bridge, the first opportunity. I have to see
him I will present your note to him
for payment. The statute ^{of limitation} will not run
on the note for two years yet to come

Tom Pearce arrived here on Monday last
I think he will be a dead creek
in the rail road suit. There is no show
in opposition to the Bond holder, sure
He put his money in a bad speck

Tom wants to extend the Houston & Texas Central
to Galveston immediately and will furnish
the Platte to do the work himself. He will
lay his plans and proposition before the board
as soon as he visits Houston. Ever yours
